Dear Mr. Landegger:

The Department of Transportation (Caltrans) received a bid submitted by C.A. Rasmussen, Inc. (C.A. Rasmussen) for Contract 07-3X4104 on August 01, 2013. By this letter Caltrans notifies C.A. Rasmussen that its bid is nonresponsive because C.A. Rasmussen failed to properly submit the Subcontractor List form.

The Subcontractor List form states in part, "...Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after the bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid".

On the Subcontractor List form, C.A. Rasmussen listed Condon Johnson & Associates, Inc. for bid items 30, 31, 33 through 36, and 39 for work described as "Drilling (portion)", and also listed PCI for bid item 8, Temporary Railing (Type K), to perform work described as "Striping". The bid items listed for both subcontractors were inconsistent with the description of work being performed. As a result, Caltrans was unable to determine the actual work being performed by the subcontractors.

Based on the above, Caltrans finds the bid submitted by C.A. Rasmussen nonresponsive. Caltrans will proceed to award the contract to the lowest responsible bidder provided all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

Mr. Landegger

Dear Mr. Landegger:

The Department of Transportation (Caltrans) received a bid submitted by C.A. Rasmussen, Inc. (C.A. Rasmussen) for Contract 07-3X4104 on August 01, 2013. By this letter Caltrans notifies C.A. Rasmussen that its bid is nonresponsive because C.A. Rasmussen failed to properly submit the Subcontractor List form.

The Subcontractor List form states in part, "...Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after the bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid".

On the Subcontractor List form, C.A. Rasmussen listed Condon Johnson & Associates, Inc. for bid items 30, 31, 33 through 36, and 39 for work described as "Drilling (portion)", and also listed PCI for bid item 8, Temporary Railing (Type K), to perform work described as "Striping". The bid items listed for both subcontractors were inconsistent with the description of work being performed. As a result, Caltrans was unable to determine the actual work being performed by the subcontractors.

Based on the above, Caltrans finds the bid submitted by C.A. Rasmussen nonresponsive. Caltrans will proceed to award the contract to the lowest responsible bidder provided all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.
