 Nonresponsive - Bid

Attn.; Mulissa Smith
 Contract Award Branch Chief

Dear Ms. Smith,

With regards to the letter we received June 15th from John C, McMillan (Deputy Division Chief), Cal Valley Construction hereby requests that the State give further review of Cal Valley's bid. The State has determined that Cal Valley was nonresponsive because Cal Valley was not performing at least 30% of the work.

Cal Valley believes that the State has made this determinations based solely on the listed bid pricings of each item of work and did not give Cal Valley credit for the management and coordination of their subcontractors. The listing below is the accrual pricing (sub quotes) on each subcontract item along with the value of work (management) done by Cal Valley;

Bld Item	Subcontractor	Sub's Pricing		Cal Valley's Work		Bid Pricing
Item 2	State Wide	\$750.00	+	\$150.00	=	\$900.00
Item 12	MBI	\$404.00	+	80.80	=	\$484.80
Item 13	MBI	\$5,980.00	+	791.20	=	\$6,771.20
Item 31	MBI	\$3,488.00	+	480.00	=	\$3,968.00
Item 32	MBI	\$775.00	+	125.00	=	\$900.00
Item 33	MBI	\$20,225.00	+	2,775.00	=	\$23,000.00
Item 34	MBI	\$52,118.00	+	15,759.00	=	\$67,877.00
Item 35	High-Light Elec.	\$4,000.00	+	500.00	=	\$4,500.00
Item 36	High-Light Elec.	\$130,450.00	+	16,550.00	=	\$147,000.00
Item 37	State Wide	\$10,980.00	+	1,520.00	=	\$12,500.00
		\$229,170.00		\$38,731.00		\$267,901.00

As you can see the total direct value of the subcontract work on this project = **\$229,170.00**. With a Total Bid Price for all work = \$373,615.40, the percentage of work performed by Cal Valley = 38.7%.

Of consideration of the State's review, Cal Valley will extend our bid pricing of this work for an additional 30 days.

If you need any additional information please don't hesitate to call me,

Sincerely,

Clay C. Harmon
