(CSLB# 987495)

"A Cold Milling Co"

UDBE CERTIFIED # 40561

This proposal is subject to all Terms and Conditions below.

TERMS AND CONDITIONS OF CONTRACT:

In this agreement Sublet means LMS Transport (LMS) & LMN Incorporated (LMN). Owner means owner and/or any general contractor (customer) and/or agent or owner. This is a proposal per owner's request, not a complete property evaluation.

1. Standard Exclusions: Engineering, Soils Test, Permits, Compaction Test and/or Inspection Fees unless noted.
2. Prices are firm for thirty (30) days from the date of the proposal unless otherwise stated.
3. Owner agrees to indemnify Sublet from any claim or suit for bodily injury or property damage arising from the design construction or installation of speed bumps or wheel stops.
4. Any changes required by owner shall be authorized in writing and paid by owner at Sublet prevailing rates unless quoted and agreed upon in writing.
5. Owner agrees to furnish to jobsite necessary and adequate water supply at owner's expense.
6. Sublet assumes no liability for damage to underground pipes, septic tanks, cesspools or other underground structures; and any extra expense caused by the Sublet by the existence or location thereof shall be charged to buyer.
7. Owner agrees to pay attorney's and court costs in event suit is instituted to collect amounts due Sublet.
8. If work is performed according to owner's specifications of labor and materials, Sublet does not assume responsibility for the defects.
9. If work is to be performed by Sublet to provide labor and material in a workmanlike manner to accomplish the owner's purposes, Sublet agrees to repair or replace any defects of which owner gives notice to Sublet within 5 days after completion of work.
10. Delays or damage caused by building trades other than Sublet not employed by Sublet, shall be owner's responsibility.
11. Sublet shall be responsible for clean-up and removal of Sublet work and materials only.
12. If asphalt compaction tests are required by customer or agency, these must be performed while asphalt is being laid. Tests performed at a later date are not an acceptable method, and we assume no responsibility for those results.
13. Sublet is not responsible for proper drainage.
14. Grades are to be furnished plus and minus one tenth (.10) of a foot with dirt to balance.
15. Jobsite must be accessible to heavy equipment.
16. Workers compensation will be covered by the Owner for the Sublet employees for this project only.

"A Cold Milling Co"

UDBE CERTIFIED # 40561

17. Owner agrees to pay sublet, in full, based on the net terms under Inclusions on page 1. If an invoice is not paid within the term, a 3% fee will be assessed to the total, compound monthly. After 30 days, a 5% fee will be assessed to the total, compounded monthly. Signing this contract is the Owners recognition and approval to pay all invoices, in full, within the term.

18. LMS & LMN or Sublet has not notified any underground alert service. All work performed by Sublet for Owner is done with the express understanding that Owner has complied with and accepts all responsibilities and liabilities in and for the requirements of the regional notification center law pursuant to Article 2 (commencing with Section 4216) of Chapter 3.1 of Division 5 of Title 1 of the Government code.

19. ADDITIONAL SHIFTS TO BE CHARGED AT OUR STANDARD RATES ON PAGE 2. The number of shift approved for this quote will be identified under "Inclusions".

NOTICE IS HEREBY GIVEN THAT WORK AND MATERIAL FURNISHED BY Sublet MAY SUBJECT THE PROPERTY ON WHICH SAID WORK IS PERFORMED TO THE LIEN LAWS OF THE STATE OF CALIFORNIA PURSUANT TO SECTION 1193 OF THE CODE OF CIVIL

PROCEDURE OF SAID STATE. CUSTOMER ACKNOWLEDGES THAT HE HAS RECEIVED A LEGIBLE COPY OF THIS PAGE PROPOSAL.

We hereby confirm our acceptance to the terms within this agreement.

 DES-OE-0102.11A (NEW 06/2012)

1. List items of work the bidder made available to DBE firms. Identify those items of work the Bidder might otherwise perform with its own forces and those items that have been broken down into economically feasible units to facilitate DBE participation. For each item listed, show the dollar value and percentage of the total contract. The Bidder must demonstrate that sufficient work to meet the goal was made available to DBE firms.

STATE OF CALIFORNIA – DEPARTMENT OF TRANSPORTATION
GOOD FAITH EFFORTS DOCUMENTATION - DBE
 DES-OE-0102.11A (NEW 06/2012)

4. List the names and dates of each publication in which a request for DBE participation for this project was placed by the bidder. Attach copies of published advertisements or proof of publication:

Publications	Dates of Advertisement - 2013
--------------	-------------------------------

PLEASE SEE ALL PROOFS OF PUBLICATION UNDER TAB 5

Daily Construction Service - Reed Construction Data	
Small Business Exchange	1/29 – 2/11
SBE TOOAY	2/3/ 2/10, 2/13, and 2/24
SBEINC.COM	1/30, 2/6, 2/13, 2/20
GreenSheet	
Caltrans Office Engineer	2/13/14

5. List the names of agencies and the dates on which they were contacted to provide assistance in contacting, recruiting and using DBE firms. If the agencies were contacted in writing, provide copies of supporting documents.

Name of Agency	Date of Contact	Method of Contact	Results
----------------	-----------------	-------------------	---------

PLEASE SEE COMPLETE AGENCY ASSISTANCE LISTING UNDER TAB 6

6. List efforts made to provide interested DBEs with adequate information about the plans, specifications, and requirements of the contract to assist them in responding to a solicitation. Identify the DBE assisted, the information provided, and the date of contact. Provide copies of supporting documents.

Information regarding access to the plans and specifications was provided in our solicitations. Plans were made available for viewing and copying at our Riverside office from 7:30AM – 5:00 PM daily. We also stated that the plans were available on the Caltrans website and provided the link. Skanska had no specific requests for assistance in regards to the plans or specifications.

7. List efforts made to assist interested DBEs in obtaining bonding, lines of credit, insurance, necessary equipment, supplies, materials, or related assistance or services, excluding supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate. Identify the DBE assisted, the assistance offered, and the date. Provide copies of supporting documents.

Skanska's Estimating, Risk Management and DBE Compliance team staff is available during regular business hours to provide requested assistance on bonding, credit and/or insurance questions upon request. Technical assistance is also available upon request. Ouring this outreach and bid process we were not solicited for assistance.

