BIDDER RESPONSIBILITY QUESTIONNAIRE

Failure to truthfully answer the following questions will result in finding that the bid is nonresponsive. The Bidder must complete, under penalty of perjury, the following questionnaire:

1. Within the past ten years, has the Bidder been found to be a nonresponsive bidder by any public entity (including Federal, State, Local or Regional entities)?

Yes: No: See 4.1 - 4.3

2. Within the past ten years, have any of the Bidder's officers or employees with a proprietary interest in the Bidder, been determined to be a nonresponsive bidder by a public entity (including Federal, State, Local or Regional entities)?

Yes: No: See 4.1 - 4.3

3. Is there any officer or employee of the Bidder who now has or has had, any proprietary interest in another company that bid(s) on public works projects which company has been determined to be a nonresponsive bidder by any public entity (including Federal, State, Local or Regional entities)?

Yes: No: See 4.1 - 4.3

4. If the answer is to any of the three preceding questions is yes, please disclose all pertinent details of the determination of nonresponsibility including:

- 4.1 The date of each nonresponsibility determination
 4.2 The name of each public agency issuing the nonresponsibility determination and a contact person at the agency who would have information about the determination.
 4.3 The contract number for each nonresponsibility determination.

- 4.1 On July 29, 2005, Caltrans made an erroneous determination against HighLand Construction, Inc., which HighLand, Inc. refutes. On August 19, 2005, Caltrans illegally applied the same determination to two other contracts. Although Mike Ahmadi, an Officer of HighLand Construction, Inc., has issues with Caltrans, Mike Ahmadi was not a bidder himself on any projects. Additionally, on January 9, 2006, the City of Newport Beach rejected a bid for which HighLand Construction, Inc. was low bidder because of the erroneous determination made by Caltrans.

- 4.2 California Department of Transportation, Bob Pieplow/ John McMillian.
 City of Newport Beach, Aaron Harp.

- 4.3 07-1661A4 and Caltrans illegally applied the same determination to two other contracts, 07-4J2704 and 11-206404, all of which is a result of a personal vendetta by key personnel of Caltrans against Mike Ahmadi and HighLand Construction, Inc. The Contract No. for the City of Newport Beach is 3796.

NOTE:

HighLand Construction, Inc. vehemently rejects the determination that was made and all of its allegations and is diligently pursuing all legal remedies to prevent Caltrans from further discriminatory treatment against HighLand, Inc.
