RE: Contract No. 07-4T6904
Bid Date: April 3, 2014

Dear Mr. McMillan:

We see that Wheeler Construction, dba Safetech Construction Services, submitted a DVBE of 0.72%, which does not meet the 5% goal. Therefore, Baltazar Construction would become the next apparent low bidder.

We are hereby protesting Baltazar Construction Inc.'s bid. In reviewing their DVBE summary we noticed that bid items 1 and 5 are UDDBE and do not qualify. Item 3, traffic control, is listed for \$18,000.00. The E-Nor Innovations quote, attached, lists 10 days of traffic control at \$1,734.00 per day. That equals \$17,340.00 and this would equal 4.59% for DVBE credit.

Bid item 14 is for maintaining existing traffic management system elements during construction. This is not listed on E-Nor's quote. Therefore, this item should not be considered for DVBE credit. On the other hand, Item 14 is part of work on electrical systems per section 86-.1-06B of the Standard Specifications.

After calculating the 5% small business advantage, we would overtake Peterson-Chase as the low bidder.

We are requesting that Baltazar's bid be deemed as non-responsive based on the above facts. If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "John Korb", is written over a horizontal line.
