Dear Mr. Bross:

The Department of Transportation (Caltrans) received a bid from Chester Bross Construction, Inc. (Chester Bross) for contract 06-0Q7704 on December 18, 2013. By this letter, Caltrans notifies Chester Bross that it must perform bid item 3, Traffic Control with its own forces.

Public Contract Code Section 4106 states in pertinent part, "... *If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of 1 percent of the prime contractors bid, the prime contractor agrees that he or she is fully qualified to perform that portion of work himself or herself, and that the prime contractor shall perform that portion himself or herself.*"

On the Subcontractor List form submitted with its bid, Chester Bross identified the Chrisp Company to perform 95 percent of work bid item 3, Traffic Control and in addition identified and Roll 'N Rock Construction, Inc. (RNR) to perform 8 percent of the work, for a total of 103 percent.

Since Chester Bross must perform bid item 3, with its own forces, that work cannot now be counted towards the 3 percent Disabled Veterans Business Enterprise (DVBE) participation on this contract. As a result, the total claimed participation has been reduced from \$47,087 or 3.24 percent, to \$8, 441 or .058 percent.

Therefore, Chester Bross did not meet the stated DVBE participation goal for this contract and is no longer eligible for award of this contract.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