8. Include additional data to support a demonstration of good faith efforts.

Skanska is an industry leader in regards to efforts put forth for Small Business participation. We have a full DBE Compliance staff that not only assists with each pursuit, but is part of the project team to provide continuous monitoring and assistance. For all pursuits Skanska utilizes SBE, a OBE certified company to assist us in our initial outreach and project advertising. Skanska also maintains relationships with Small Business firms by offering quarterly training sessions call "Small Business Academies." These courses are training sessions that we use to educate small businesses on proven bidding, marketing, teaming and growth strategies. Skanska also hosts Community Advisory Team meetings on a quarterly basis in strategic national markets to bring together community leaders and our OBE and executive staff to discuss community growth opportunities and solutions to problems that local small businesses have faced/are currently facing.

NOTE: USE ADDITIONAL SHEETS OF PAPER IF NECESSARY.

*** END OF REPORT ***

SKANSKA

Sub-Bids Requested From Qualified DBE Subcontractors & Suppliers

Cold Plane and Hma Overlay, Yucca Valley

Caltrans Contract No.: 08-0F6604

District 08 on Route 247

DBE Goal: 9%

Bid Date: FEBRUARY 27, 2014 – 2:00PM

Skanska is interested in soliciting in Good Faith all subcontractors as well as certified DBE companies for this project. All interested subcontractors, please indicate all lower tier DBE participation offered on your quotation as it will be evaluated with your price. Please call if we can assist you in obtaining bonding, lines of credit, insurance, necessary equipment, materials and/or supplies. Skanska will also review breaking out scope packages and adjusting schedules to help permit maximum participation.

Plans and Specifications are available for view at our main office in Riverside or on the Caltrans website: http://www.dot.ca.gov/hq/esc/oe/weekly_ads/index.php

Quotes requested for contractors, suppliers and service providers include, but are not limited to: Construction Site Management, Storm Water Pollution Plan, Street Sweeping, Construction Area Signs, Traffic Control System, Temporary Pavement Marking, Temporary Traffic Stripe, Portable Changeable Message Signs, Metal Beam Guard Railing, Cold Plane Asphalt Concrete Pavement, Fiber Rolls, Hot Mix Asphalt, Place Hot Mix Asphalt Dike, Tack Coat, Terminal System, Thermoplastic Pavement Marking, Thermoplastic Traffic Strip, Paint Traffic Stripe, Pavement Marker, Asphalt Rubber Binder, Minor Concrete (Minor Structure), Biologist, Inertial Profiler, Shoulder, Temporary Tortoise, Rock Slope Protection, Transplant Trees, Rumble Strip (Ground-in), Jointed Plane Concrete Pavement (RSC), Modify Signal, Hydroseed.

Subcontracting Requirements: Skanska's insurance requirements are Commercial General Liability (GL): \$1M ea. occ., \$1M personal injury, \$2M products & completed operations agg. and general agg.; \$1M Auto Liability; \$5M Excess/Umbrella and \$1M Workers Comp. Endorsements and waivers required are the Additional Insured End., Primary Wording End., and a Waiver of Subrogation (GL & WC). Other insurance requirements may be necessary per scope. Subcontractors may be required to furnish performance and payment bonds in the full amount of their subcontract by an admitted surety and subject to approval by Skanska. Skanska will pay bond premium up to 1%. Quotations must be valid for the same duration as specified by the Owner for contract award. Conditions or exceptions in Subcontractor's quote are expressly rejected unless accepted in writing. Skanska is signatory to the Operating Engineers, Laborers, Cement Masons, Carpenters Unions and Teamsters. Subcontractors must provide weekly, one original and one copy of all certified payrolls, including non-performance and fringe benefit statements if required by law or by the Prime Contract. Subcontractor scope (including any conditions or exceptions) is required 24 hours prior to bid deadline to allow proper evaluation.

* * * E N D O F R E P O R T * * *

Fax Status Legend

KeyesFax

Status

The Status field lets you know what is happening or what has happened to each fax. There are a lot of different status messages that the system uses, this is what they mean:

IMGCONV JQ

The fax is waiting on the IMGCONV job queue to be converted.

Converting

The fax is being converted from text form to a Fax image.

FAXCOM JQ

The fax has been converted, now it is waiting to be faxed.

Cnsolidatd

The fax has been consolidated with another to the same recipient.

Scheduled

The fax is scheduled to be sent at the time shown on the far right.

Held or *HOLD

The fax has been put on HOLD using option 3. You can restart the fax using option 9.

use Opt 1

The fax has a phone number of *FAX, *PBX, or *LIST with multiple recipients. You can see the details using option 1.

Active, Running, Dialing, Connecting

The fax is in the process of trying to connect with a fax machine.

Sending

The fax page listed on the right is currently being transmitted.

Sent

The fax has been sent. The last page sent is shown under the Page field.

Sent?

The fax was sent, but without a confirmation from the fax machine.

Will Retry

The fax failed, but is scheduled to retry at the time shown on the right.

The reason for the failure can be seen by choosing option 1 (Details).

Resubmitted

The fax had to be started over, choose option 1 (Details) to see why.

No Cnctn

The fax system could not connect to the remote fax machine.

Lost Cnctn

The fax was transmitting, but the connection was lost.

Busy

The phone number called was busy.

No Answer

The phone number called rang, but no one answered.

NoDialTone

The modem picked up the phone but there was no dial tone. See the detailed description of this error later in these help screens.

Fax Status Legend

KeyesFax

No Carrier

Someone answered the phone call but it was not a fax machine.

Cancelled

The fax was cancelled using the Work with Fax Lines option 7.

Bad File, Missing, No Pages, Bad Cover

These messages mean that something was wrong with the original fax image or its coversheet. You will have to recreate the fax.

Bad LibL, No ICF File, BadLicense

These indicate that the system has not been installed correctly or the library has been damaged.

Com failed, Failed, Bad Modem

These indicate that something is wrong with the communication to the fax modem. Check to see that it is turned on and properly connected.

Separating

The program is separating a multi-page spooled file by phone numbers.

E-mailed

The fax was converted to an e-mail attachment and was e-mailed.

Eml Failed

The fax was converted to an e-mail attachment but failed to be mailed. You must use the Work with KeyesMail screen to determine the cause.

When a failure occurs, you will get a message sent to you that further describes what had happened. A copy of the message is also sent to the FAXCOM message queue and is described below:

Excessive line errors

This is caused when the remote fax machine reports that the phone line has caused too many errors on the fax scan lines. When this happens, the system will automatically send the page again. If the remote fax machine again reports too many line errors, this message is reported to you. In most cases, the recipient will be able to make out the entire fax from the 2 copies that they receive.

