Caltrans Project 06-462214 DBE Participation Good Faith Efforts

06-462214 Attachment I

9. Include additional data to support a demonstration of good faith efforts.

Myers has created a DBE LinkedIn group that DBE's, Contractors and other agencies are now using to promote opportunities. You may verify this information at the following link, <https://www.linkedin.com/grp/home?gid=8133837&sort=RECENT> . We attend several DBE outreach meetings put on by Caltrans and other agencies during the year and we have a section of our website dedicated to DBE/SBE/DVBE firms, <http://www.myers-sons.com/pages/dbesbedvbe-outreach>.

Myers and Sons requested a DBE quote from RD Construction on 6/10/15, 6/17/15 and 6/23/15 via email to the following email address, rdconst69@netzero.com, obtained from the Caltrans website. No quote was received.

Myers and Sons contacted LA Steel Services on 6/25/15 at 8:52am and spoke with Rich Rabay who informed us he would be sending a quote by noon, when we followed up with Rich at 12:15pm he confirmed he would be faxing a quote to Myers and Sons "soon". Myers and Sons had not received the quote from LA Steel, so we called them again at 1:05pm. We spoke with Rich; he then informed us he would not be bidding on this project after all.
