Subject: Nonresponsive Bid Finding Protest

Dear Mr. McMillan

W. Jaxon Baker, Inc. has received your letter dated 6/3/14, notifying us that our bid for the above listed project has been deemed non responsive, we would like to protest this finding.

We would like to set up a time to meet with the department and DCP Logistics and discuss and present the information defending the use of DCP as a DVBE that serves a Commercially Useful Function pursuant to the terms, listed in Tim Bullivant's Memorandum, and the Military and Veterans Code.

We look forward to discussing this matter further, and would like to present our case that W. Jaxon Baker, Inc. did submit a responsive bid.  
Please contact me, to set up a time when we can meet.

Sincerely,

Kent Amberg
