Inquiry #1: THE MEANDRING LAYOUT OF THE ASPHALT PAVEMENT RELITATIVE TO THE LANE LINES/EDGE LINES AND EDGE OF CONCRETE, INDICATE SOME OF THE AREAS HAVE VAIRABLE PAVING WIDTHS, AS LOW AS 1' TO 5'. BECAUSE THE REQUIRMENTS OF THE FIRST TWO SENTENCES SS SECTION 39-1.03D(1), PARAGRAPH 1; WILL WE BE ALLOWED TO REQUEST ALTERNATE LONGITUDINAL JOINT LAYOUT FOR REASONABLE WIDTH PAVING (9.2'+) FOR THE HMA AND RHMA-G?

Re: State Hwy in Ventura - CALTRANS

Mr. Andy Berry,

Thank you for considering Quality Erectors & Construction. We recently received your request for sub contractor's bids for the State Hwy in Ventura - CALTRANS project. Although we will not be submitting a bid for this project; I would like to take this opportunity to introduce the services of our company. QEC, Inc. is a WBE / MBE / DBE certified with the DOT. QEC, Inc. was founded in 1982 and incorporated in 1986. A union shop signatory to California Field Ironworkers, as such we are able to bid not only union projects, but PLA, prevailing wage and private agreements as well. With our crews training and abilities (along with hands on management) we are able to contract projects that vary from large multi-unit commercial & industrial to the small private sector structures.

QEC, Inc. holds a Class B, C-51, C-13 and a C-39 license with the State of California Contractors Licensing Bureau and specializes in the complete erection of pre-engineered metal building packages. We are authorized dealer and erector for Butler Manufacturing Company, Garco Building Systems and Nucor Building Systems.

QEC, Inc. has a vast amount of experience installing and erecting Star, Varco Pruden, CBC, General & Braemar Buildings Packages, and also install Architectural roof paneling, bar joist installation, welding and miscellaneous steel structures.

We take pride in our commitment to the safety and health of all our employees and have established a thorough safety and health policy applicable to all phases of operations. Our goal is to eliminate personal injuries, occupational illnesses, damage to equipment and property, and protection of these when interacting with the general public during the course of construction. Safety inspections are performed daily by the job foremen to identify any potential safety risks and hazards on the jobsite. In addition, we require that each site foreman have a current CPR and Basic First Aid Certification.

All field personnel have received additional training and are certified operators for aerial lift equipment, forklift and scaffolding.

For a list of our completed projects, feel free to check out our new website at **www.qec-inc.com**. It is my sincere hope to establish a mutually beneficial working relationship with your firm. If we can be of any assistance, or for more information please feel free to call my office direct (707) 746-1233.

RE: Disadvantaged Business Enterprise Certification

Dear Mr. Jones:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. This certification will be recognized by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS codes form of the application package:

NAICS (2007)	Description
541340	Drafting Services
541620	Environmental Consulting Services
561990	All Other Support Services (Flagging (i.e. traffic control) services

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database which can be accessed at the CUCP's website at www.californiaucp.org. Any additions and revisions must be submitted to Metro for review and approval.

In order to ensure your continued DBE status, you are required to submit an annual No Change Declaration Form (which will be sent to you) along with supporting documentation. If no changes are noted, then your DBE status remains current. If there are changes, Metro will review to determine continued DBE eligibility. Please note, your DBE status remains in effect unless Metro notifies you otherwise.

Should any changes occur that could affect your certification status prior to receipt of the No Change Declaration Form, such as changes in your firm's name, business/mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records and documents by Metro.

Subject: Workshop for City Councilman Bob Blumenfield, 10/29

Good Morning Danielle & Stacey,

I'm excited to share with you that we have scheduled our next workshop with City of Los Angeles Councilman Bob Blumenfield, District 3 covering the West Valley neighborhoods of Canoga Park, Reseda, Tarzana, Winnetka and Woodland Hills. The event is set for October 29th at 5:30pm. Flyer is currently being finalized, we hope to have it completed by next week.

About the outreach event, It will be comprised of a few presentations from LAWA, City of LA Public Works, LADWP, POLA and the Bond Assistance Program. Following these presentations which should take no longer than 30 mins, I'm looking to create a panel made up of a few of our prime partners which of course, we'd love CA Rasmussen to join. We're looking to have mainly small businesses in the audience, however, the event will be open to anyone. The last time the Outreach Team put an event together like this, over 150 firms were in attendance!

A few more details, we would also provide you with a table where you can bring your own displays, handouts, etc. The program is scheduled to begin at 5:30 pm and would like all program participants to arrive between 4:30-5:00pm. The Councilman is confirmed to attend to give remarks.

Please let me know if this is an event CA Rasmussen would be interested in participating in.

Looking forward to hearing from you.
