Oct 8, 2016

Job Number: 07-300304

Dear Bidders,

eWaste Disposal, Inc is committed to providing the best in environmental services and is pleased to provide ("the customer") with a proposal for the services described below as part of our full service Total Project Management Program:

• LABOR

All labor costs for the segregation, classification, and packaging of the waste materials by experienced personnel in accordance with all DOT, EPA and State regulations.

• MATERIALS AND FEES

All fees, applicable taxes and material costs for the proper packaging of the wastes for shipment by highway including drums, packing media, DOT and EPA labels and personal protective equipment.

• TRANSPORTATION

Transportation of all packaged wastes by a fully licensed and insured waste transporter, from your facility to the end disposal site.

• DISPOSAL

Proper treatment and disposal of all wastes at an authorized disposal facility.

• PAPERWORK

If necessary, a completed Hazardous Waste Manifest and Land Disposal Restriction Form for your signature at the time of shipment.

This proposal shall replace any prior oral or written proposal provided by Kleen-Solution and shall serve to memorialize the mutual understanding of our roles and responsibilities related to this proposal and the services provided. This proposal is not to be considered as a fixed price, but a project estimate, based on the Scope of Work, approximate chemical quantities and descriptions of the inventory provided by the Customer. This proposal is subject to the approval o EWDs credit department. If actual costs exceed this

#

estimate due to an increased Scope of Work, the Customer will be notified of the revised costs and will be invoiced for the actual work completed.

All items must be shipped in DOT approved shipping containers. Applicable taxes or similar assessments are not included in the Prices and will be billed separately on Customer's invoices. In addition to any other terms herein, this proposal letter is subject to the following Terms and Conditions and must be executed by the Customer prior to EWD beginning any work.

Terms and Conditions Waste Disposal Services

- 1) Price is valid for thirty (30) days from the date of this proposal letter.
- 2) Customer agrees to pay the Prices for the Services and agrees that payments hereunder are due upon Customer's receipt of an invoice. Amounts due on invoices that are not paid within 30 days are subject to an interest charge equal to the lesser of 1.5% per month (18% per annum) or the maximum rate allowed by law.
- 3) Customer shall be responsible for any additional costs incurred as a result of packaging and disposal of additional items or quantities not listed on the original inventory.
- 4) All drummed waste materials are packaged in drums that meet current DOT/UN specifications and are in good condition suitable for transportation by highway. Repackaging or over packing of drums will result in additional costs for labor and Materials, payment for which is the responsibility of the Customer.
- 5) EWD's employees or agents may refuse to package and ship any materials that are determined to contain pathological agents, biological wastes, PCB's, dioxins, radioactive wastes, explosives or that possess other hazards that make the waste unsafe for handling or shipping.
- 6) If Customer has a valid and current Universal Services Agreement or Master Services Agreement on file with EWD, the terms and conditions of said Agreement shall control in the event there is any conflict with the terms and conditions of this price quotation.
- 7) Customer will submit a separate description ("Material Profile") for each waste material tendered or delivered by Customer to EWD ("Waste"). Customer, upon request by EWD, will submit with the Material Profile a sample of the Waste described in the Material Profile. Customer acknowledges and agrees that EWD bases its testing, evaluation, collection, handling, and processing procedures on the description of the Waste contained in the Material Profile. If Customer is responsible for packaging and marking the Waste, the Waste will be described, coded, packaged and labeled in accordance with all applicable laws, will conform to the Waste Profile provided to EWD and will be produced as described in the Waste Profile. Customer agrees not to mix the Waste with any other materials (including, without limitation, materials containing PCBs) or otherwise alter the characteristics of the Waste. Customer will inform EWD of any process changes that may alter the characteristics of the Waste.
- 8) Provided the Waste Material is as described in the applicable Waste Description and the Waste Material is properly packaged, coded, marked and labeled, title, risk of loss and all other incidents of ownership with respect to the Waste Material will be transferred from Customer to EWD at either (i) the time EWD takes possession of, signs for, and removes the Waste Material from Customer's location or (ii) the time Customer's Waste Material is delivered to EWD. Any marketable or usable material EWD may recover from the Waste Material shall be the sole property of EWD.
- 9) Waste Material will be considered non conforming waste ("Non conforming Waste") if it fails to conform to the applicable Waste Description or if any packaging and/or marking provided by Customer is not in accordance with applicable Laws and requirements provided in advance to Customer by EWD. In the event Waste Material is determined to be Non conforming Waste, EWD may reject or revoke its acceptance of the Waste Material. The rejection or revocation of acceptance shall be effective immediately upon receipt of notice, verbal or written, by Customer or its agent. Customer and EWD will have 7 days to seek an alternative manner of disposition of the Non conforming Waste, unless it is necessary by reason of law, facility permit or facility operating procedure to move the Non conforming Waste in less than 7 days. If Customer and EWD cannot agree on an alternative manner of disposition within the relevant period, EWD shall either return the Nonconforming Waste to Customer or unilaterally determine and arrange for an alternative, lawful manner of disposition. Customer shall pay EWD its reasonable expenses and charges for Services provided in relation to such Non conforming Waste, including analytical work, transportation, storage, repair, replacement, decontamination and cleaning of applicable equipment and Non conforming Waste charges.
- 10) EWD agrees to indemnify, hold harmless and defend Customer, its directors, officers, employees and agents from and against any and all liabilities, claims, penalties, forfeitures, suits, and the costs and expenses incident thereto (including costs of defense, settlement and reasonable lawyers' fees, consultant or other professional fees and the reasonable costs of investigation, containment and cleanup and any remedial actions required by law, regulation or order, including the Comprehensive Environmental Response, Compensation and Liability Act of 1980 or comparable state superfund law (collectively referred to as "Damages"), which it may hereafter incur, become responsible for, or pay out as a result of death or

bodily injury to any person, destruction or damage to any property, contamination of or adverse effects on the environment, or any violation of Laws, to the extent that such Damages were caused by: (i) EWD's breach of any term or provision of this Agreement; (ii) the failure of any representation or warranty of EWD to be true, accurate and complete; or (iii) any negligent act or omission or willful misconduct of EWD or its employees or agents.

11) Customer agrees to indemnify, hold harmless and defend EWD, Inc, its directors, officers, employees and agents from and against any and all Damages, which it may hereafter incur, become responsible for, or pay out as a result of death or bodily injury to any person, destruction or damage to any property, contamination of or adverse effects on the environment, or any violation of Laws, to the extent that such Damages were caused by: (i) Customer's breach of any term or provision of this Agreement; (ii) the failure of any representation or warranty of Customer to be true, accurate and complete; or (iii) any negligent act or omission or

12) In no event shall either party be liable for any special, indirect, incidental, punitive or consequential damages, whether based in contract, warranty, indemnity or tort, negligence or strict liability.

13) Except as provided to EWD, Customer holds clear title to all Waste to be transferred hereunder and it is under no legal restraint or order which would prohibit transfer of possession or title to such Waste to EWD

14) No delay or failure in performance by either party hereto, except for the payment for Services previously performed, shall constitute default hereunder or give rise to any claim for damages, If, and to the extent, such delay or failure is caused by an occurrence beyond the reasonable control and without the fault or negligence of the party affected and which said party is unable to prevent or provide against by exercise of reasonable diligence, including, but not limited to, acts of God or the public enemy, unavoidable casualties, fires or other catastrophes, strikes or any other considered acts of employees.

15) Materials quoted on a weight basis may be subject to minimum weight charges.
