Dear Mr. Ellis:

The Department of Transportation (Caltrans) received letters dated April 5, and 7, 2016, from ETIC Engineering (ETIC) protesting the bid submitted by Beador Construction Company, Inc. (Beador) for the above referenced contract. The protest alleges that Beador submitted an unbalanced bid and failed to list a striping subcontractor for bid items 28, 29, 30, 31, but listed Mallard Construction Inc., as performing the same bids items on the Certified DVBE Summary form.

Caltrans did not conduct a review of the protest as it pertains to Beador, since the bid submitted by Beador was found non-responsive.

If you have any questions, please contact Mulissa Smith, Construction Contract Award Services Manager, at (916) 227-6228.

Sincerely,
