Dear Mr. McClatchey:

The Department of Transportation (Caltrans) received a bid submitted by Lee's Paving, Inc. (LPI) for Contract No. 06-430704 on March 20, 2013. By this letter, Caltrans notifies LPI that its bid is nonresponsive because it revised column 4 on the Subcontractor List form.

The Subcontractor List form states in part, "...Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after the bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid."

On the original submitted Subcontractor List, LPI identified CMG Hydroseeding (CMG) as only performing work described as Temporary Fence. However, on the 24-hour submission of the Subcontractor List submitted on March 21, 2013, column 4 was revised to describe the work to be performed by CMG as Temporary Fiber Roll and Temporary Fence. Bid Item 1 (Temporary Fence (Type ESA)), Bid Item 4 (Temporary Fiber Roll) and Bid Item 8 (Temporary Soil Binder) were listed in column 2 as the work to be performed by CMG. The change in the description of the work in column 4 on the 24-hour submission of the Subcontractor List from Temporary Fence to Temporary Fiber Roll and Temporary Soil Binder, and the inclusion of the bid item numbers corresponding to Temporary Fiber Roll and Temporary Soil Binder constitutes an improper change to the Subcontractor List form.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder.

Your attention is directed to Section 3-1.02 of the Amendments to the 2006 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.
