Notice of Award Rescission

Dear Mr. Porteous:

Bids were opened on October 15, 2014 to construct a Wash Building Facility in Kern County, in Lebec, at the Lebec Maintenance Station at 1586 Lebec Service Road.

This project was awarded to your company on November 19, 2014. Subsequent to the award, the Department determined that due to an administrative error, the low bidder on the project Global Environmental Management Services (GEMS) was found nonresponsive and not afforded an adequate response their protest. Upon further review of GEMS' bid, Caltrans found that the bid was in fact responsive and the initial nonresponsive finding was in error.

Based on the above finding, the Department rescinds the award to MGP. We apologize for any inconvenience this may have caused.

If you have any questions, please contact Mulissa Smith, Contract Awards Manager, at (916) 227-6228.

Sincerely,
