Dear Ms. Avila,

The Department of Transportation (Caltrans) received a bid submitted by Cal Valley Construction (Cal Valley) for Contract number 06-0S8204 on May 20, 2015. By this letter, Caltrans notifies Cal Valley that its bid is nonresponsive since Cal Valley did not comply with the contract Standard Specification on Subcontracting, 5-1.13A General, which states in part: is

"Except for a building-construction non-federal-aid contract, perform work equaling at least 30 percent of the value of the original total bid with your employees and with equipment you own or rent, with or without operators. "

Cal Valley failed to meet the required 30 percent as Cal Valley only listed 27.19 percent of the value of the original total bid as the work to be self-performed.

Based on the above, Caltrans will proceed to award this contract to the lowest responsible bidder, provided that all requirements have been met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