Did not connect

This means that the system contacted a fax machine but could not get a connection with it.

Line is busy

This means that the phone line did not ring at the destination. It got a busy signal.

Lost connection

This means that a fax machine was connected and the first page was transmitted, but the system lost the connection. It did not get a response from the remote fax machine saying that it had received the page. It must be assumed that the page was not received.

Fax Status Legend

KeyesFax

No connection or Did not connect

This means that the first page was not even attempted. A fax machine did answer the phone but the 2 systems could not establish a connection

Phone Rang, Ringing

While the fax was getting ready to be sent, the phone rang.

May not be Class 1 Fax modem

This is caused when the fax system asks the modem what class it is and the modem does not respond correctly. The system issues this message, then Varies OFF the Fax line and Varies it back ON. This usually resets the modem so that it again works properly. If the modem was not a Class 1 modem or if it were malfunctioning, you would get this message 6 times then the system will shut the fax line down.

Modem not responding

This is similar to the above explanation.

No Confirmation, Not Cnfrmd

At the end of each page a fax machine is supposed to confirm that it has received the page. Sometimes this confirmation is lost, due to an incompatibility with the modem that you are using. In this case, we do not resend the same page. To do so would usually result in the same page being sent, repeatedly.

, will retry

When this is added to a message it means that the job has been scheduled to try again in a few minutes.

, Job canceled

When this is added to a message it means that the system cannot complete the fax and it is going to stop trying, usually because it has exhausted all of the retries.

, Resubmitting

When this is added to a message it means that the system is automaticall resubmitting the job to try to correct the problem.

SKANSKA

Sub-Bids Requested From Qualified DBE Subcontractors & Suppliers

Cold Plane and Hma Overlay, Yucca Valley

Caltrans Contract No.: 08-0F6604

District 08 on Route 247

DBE Goal: 9%

Bid Date: February 20, 2014 - 2:00PM

Skanska is interested in soliciting in Good Faith all subcontractors as well as certified DBE companies for this project. All interested subcontractors, please indicate all lower tier DBE participation offered on your quotation as it will be evaluated with your price. Please call if we can assist you in obtaining bonding, lines of credit, insurance, necessary equipment, materials and/or supplies. Skanska will also review breaking out scope packages and adjusting schedules to help permit maximum participation.

Plans and Specifications are available for view at our main office in Riverside or on the Caltrans website: http://www.dot.ca.gov/hq/esc/oc/weekly_ads/index.php

Quotes requested for contractors, suppliers and service providers include, but are not limited to: Construction Site Management, Storm Water Pollution Plan, Street Sweeping, Construction Area Signs, Traffic Control System, Temporary Pavement Marking, Temporary Traffic Stripe, Portable Changeable Message Signs, Metal Beam Guard Railing, Cold Plane Asphalt Concrete Pavement, Fiber Rolls, Hot Mix Asphalt, Place Hot Mix Asphalt Dike, Tack Coat, Terminal System, Thermoplastic Pavement Marking, Thermoplastic Traffic Strip, Paint Traffic Stripe, Pavement Marker, Asphalt Rubber Binder, Minor Concrete (Minor Structure), Biologist, Inertial Profiler, Shoulder, Temporary Tortoise, Rock Slope Protection, Transplant Trees, Rumble Strip (Ground-in), Jointed Plane Concrete Pavement (RSC), Modify Signal, Hydroseed.

Subcontracting Requirements: Skanska's insurance requirements are Commercial General Liability (GL): \$1M ea. occ., \$1M personal injury, \$2M products & completed operations agg. and general agg.; \$1M Auto Liability; \$5M Excess/Umbrella and \$1M Workers Comp. Endorsements and waivers required are the Additional Insured End., Primary Wording End., and a Waiver of Subrogation (GL & WC). Other insurance requirements may be necessary per scope. Subcontractors may be required to furnish performance and payment bonds in the full amount of their subcontract by an admitted surety and subject to approval by Skanska. Skanska will pay bond premium up to 1%. Quotations must be valid for the same duration as specified by the Owner for contract award. Conditions or exceptions in Subcontractor's quote are expressly rejected unless accepted in writing. Skanska is signatory to the Operating Engineers, Laborers, Cement Masons, Carpenters Unions and Teamsters. Subcontractors must provide weekly, one original and one copy of all certified payrolls, including non-performance and fringe benefit statements if required by law or by the Prime Contract. Subcontractor scope (including any conditions or exceptions) is required 24 hours prior to bid deadline to allow proper evaluation.

Skanska will also review breaking out scope packages and adjusting schedules to help permit maximum participation.

Plans and Specifications are available for view at our main office in Riverside or on the Caltrans website: http://www.dot.ca.gov/hq/csc/oc/weekly_ads/index.php

Quotes requested for contractors, suppliers and service providers include, but are not limited to: Construction Site Management, Storm Water Pollution Plan, Street Sweeping, Construction Area Signs, Traffic Control System, Temporary Pavement Marking, Temporary Traffic Stripe, Portable Changeable Message Signs, Metal Beam Guard Railing, Cold Plane Asphalt Concrete Pavement, Fiber Rolls, Hot Mix Asphalt, Place Hot Mix Asphalt Dike, Tack Coat, Terminal System, Thermoplastic Pavement Marking, Thermoplastic Traffic Strip, Paint Traffic Stripe, Pavement Marker, Asphalt Rubber Binder, Minor Concrete (Minor Structure), Biologist, Inertial Profiler, Shoulder, Temporary Tortoise, Rock Slope Protection, Transplant Trees, Rumble Strip (Ground-in), Jointed Plane Concrete Pavement (RSC), Modify Signal, Hydroseed.

Subcontracting Requirements: Skanska's insurance requirements are Commercial General Liability (GL): \$1M ea. occ., \$1M personal injury, \$2M products & completed operations agg. and general agg.; \$1M Auto Liability; \$5M Excess/Umbrella and \$1M Workers Comp. Endorsements and waivers required are the Additional Insured End., Primary Wording End., and a Waiver of Subrogation (GL & WC). Other insurance requirements may be necessary per scope. Subcontractors may be required to furnish performance and payment bonds in the full amount of their subcontract by an admitted surety and subject to approval by Skanska. Skanska will pay bond premium up to 1%. Quotations must be valid for the same duration as specified by the Owner for contract award. Conditions or exceptions in Subcontractor's quote are expressly rejected unless accepted in writing. Skanska is signatory to the Operating Engineers, Laborers, Cement Masons, Carpenters Unions and Teamsters. Subcontractors must provide weekly, one original and one copy of all certified payrolls, including non-performance and fringe benefit statements if required by law or by the Prime Contract. Subcontractor scope (including any conditions or exceptions) is required 24 hours prior to bid deadline to allow proper evaluation.

