Subject: Workshop for City Councilman Bob Blumenfield, 10/29

Good Morning Danielle & Stacey,

I'm excited to share with you that we have scheduled our next workshop with City of Los Angeles Councilman Bob Blumenfield, District 3 covering the West Valley neighborhoods of Canoga Park, Reseda, Tarzana, Winnetka and Woodland Hills. The event is set for October 29th at 5:30pm. Flyer is currently being finalized, we hope to have it completed by next week.

About the outreach event, It will be comprised of a few presentations from LAWA, City of LA Public Works, LADWP, POLA and the Bond Assistance Program. Following these presentations which should take no longer than 30 mins, I'm looking to create a panel made up of a few of our prime partners which of course, we'd love CA Rasmussen to join. We're looking to have mainly small businesses in the audience, however, the event will be open to anyone. The last time the Outreach Team put an event together like this, over 150 firms were in attendance!

A few more details, we would also provide you with a table where you can bring your own displays, handouts, etc. The program is scheduled to begin at 5:30 pm and would like all program participants to arrive between 4:30-5:00pm. The Councilman is confirmed to attend to give remarks.

Please let me know if this is an event CA Rasmussen would be interested in participating in.

Looking forward to hearing from you.
