Dear Mr. Skajem:

The Department of Transportation (Caltrans) received a bid from Western Structures for contract 07-1W2804 on May 16, 2013. By way of this letter, Caltrans notifies Western Structures that its bid is nonresponsive because of an improper change made to the Subcontractor List form.

The Subcontractor List form states in part, "...Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after the bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid." No other revisions to the form are permitted. On the Subcontractor List submitted on May 16, 2013, Techno Coatings was originally subcontracted to perform work described as Clean and Paint Structural Steel. However, this portion of the work was removed on the 24 hour submittal. The omission of this item constitutes an improper change to the Subcontractor List form.

Your attention is directed to Section 3-1.04 of the Amendments of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.