Skanska is an Equal Opportunity Employer

RE: Cold Plane and Hma Overlay, Yucca Valley
Contract No.: 08-OF6604

Bid Date: February 27, 2014

I'm calling on behalf of **Skanska**.

They're bidding on the Cold Plane and Hma Overlay in Yucca Valley, and are very much interested in subcontracting portions of the work.

QUESTION

- | | |
|-----|---|
| #1. | We faxed you an Invitation. Did you receive it? |
| #2 | Are you interested in participating? |
| #3 | In what portion of the work? |
| #4 | Can Skanska assist you in any way? |

Skanska Estimating Dept

QUOTE #: MW22714840
Includes Addendums 1, 2, 3 & 4

CalTrans 08-0F6604
Yuuca Valley, Ca

ITEM	Description	Unit	Est. Quantity	Unit Price	Item Total
10	Temporary Soil Binder	SQYD	194,000	\$0.1620	\$31,428.00
35	Hydroseed	SF	1,660,000	\$0.0727	\$120,682.00

CalTrans Certified SWBE, SDBE CT-08771, Union local 1184, C27-582303

TERMS AND CONDITIONS:

Estimate is based on prevailing wage, includes tax and one uninterrupted move-on. Each additional unscheduled move-on will be charged \$700.00. All material is guaranteed to be as specified above and all work performed will be in a workmanlike manner. Client is to provide legal access to on-site water through a 2 1/2" metered hydrant or equal connection. Arrival upon a site with no water source is subject to a move-on charge and rescheduling. This proposal is based upon full access of the job site with trucks and equipment being able to reach all areas with a maximum of 300 ft of hose.

EXCLUSIONS:

Night Work • Traffic Control • Grading • Debris Removal • Soil/Site Preparation • Weeding/Weed Infestation • Reseeding • Watering
HYDROSPROUT, INC. will not be responsible for poor or failed irrigation, acts of nature and maintenance of Hydroseeding and therefore cannot guarantee germination or growth. Items not specified in this bid are neither implied or included and does not include an addendum unless otherwise stated.

INSURANCE:

Payment/Performance bond not included unless secured by an additional cost @ 2.5%. Insurance requirement exceeding \$1 Million for Liability and WC is not included. Hydroseeding only, "completed operations" excluded. Reductions or additions of 25% of estimated quantity subject to unit price change. Stand-by and delay time charged at T&M rates. In the event of litigation relating to the subject matter of this agreement, the non-prevailing party shall reimburse the prevailing party for all reasonable attorney fees and costs resulting therefrom. HYDROSPROUT, INC. will accept a signed and dated sub-contract or purchase order provided that all of the terms and conditions as outlined herein are included. Based upon acceptance of this proposal HYDROSPROUT, INC. will purchase materials specifically for this project, as such the costs for any materials will be billed (including any taxes, mark-up or handling charge) whether or not the project is installed or rescheduled. All retention is due 30 days after acceptance of HYDROSPROUT'S portion of work by owner/agency. This bid is void if not accepted within 90 days.

Thank you,
Mark Webster

Bid Date: 2/27/2014

We propose to furnish you with labor and material per your representation of job requirements as follows:
08-0F6604 - COLD PLANE, YUCCA VALLEY

Item No.	Description	Quantity	U/M	UnitPrice	Total Price
Skanska Mill Items					
28A	Mill AC 0.10'	92,000	SY	0.465	42,780.00
28B	Mill AC 0.35'	16,069	SY	1.020	16,390.38

*0.5470/SY
U/M \$55/S-*

Total Proposal Price:

\$59,170.38

Special Conditions

- 1 Production is based on 6 nights for the 0.10' mainline milling and 4 short days for the 0.35' milling. We will provide 2 planers for the 0.10' grind and 1 planer for the 4 shifts of 0.35' grind..
- 2 Note the production shown is based on Skanska USA quantities.
- 3 Includes: Cut, initial loading into Skanska provided trucks, 2 moves on/off the project.
- 4 Excludes: Traffic control, hauling, sweeping, water/water truck, mini-planer, hand work, secondary loading, removal of pcc, survey/project layout, ac replacement, maintenance and protection of the project.
- 5 To meet your production on the 0.10' grind PRS will provide a ground man with the milling operation.

General Conditions

ACCEPTANCE of this bid/proposal/quotation (Bid) from PAVEMENT RECYCLING SYSTEMS, INC. (PRS) requires that the PRICING, SPECIAL CONDITIONS and the GENERAL CONDITIONS of this Bid be included in any subcontract or purchase order agreement (Contract) and the Bid terms and conditions take precedence over any conflicting terms.

PRS will not surrender any portion of extra work or force account mark-ups except those reserved by the owner for the General Contractor. California prompt pay statutes shall be enforced.

Unless otherwise defined in the SPECIAL CONDITIONS of this Bid PRS excludes from the services quoted here all: MAINTENANCE AND PROTECTION OF THE MILLED SURFACE, TRAFFIC CONTROL, SURVEYING, LAYOUT, SAWCUTTING AND TEMPORARY TAPERS. Upon completion of each segment of the designated work by PRS the work shall be deemed accepted and approved and Customer shall assume maintenance and protection of the work. PRS excludes notification to any underground alert service, marking or location of underground utilities. By accepting this Bid the Customer accepts sole responsibility for, and all subsequent liabilities coincident with following the requirements of the California regional notification center law pursuant to Article 2 (commencing with Section 4216) of Chapter 3.1 of Division 5 of Title 1 of the Government Code.

Any indemnity and defense obligation required from PRS shall be proportional and limited to the extent PRS's acts, omissions, fault or negligence contribute to any alleged or actual claims or damages. Insurance included in this Bid: Commercial Liability \$1MM per occurrence / \$2MM aggregate; \$2MM Products and Completed Operations Aggregate; \$1MM Personal and Advertising Injury; \$1MM Commercial Auto; Worker's Compensation coverage per statute.

