Dear Mr. Towne:

The Department of Transportation (Caltrans) received a letter from W. Jaxon Baker, Inc. (Baker) on June 19, 2014, clarifying the Disabled Veterans Business Enterprise (DVBE) participation for DCP Logistics (DCP).

As you are aware from previous correspondence, the Office of Business and Economic Opportunity, Contract Evaluation Branch (CEB) performed a Commercially Useful Function (CUF) review of the DVBE DCP that Baker listed towards its participation. It was the determination of CEB that DCP was not performing a CUF and the participation was disallowed and unfortunately, Baker did not meet the 5 percent DVBE goal for this contract.

Caltrans has reviewed Baker's response and unfortunately, cannot accept the clarification of the DVBE's participation, since this information was not part of the original submittal.

Therefore, it remains the determination of Caltrans that Baker did not meet the DVBE goal and was not eligible for award of the contract. Furthermore, Caltrans has awarded this contract to Granite Construction, on June 12, 2014.

If you have any questions regarding the CUF review of DCP Logistics, please contact Steve Lu, CEB Analyst, at (916) 324-0888.

Sincerely,
