Dear Mr. Delgado:

The Department of Transportation (Caltrans) received the attached letter dated June 12, 2013, from Western Structure (Western) requesting J. McLoughlin Engineering Co, Inc., (McLoughlin) be found non-responsive. Western's protest states that McLoughlin listed a lump sum price of \$40,000 for painting and provided a QP1 and QP2 certification for paint and lead removal from CL Coatings, but did not list them on its Subcontractor List.

After further review, it was determined that QP certification was not required for this contract. Caltrans does not respond to protests after the contract is awarded. Contract 07-1W2804 was awarded on June 5, 2013 and this protest was received on June 12, 2013.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMILLAN".

Reference: Contract No. 07-1W2804

Subject: Protest of Bid
Reference: J. McLoughlin

Gentlemen,

The bid submitted by McLoughlin, did not name a sub-contractor for cleaning and painting structural steel (existing bridge) item No. 41. J. McLoughlin posted a lump sum price of \$40,000 for painting and provided a QP1 and QP2 certification for paint and lead removal from CL Coatings and did not list CL Coatings as a subcontractor, therefore the submitted bid should be considered non-responsive.

Western Structures would appreciate your prompt consideration and attention to this matter.

Sincerely,

Wolfgang Delgado Sr.

Estimator