49	Shoulder Rumble Strip (PCC)	14	STA	136.000	1,932.00
Schedule 2					
OP1	Add:Clean & Fog Seal Rumble	1,091	STA	14.630	15,961.33

Total Proposal Price: \$31,003.83

Rumble Strip Special Conditions

- 1 Grind Rumble strip and leave the milled material in place, with one move on and off the project. Additional mobilizations (Maximum of 2) to be billed at \$650.00 each .
- 2 Excludes: Traffic control, water/water truck (800 gallons per day), loading and hauling of milled material, sweeping, line or stripe for rumble strip placement, areas inaccessible to the machine, fog seal, and maintenance of the project.
- 3 Production at 3 shifts.
- 4 Additive OP1 is for PRS to clean and sweep behind the rumble strip operation, and haul the milled material off site. We will furnish and apply the fog seal coat to the HMA rumble strip only.

General Conditions

ACCEPTANCE of this bid/proposal/quotation (Bid) from PAVEMENT RECYCLING SYSTEMS, INC. (PRS) requires that the PRICING, SPECIAL CONDITIONS and the GENERAL CONDITIONS of this Bid be included in any subcontract or purchase order agreement (Contract) and the Bid terms and conditions take precedence over any conflicting terms.

PRS will not surrender any portion of extra work or force account mark-ups except those reserved by the owner for the General Contractor. California prompt pay statutes shall be enforced.

Unless otherwise defined in the SPECIAL CONDITIONS of this Bid PRS excludes from the services quoted here all: MAINTENANCE AND PROTECTION OF THE MILLED SURFACE, TRAFFIC CONTROL, SURVEYING, LAYOUT, SAWCUTTING AND TEMPORARY TAPERS. Upon completion of each segment of the designated work by PRS the work shall be deemed accepted and approved and Customer shall assume maintenance and protection of the work. PRS excludes notification to any underground alert service, marking or location of underground utilities. By accepting this Bid the Customer accepts sole responsibility for, and all subsequent liabilities coincident with following the requirements of the California regional notification center law pursuant to Article 2 (commencing with Section 4216) of Chapter 3.1 of Division 5 of Title 1 of the Government Code.

Any indemnity and defense obligation required from PRS shall be proportional and limited to the extent PRS's acts, omissions, fault or negligence contribute to any alleged or actual claims or damages. Insurance included in this Bid: Commercial Liability \$1MM per occurrence / \$2MM aggregate; \$2MM Products and Completed Operations Aggregate; \$1MM Personal and Advertising Injury; \$1MM Commercial Auto; Worker's Compensation coverage per statute.

			RENTAL OF ANY LARGE MILL (8 HR MIN)	EA	\$4,200.00

GRINDING TERMS AND CONDITIONS

PRICES ARE SUBJECT TO VARY UPON CHANGE OF SCOPE IN WORK.

- All areas to be grinded will be clearly marked, in paint, on pavement, identifying starts, stops and perimeter by quoted contractor before grinding operations start.
- Quoted Contractor to provide water for milling operations.
- All operations exclude petromat unless otherwise stated on this proposal.
- Quoted Contractor agrees to notify all utility contractors or companies in which involve underground utilities and take all responsibility for damaged utilities and/or injuries caused by grinder.
- Areas in and around corners, overhangs, parking bays, valves, manholes and unreachable area s for the milling machine or mini grinder become Quoted contractors responsibility.
- Quoted Contractor is responsible for all damages to machine for any items buried in ground or not marked out and will be billed at union shop rates, material costs and down time.

7. Quoted Contractor is responsible for any and all posting/s required; ie, "no parking" signs in milling areas.
 8. Quoted Contractor responsible for traffic control and any delays in traffic control will be charged at an hourly stand by charge for all equipment including grinders, stabilizers, operators, sweepers and all trucking.
 9. Quoted Contractor to provide a safe work environment for all operators on milling operation including signage, barricades, flag men, cones or any other devices that may help in the safety operation.
 10. Once subcontractor(Cindy Trump Inc./ CTI) demobilizes and has left the project there of , it shall no longer be responsible for any obligation of defense and indemnification for any and all claims arising in the area of work performed in the milling operation area.
 11. Grade must be firm and stable. Quoted Contractor to assume all liability and /or costs of unstable and yielding grade.
 12. All areas of grinding operation must be clear of any obstructions including but not limited to trees, cars, trashcans, poles, parking bumpers, rebar's, etc.
 13. Quoted Contractor to provide temporary asphalt taper at pavements edge due to safety concerns.
 14. Quoted Contractor responsible for permits, notifications and plans before milling operations.
 15. No back charges will be accepted of any kind.
 16. Subcontractor (CTI) takes no responsibility for dust control in and beyond areas of milling operation.
 17. Quoted Contractor to provide covers over all inlets, outlets, vaults, storm drains, sewers, manholes, etc. to prevent storm water pollution in accordance to SWPPP, WPCP, and/or/any requirements of contract/project regarding/requiring water pollution control of any kind.
 18. The provisions of this quote prevail over any subcontract or purchase orders stipulations unless otherwise agreed to in writing on this proposal.
 19. Unless other wise agreed in writing prior to start of work, payment is due and payable within 30 days of subcontractors billing and no retention to be withheld on payments unless other wise stated on this proposal.
 20. Price good for 90 days.
 21. This quote includes one complete set of teeth per shift.
Any additional teeth will be charged per box per market price.
 22. CTI rate for union operator group 8 is a billable rate of \$102.00 per hour straight time rate , \$135.00 per hour overtime and \$170.00 for double time, this quote comes w/ one operator only per machine.
 23. Items that are not specifically includes are considered to be excluded

A d a n t a

Caltrans Contract No. 08-0F6604
February 27, 2014

4. All change orders must be approved by agency/owner prior to work being performed by Adanta.
5. Excludes any insurance requirements in excess of Caltrans Standard Specifications.

ASSUMPTIONS

1. Prime contractor provides on-site WPC Manager. Alternatively, a WPC Manager can be provided one day a week for \$1,600.00 per week.
2. No other plans, reports or permits are included.
3. The WPCP and the Lead Compliance Plans are **guaranteed** acceptance for the quoted bids.
4. Field monitoring will be required for the Lead Compliance Plans (paint/markers and grinding/cold planing). A CIH can be provided for the monitoring for \$2,800 per day including all labor, travel, per diem, materials, supplies, and lab costs. **Assume ONE (1) day EACH** for the lead monitoring plans; or a total of **\$5,600.00** for the on-site monitoring.
5. A **Public Safety Plan (PSP)** can be prepared by our CIH for **\$1,300.00**. The PSP is also **guaranteed** acceptance for the quoted bid.
6. Contractor to provide completed questionnaire (supplied by Adanta upon notice of award) prior to start of work.
7. Print-ready draft and final copies of plans and reports will be provided so hard copies can be produced; no hard copies will be provided by Adanta.

