Dear Ms. Salvucci:

The Department of Transportation (Caltrans) received a bid from Agee Construction Corporation (AGEE) for contract 06-432604 on November 6, 2014. By this letter, Caltrans notifies AGEE that its bid is nonresponsive because it failed to complete the Subcontractor List form.

Caltrans 2010 revised Standard Specifications, Section 2-1.33C states in part, "...*The Subcontractor List must show the name, address, and work portions to be performed by each subcontractor listed. Show work portions by bid item number, description, and percentage of each bid item subcontracted*". Failure to provide complete information in columns 1 through 5 within the time specified will result in a nonresponsive bid." AGEE failed to submit at time of bid or within 24 hours, the bid item numbers and percent of bid item subcontracted.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder, providing that all the requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMillan", with a long horizontal line extending to the right.
