Dear Mr. O'Donnell:

The Department of Transportation (Caltrans) received a letter dated May 4, 2016, from O'Donnell Construction, Inc. (O'Donnell), protesting the bid submitted by Velarde Concrete Construction, Inc. (Velarde). The protest alleges that Velarde's Subcontractor List and Disabled Veteran Business Enterprises (DVBE) Summary forms are inconsistent because E-Nor Innovations, Inc. (E-Nor) is listed on the Subcontractor's List form as performing 7.9 percent of work described as bid item 3, traffic control system; however, on its DVBE Summary form, E-Nor is listed for the amount of \$20,785 or 22.5 percent for the same item of work.

Caltrans has reviewed the bid documents submitted by Velarde, as well as the protest and finds that Velarde listed E-Nor for equipment rental on the DVBE Summary form and there is no requirement to list E-Nor on the Subcontractor's List form.

Based on the above, Caltrans finds O'Donnell's protest does not have merit and will proceed to award the contract to the lowest responsive bidder, provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Manager, at (916) 227-6228.

Sincerely,

A handwritten signature in cursive script that reads "Jill Y. Sewell".
