SUBJECT: Lead Consultant Services
PROJECT: CalTrans 07-289204 Bid

Dear Michael,

Thank-you for your interest in Aurora Industrial Hygiene, Inc. (Aurora). We are a small (SBE), women-owned (SWBE), disadvantaged (DVBE), and disabled veteran owned business (SDVOSB). Based upon the information provided, it is my understanding you would like pricing for a Lead Compliance Plan as well as costs for lead monitoring and lead training (if requested). The following is a scope of work and quotation for services:

Aurora can provide the following:

1. A Certified Industrial Hygienist will write a site-specific lead compliance plan for work involving the disturbance of earth material containing lead and/or cold planning of lead containing thermoplastic or painted striping.
2. Aurora can provide lead awareness training if requested.
3. Daily rates for providing air monitoring/sampling for lead dust monitoring during striping removal and/or soil removal are provided as well.

Fee Schedule:

- 1) Lead Compliance Plan

\$ 640.00

Other Services if Requested:

- 2) Training – Lead Awareness (includes up to 4 hours total travel) \$1500.00
- 3) Training – Lead Awareness (within 20 miles of Aurora) \$ 640.00
- 4) Lead Air Monitoring (1 day only) \$ 680.00
- 5) Laboratory
 - a. Lead in Air (AA) (24 hr TAT) \$28.00/sample
 - b. Lead in Air (GF) (24 hr TAT) \$120.00/sample
- 6) Documentation \$ 390.00

Per Diem/Travel/Mileage/Hotel at per government rates
Travel Time

\$60/hr

Conditions:

- a. Aurora is not responsible for laboratory delays.
- b. Additional costs for other services, including laboratory analysis which may be requested will be billed at cost +20%.
- c. Shift rates are for standard, 8-hr weekday shifts. Overtime rates of 150% will be applied for weekend, holiday, and time after 8 hours/shift.
- d. Invoices are payable within 30 days of receipt. Invoices paid after 30 days are subject to a finance charge computed at a monthly rate of 1.5% (annual percentage rate of 18%). Client is responsible for legal and collection costs if necessary to collect past due amount(s).
- e. A 3% surcharge will be added for all credit card transactions.

All costs are based on Aurora maintaining \$2,000,000 in liability insurance, with no special endorsements. If required, the following policy endorsements can be provided at no additional cost: Additional Insured, Waiver of Subrogation, Primary and Non Contributing and 30 days notice. Other requirements may result in additional fees.

If this proposal is satisfactory please sign and email to my attention at grinck@auroraih.com.

Sincerely,

Grace M. Rinck, CIH
