DES-OE-0102.11A (NEW 06/2012)

4. List the names and dates of each publication in which a request for DBE participation for this project was placed by the bidder. Attach copies of published advertisements or proofs of publication:

Publications	Dates of Advertisement
<b>see appendix 1</b>	

5. List the names of agencies and the dates on which they were contacted to provide assistance in contacting, recruiting and using DBE firms. If the agencies were contacted in writing, provide copies of supporting documents.

Name of Agency	Date of Contact	Method of Contact	Results
<b>see appendix 2</b>			

6. List efforts made to provide interested DBEs with adequate information about the plans, specifications, and requirements of the contract to assist them in responding to a solicitation. Identify the DBE assisted, the information provided, and the date of contact. Provide copies of supporting documents.

Granite Construction Company uses an external FTP internet site to post plans/specs to so interested parties don't have to travel to our office to view plans. We list the site URL with the user name and password on all solicitations we send out. In addition, we reference the Caltrans Office Engineer website location so interested parties can go directly there as well.

7. List efforts made to assist interested DBEs in obtaining bonding, lines of credit, insurance, necessary equipment, supplies, materials, or related assistance or services, excluding supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate. Identify the DBE assisted, the assistance offered, and the date. Provide copies of supporting documents.

Granite Construction offers a program where we will carry the surety bond for any subcontractor that cannot bond or whose bond rate may be too high. There is no charge to the sub for this. We will also help assist subs obtain insurance who are unable to meet our insurance requirements.

8. Include additional data to support a demonstration of good faith efforts.