Adanta is a certified DBE contractor (No. 37357) with a number of associates that have supported Caltrans projects for many years. We have the necessary certified personnel to support your efforts on this project and we look forward to providing you our highest level of project support. Please don't hesitate to contact me directly at (707) 317-0002 or at tim.anenson@adanta-inc.com if we can provide anything further.

My Very Best Regards,
ADANTA

SP

Special Conditions:

- Excavation areas shall be over-excavated to accommodate form installation, backfill of these areas by others.
- RES will not perform extra work at force account until a CCO for said extra work is fully executed or another method for paying for extra work is established so that extra work will be paid on the next progress estimate following the start of the extra work.

- work not paid at a quoted item rate will be charged to the prime at a rate no less than the Caltrans extra work rate for subcontractors with standard markups, without regard to the payment or reimbursement to prime from owner. No amounts shall be withheld from our extra work payments. Only the prime's markup on RES, should the owner pay the markup, may be withheld.
5. Release of retention within thirty (30) days of the completion of our work without regard to other ongoing work on the project.
 6. Release of progress and final payments within five (5) calendar days of warrant date or EFT date whichever is sooner.
 7. Price based on mutually agreed upon schedule, in writing, with 60 days written notice for all move-ins.
 8. Prices subject to change if not accepted in writing within thirty (30) days.
 9. Attendance of any prime contractor safety meeting shall be at force account plus standard subcontractor markups.
 10. RES will require prime contractor to coordinate construction activities at each location.
 11. Our insurance for this project will not include coverage beyond the standard limits carried by RES, or any insurance coverage in favor of others, or an excess umbrella liability policy.
 12. RES shall receive copy of all CPM's and schedules and their revisions with time to comment and dispute prior to submittal to owner failure to comply shall relieve RES of any obligations related to the contents of the schedule or impacts to the schedule and any related penalties. In the event that durations or information is forwarded to Caltrans without the consent of RES and the unapproved information becomes part of a claim or contract change order any monetary consequences will become the Contractor's responsibility. Referring RES to review the project schedule at the contractor's office is not acceptable.
 13. This quotation shall be made an integral part of our subcontract agreement as a scanned copy of this exact document, in its entirety, and as such shall supersede any conflicting language in the subcontract agreement. Rewording or paraphrasing of our terms for inclusion in subcontract is unacceptable.
 14. RES rejects all of the terms in every prime contractor advertisement and solicitation, and encourages primes to assist with DBE participation.
 15. Prices bid as a package, please call before splitting.
 16. Traffic control and k-rail movement to be provided as deemed necessary by RES at no cost to RES.
 17. Jobsite water at work areas and sanitary facilities with wash stations to be provided by others at no cost to RES.
 18. RES will require any temporary k-rail movement and specific location of k-rail openings to be coordinated with its operations and will be staging paving equipment and related equipment at worksite unless other arrangements satisfactory to RES are made in advance at no cost to RES.
 19. Prime to provide and maintain all weather track grade, clear of obstacles.
 20. Prime to provide clear and safe concrete mixer or truck or concrete pump access to the work
 1. All barrier paving to be done by machine, from the high side of the barrier, machine to run on final lift of pavement
 22. RES will not be responsible for ISR/JPCP/CRCP/PCCP/PRECAST pavement thickness deficiencies resulting from sub-grade / sub-base placed to incorrect elevations by others.
 23. Prime Contractor to provide grinding slurry dumpsite within 15 miles of the work site at no cost.
 24. Prime contractor to provide JPCP / LCB / CRCP survey staking for line and grade. Points to be 4 feet offset from edge of JPCP / LCB / CRCP with a fill to finish grade on projected plane of pavement. 50 feet spacing in tangents and 25 feet spacing in radius. Should survey not be provided exactly as stated above, RES reserves the right to have it provided by a third party and shall charge the prime contractor for these costs plus 5% markup for administrative fees.
 25. **Prices are based on working standard shifts without overtime, and working in an uninterrupted sequence 5 days a week.**
 26. Mobilizations are included as follows: 1 mob for JPCP work. Additional mobs will be \$11500 for JPCP work. No credit for fewer.
 27. Escalator of 10% per item beginning 1/1/15; and an additional 10% every 6 months thereafter until the completion of this project.

Sub-Bids Requested from qualified MBE/WBE/SBE/DVBE Subcontractors and Suppliers For:

PROJECT J-111 CENTRAL GENERATION
EMISSIONS CONTROL
OWNER: ORANGE COUNTY SANITATION
DISTRICT
LOCATION: FOUNTAIN VALLEY AND
HUNTINGTON BEACH, CA

BID DATE: FEBRUARY 11, 2014 AT 11:00 A.M.

J.F. SHEA CONSTRUCTION, INC.
 667 Brea Canyon Road, Suite 30, Walnut, CA 91788-0489
 Phone: (909) 595-4397, Fax: (909) 444-4268
 Contact: Lori Olivas, lori.olivas@jfshea.com

J.F. Shea Construction, Inc. is soliciting your participation in the preparation of this bid. We are particularly interested in bids from subcontractors/suppliers for the following work items:

Demolition, Compaction Grouting, Micropiles, AC Paving, Reinforcing Steel, Ready-Mix Concrete, Structural Steel, Miscellaneous Metals, Roofing, Sealants, Steel Doors/Frames/Hardware, Protective Coatings, Equipment, Pre-Engineered Canopy, HVAC, Electrical and Instrumentation.

Plans and specifications are available upon request: Email your request to lori.olivas@jfshea.com and you will be provided access to our SharePoint website. Plans may also be viewed at the Dodge Plan Rooms or at our Walnut Office.

J.F. Shea Construction, Inc. is an equal opportunity employer and intends to negotiate in good faith with interested MBE/WBE/SBE/DVBE firms and intends to utilize the lowest responsive bidder. J.F. Shea expects potential subcontractors to be bondable. J.F. Shea will pay for up to 1% for subcontractor bond costs. Subcontractors and Suppliers are expected to bid per plans and specifications, including requirements for warranties. Standard manufacturer's warranties, if not in conformance with owner's specifications, will not be accepted.

Minority-Owned Exporters

■ Continued from page 1

global marketplace, set new export goals, and coordinate federal activities to support these goals.

