Dear Mr. McLoughlin:

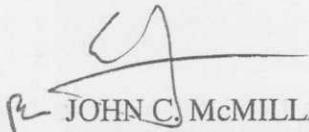

The Department of Transportation (Caltrans) received letters dated July 9 and July 16, 2014, from J. McLoughlin Engineering Co. (J. McLoughlin), protesting Peterson Chase General Engineering's (Peterson Chase) bid. The protest alleges that Peterson Chase failed to maintain consistency with their subcontractors list form with the addition of CalStripe, Lead Compliance Plan (LCP) on the 24-hour subcontractors list form, Bid Item 1.

Caltrans has determined that Peterson Chase was not required to list CalStripe, Bid Item 1, LCP on the subcontractors list form since CalStripe is not performing services defined by the Business and Professions Code for that of a contractor and this item of work is not considered an item that is subject to the Public Contract Code 4100 (et. Seq).

Based on the above, Caltrans finds that the protest letter submitted by J. McLoughlin does not have merit and will proceed to award the contract to the lowest responsible bidder, provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Manager, at (916) 227-6228.

Sincerely,

  
JOHN C. McMILLAN
