Dear Ms. Loera:

The Department of Transportation (Caltrans) received a bid submitted by JFL Electric, Inc. (JFL) for Contract 07-293804 on July 28, 2015. By this letter, Caltrans notifies JFL that its bid is nonresponsive because JFL failed to comply with Section 2-1.04 Contractor Registration, of the 2010 Revised Standard Specifications which states:

"No contractor or subcontractor may be listed on a bid proposal for a public works project (submitted on or after March 1, 2015) unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)]".

As of bid opening day, JFL listed Appian UDBE SWPPP, First Vanguard Rentals and Sales, Inc., USC Supply and One Time Utility Sales on its Subcontractor List form. These subcontractors did not have a Department of Industrial Relations registration number on file at time of bid.

Based on the above action, Caltrans will proceed to award the contract to the lowest responsible bidder, provided that all requirements are met.

Your attention is directed to Section 3-1.04 of the Amendments to the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