A prime example of this effort is a strategic partnership between my agency, the International Trade Administration (ITA), and the Minority Business Development Agency (MBDA). With a network of 40 MBDA Business Centers across the United States, MBDA has unique relationships and is well-positioned to support NEI 2.0. ITA's worldwide network of international trade professionals offers a depth of technical expertise in more than 100 U.S. cities and over 70 countries worldwide. Under this active partnership, both agencies will look to complement and build on each other's domestic and global relationships.

Together, the two agencies already counsel thousands of U.S. businesses each year, and through this partnership, businesses looking to identify new foreign markets or expand their exports will be better positioned to access the services of both agencies through cross referrals, enhanced sharing of information, and joint trade promotion efforts. For example, MBDA clients can gain exposure and greater

insight early on about the benefits of developing an international business plan and information on various federal programs for exporting, such as ITA's U.S. Commercial Service market research—valuable assets when it comes to long-term strategic planning. Many MBDA clients pursuing government contracts abroad might also be interested in learning more about U.S. Commercial Service Advocacy Center efforts, which last year helped facilitate billions of dollars in overseas opportunities for U.S. companies bidding on foreign government contracts. Likewise, U.S. Commercial Service minority business clients might benefit from MBDA's broad technical assistance, export financing options, and an array of specialized services available to minority-owned business concerns.

So whether your business is a startup or more established, I encourage you to visit www.export.gov to learn more about our programs and people.

Requesting SBE (including DBE, DVBE, LBE) Subcontractors and Suppliers for:

Transbay Transit Center Project
Trade Package T618.1
Bus Ramp Package
Location: San Francisco, CA
Bid Date: March 8, 2014

Walsh Construction is interested in soliciting in Good Faith all subcontractors as well as certified D/L/SBE companies for this project. All interested subcontractors, please indicate all lower tier D/L/SBE participation offered on your quotation as it will be evaluated with your price. Please call if we can assist you in obtaining bonding, lines of credit, insurance, necessary equipment, materials and/or supplies. Walsh Construction will also review breaking out scope packages and adjusting schedules to help permit maximum participation.

Seeking: AC Paving, Aggregates, Bridge Bearings, Bridge Demolition, Bridge Joint Seals, CIDH Piling, Concrete Barrier, Construction Area Signs, Demolition, Drainage, Electrical, Erosion Control, Fencing, Hazardous Material Disposal, Imported Borrow, Minor Concrete, Misc. AC, Miscellaneous Metal, MSE Walls, Prestressing, Ready Mix Concrete, Rebar, Roadside Signs, Sign Structures, Striping, Structural Steel Bridge, Traffic Control, Trucking, Underground Utilities, Metal Bridge Railing, Deck Drainage Systems, Cast in Place Retaining Walls, SWPPP.

Instructions for bidders: For information on plans and specs and/or receive an Invitation to Bid, please submit your information to transbay@walshgroup.com. Plans and Specs are also available in review at our office. Refer to page A1-2 - A1-5 of the IFB for the schedule of bid prices.

Subcontractors may be required to furnish performance and payment bonds in the full amount of their subcontract and subject to approval by Walsh Construction. Walsh Construction will pay bond premium up to 1.5%. Quotations must be valid for the same duration as specified by the Owner for contract award.

There is a PLA agreement for this job. It can be found at:

<http://transbaycenter.org/tjpa/dning-business-with-the-tjpa/project-labor-agreement>.

Walsh Construction is signatory to the Operating Engineers, Laborers, Cement Masons, Carpenters and Iron Workers. Subcontractor scope/prices (including any conditions or exceptions) is required 24 hours prior to bid deadline to allow proper evaluation.

On the ground photos of construction work on the Gold Line Foothill Extension

by Steve Hymon

The folks at Gold Line Foothill Extension Construction Authority hosted a media tour Thursday of the light rail project that will extend the Gold Line for 11.5 miles from eastern Pasadena to the Azusa/Glendora border with new stations in Arcadia, Monrovia, Duarte, Irwindale and Azusa and a sprawling light rail maintenance campus in Moorpark.

The project is halfway finished and Metro's latest forecast calls for an opening in early 2016 (the Construction Authority will turn the project over to Metro, which will operate it and determine the date of opening). Already station foundations are poured, the BNSF tracks east of Duarte have been moved to accommodate freight trains, rails for the Gold Line are either in the ground or being moved into place and bridges are complete or work is finishing up.

In other words, it's starting to look like a light rail line (check out the aerial photos of the project we posted last week and this article in the Pasadena Star News featuring the back of my

Sub-Bids Requested From Qualified

DBE Subcontractors & Suppliers

Cold Plane Overlay, Ludlew

Caltrans Contract No.: 08-0K2804

District 00 on Route 40

DBE Goal: 5%

Bid Date: February 13, 2014 - 2:00PM

Skanska is interested in soliciting in Good Faith all subcontractors as well as certified DBE companies for this project. All interested subcontractors, please indicate all lower tier DBE participation offered on your quotation as it will be evaluated with your price. Please call if we can assist you in obtaining bonding, lines of credit, insurance, necessary equipment, materials and/or supplies. Skanska will also review breaking out scope packages and adjusting schedules to help permit maximum participation.

Plans and Specifications are available for view at our main office in Riverside or on the Caltrans website: http://www.dot.ca.gov/hq/esc/oe/weekly_ads/index.php

Quotes requested for contractors, suppliers and service providers include, but are not limited to: Construction Site Management, Storm Water Pollution Plan, Street Sweeping, Construction Area Signs, Traffic Control System, Temporary Pavement Marking, Temporary Traffic Strip, Portable Changeable Message Signs, Metal Beam Guard Railing, Cold Plane Asphalt Concrete Pavement, Fiber Rolls, Hot Mix Asphalt, Place Hot Mix Asphalt Dike, Tack Coat, Terminal System, Thermoplastic Pavement Marking, Thermoplastic Traffic Strip, Paint Traffic Strip, Pavement Marker, Asphalt Rubber Binder, Minor Concrete (Minor Structure), Biologist, Inertial Profiler, Shoulder Rumble Strip.

