Dear Mr. McLoughlin:

The Department of Transportation (Caltrans) received the attached letter dated June 10, 2013, from McLoughlin Engineering Co., Inc (McLoughlin), protesting Western Structures, Inc. (Western) Subcontractor List form. The protest alleges Western submitted its Subcontractor List form indicating Rampart Hydro Services (Rampart) as performing work associated with bid item 22 described as Prepare Concrete Bridge Deck (partial), then subsequently listed Rampart on its 24 hr Subcontractor List faxed submission as performing work described as Prepare Concrete Bridge Deck (partial), bid item 20.

After a review of the bid documents submitted by Western, Caltrans finds that this is a minor and immaterial deviation in the bid. Therefore, the protest submitted by McLoughlin protest lacks merit and Caltrans will proceed to award the contract to the lowest responsible bidder provided that all requirements are met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
