Dear Ms. Fard:

The Department of Transportation (Caltrans) received a bid from United Engineering & Construction, Inc. (United Engineering) for contract 07-2849U4 on June 1, 2016. By this letter, Caltrans notifies United Engineering that its bid is nonresponsive, as United Engineering did not comply with the Contract Special Provision Sections 2-1.10, Subcontractor List and 2-1.15, Disabled Veteran Business Enterprises' (DVBE) in violation of the bidding instructions.

Caltrans reviewed the bid submitted by United Engineering and found they failed to list the subcontractor listed to perform work listed on the Certified DVBE Summary form on the Subcontractor List form. In accordance with Sections Section 2-1.10, each subcontractor to perform work in an amount in excess of 1/2 of 1 percent of the total bid or \$10,000, whichever is greater (Pub Cont Code § 4100 et seq.)", is to be listed on the Subcontractor List form.

In addition, United Engineering submitted an incomplete Certified DVBE Summary form as they failed to identify the DVBE listed to perform bid items 4 (Construction Area Signs) and 5 (Traffic Control System).

Based on the above Caltrans will proceed to award the contract to the lowest responsive bidder provided that all requirements are met.

Your attention is directed to Section 3-1.04 of the revised 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