Subcontracting Requirements: Skanska's insurance requirements are Commercial General Liability (GL): \$1M ea. occ., \$1M personal injury, \$2M products & completed operations agg. and general agg.; \$1M Auto Liability; \$5M Excess/Umbrella and \$1M Workers Comp. Endorsements and waivers required are the Additional Insured End., Primary Wording End., and a Waiver of Subrogation (GL & WC). Other insurance requirements may be necessary per scope. Subcontractors may be required to furnish performance and payment bonds in the full amount of their subcontract by an admitted surety and subject to approval by Skanska. Skanska will pay bond premium up to 1%. Quotations must be valid for the same duration as specified by the Owner for contract award. Conditions or exceptions in Subcontractor's quote are expressly rejected unless accepted in writing. Skanska is signatory to the Operating Engineers, Laborers, Cement Masons, Carpenters Unions and Teamsters. Subcontractors must provide weekly, one original and one copy of all certified payrolls, including non-performance and fringe benefit statements if required by law or by the Prime Contract. Subcontractor scope (including any conditions or exceptions) is required 24 hours prior to bid deadline to allow proper evaluation.

An Equal Opportunity Employer

Government Contracting and Certification

■ Continued from page 1

So, what does it mean to be certified as a "small business"?

Being certified as a "small business" is only significant if you're interested in government contracting. Why? Because there are certain set-asides that the government must adhere to when they're looking to buy goods or services – there's a percentage of business set aside for different kinds of companies, including small businesses. (Others include women-owned, veteran-owned, etc.) So if you want to be a contender in the federal marketplace, your small business has to meet official criteria to be eligible for government contracts.

How do I certify my business as small?

First, make sure you do, in fact, have a small business. For most industries, SBA defines a "small business" either in terms of the average number of employees over the past 12 months, or average annual receipts over the past three years.

Then, when you know you adhere to the size standards, you register for government contracting. This process also serves the purpose of "certifying" your business as small.

Where can I get some help?

Starting out in government contracting can be overwhelming, but SBA has resources to help:

- The Government Contracting Classroom: Online, self-paced training courses to fill you in on the government contracting landscape – from starting out to special programs
- Procurement Technical Assistance Centers: PTACs offer local, in-person counseling and training services to businesses that want to sell products and services to federal, state and/or local governments.

Selling to the Government – Get Started With These 5 Steps: A five-step plan that summarizes the process of entering the federal marketplace, plus links to additional resources.

AN EQUAL OPPORTUNITY EMPLOYER

CA LICENSE NO. 679326

Nominations Sought for 2014 National MED Week Awards

Continued from page 1

candidates to choose from. We look forward to the opportunity to highlight some of these outstanding business leaders."

Award categories include minority-owned firms and champions of minority business development, each with four specific awards. Nominations are also being solicited for the Abe Venable Legacy Award for Lifetime Achievement, which recognizes an individual who has played an integral role in the progress of minority business development over the course of his/her life, and the Ronald H. Brown Leadership Award, which recognizes individuals who have achieved significant results in expanding minority business enterprises and demonstrated exceptional leadership in the public or private sector.

MBDA encourages nominations from chambers of commerce, business and trade associations, prime contractors, federal, state and local government agencies, and individual business owners.

Nomination packets for this competition must be postmarked by March 28, 2014. The winners will be announced on May 30, 2014, and honored August 1, 2014, at an awards ceremony during the National MED Week Conference at the Washington Hilton in Washington, DC.

For more information on the categories, sub-categories and general submission instructions, please visit <http://medweek.mbdba.gov/>.

About the Minority Business Development Agency (MBDA)

MBDA, www.mbdba.gov, is the only Federal agency dedicated to the growth and global competitiveness of U.S. minority-owned businesses. Our programs and services better equip minority-owned firms to create jobs, build scale and capacity, increase revenues and expand regionally, nationally and internationally. Services are provided through a network of MBDA Business Centers.

SKANSKA

Sub-Bids Requested From Qualified DBE Subcontractors & Suppliers

Cold Plane and Hma Overlay, Yucca Valley

Caltrans Contract No.: 08-0F6604

District 08 on Route 247

DBE Goal: 9%

Bid Date: February 20, 2014 – 2:00PM

Skanska is interested in soliciting in Good Faith all subcontractors as well as certified DBE companies for this project. All interested subcontractors, please indicate all lower tier DBE participation offered on your quotation as it will be evaluated with your price. Please call if we can assist you in obtaining bonding, lines of credit, insurance, necessary equipment, materials and/or supplies. Skanska will also review breaking out scope packages and adjusting schedules to help permit maximum participation.

Plans and Specifications are available for view at our main office in Riverside or on the Caltrans website: http://www.dot.ca.gov/hq/esc/oe/weekly_ads/index.php

Quotes requested for contractors, suppliers and service providers include, but are not limited to: Construction Site Management, Storm Water Pollution Plan, Street Sweeping, Construction Area Signs, Traffic Control System, Temporary Pavement Marking, Temporary Traffic Stripe, Portable Changeable Message Signs, Metal Beam Guard Railing, Cold Plane Asphalt Concrete Pavement, Fiber Rolls, Hot Mix Asphalt, Place Hot Mix Asphalt Dike, Tack Coat, Terminal System, Thermoplastic Pavement Marking, Thermoplastic Traffic Strip, Paint Traffic Stripe, Pavement Marker, Asphalt Rubber Binder, Minor Concrete (Minor Structure), Biologist, Inertial Profiler, Shoulder, Temporary Tortoise, Rock Slope Protection, Transplant Trees, Rumble Strip (Ground-in), Jointed Plane Concrete Pavement (RSC), Modify Signal, Hydroseed.

Subcontracting Requirements: Skanska's insurance requirements are Commercial General Liability (GL): \$1M ea. occ., \$1M personal injury, \$2M products & completed operations agg. and general agg.; \$1M Auto Liability; \$5M Excess/Umbrella and \$1M Workers Comp. Endorsements and waivers required are the Additional Insured End., Primary Wording End., and a Waiver of Subrogation (GL & WC). Other insurance requirements may be necessary per scope. Subcontractors may be required to furnish performance and payment bonds in the full amount of their subcontract by an admitted surety and subject to approval by Skanska. Skanska will pay bond premium up to 1%. Quotations must be valid for the same duration as specified by the Owner for contract award. Conditions or exceptions in Subcontractor's quote are expressly rejected unless accepted in writing. Skanska is signatory to the Operating Engineers, Laborers, Cement Masons, Carpenters Unions and Teamsters. Subcontractors must provide weekly, one original and one copy of all certified payrolls, including non-performance and fringe benefit statements if required by law or by the Prime Contract. Subcontractor scope (including any conditions or exceptions) is required 24 hours prior to bid deadline to allow proper evaluation.

Skanska is an Equal Opportunity Employer
