Dear Mr. Ferri:

The Department of Transportation (Caltrans) received the attached letter from Rakan, Inc. (Rakan) in response to a nonresponsive finding for the bid submitted for contract 07-4T5404. The letter requests the specific section(s) of which refers to a nonresponsive finding for a mathematical error.

Your attention is directed to the Subcontractor Listing form, the directions state "The bidder must identify each subcontractor performing work in an amount in excess of ½ of 1 percent of the total bid or \$10,000, whichever is greater (Pub Cont Code 4100 et seq). Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after the bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid". In addition, the Standard Specifications of 2010, section 2-1.33C states in part... "The Subcontractors list must show the name, address, and work portions by bid item number, description, and percentage of each bid item subcontracted".

As previously stated in our correspondence, the percentages listed by Rakan on the Subcontractors List, were representative of the total bid submitted by Rakan and did not represent the percentage work to be performed by the subcontractor.

Caltrans has reviewed the response and has not changed its position regarding the nonresponsive finding and will proceed to award this contract to the lowest responsive bidder.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
