Dear Mr. Korb:

The Department of Transportation (Caltrans) received the attached Disadvantaged Business Enterprise (DBE) Commitment form for Contract No. 08-0J9304 from Autobahn Construction, Inc. (Autobahn). Caltrans established a DBE goal of 8.0 percent for this project. Autobahn initially claimed a DBE commitment of 38.99 percent of the total bid amount.

Autobahn listed (for credit toward the DBE goal) Blanco Construction (Blanco) to provide Drill and Bond Dowel and Miscellaneous Metal (Bridge) in the amount of \$123,299. The Office of Business and Economic Opportunity, Contract Evaluation Branch (CEB), determined that Blanco does not provide these items as a normal part of its business function. Therefore, CEB reduced the amount that Autobahn could claim towards Blanco's participation from \$212,126 to \$88,827. The total dollar amount counted towards the DBE goal is \$88,827 or 16.3 percent of the total bid amount.

The Resident Engineer will receive a copy of this letter for Contract Administration Compliance.

If you have any questions, please contact Tim Bullivant, Contract Evaluation Manager, at (916) 324-1805.

Sincerely,
