Dear Customer,

Please refer to the following list of products we supply for the heavy civil construction market along with other job specific items at very competitive prices. We offer excellent customer service and years of experience in the construction materials industry, and we look forward to working with you.

Bearing Pads: Laminated, PTFE or Plain

Silicone Grease: for Bearing Pads

Conduit: Galvanized Rigid/PVC

Welded Steel Pipe: Coated, Lined or Plain

Casing Pipe

Ductile Iron Pipe

Bridge Deck Drainage Systems

Misc. Metals/Cable Restrainers

Soffit Access Covers/Grates/Barrier Rail

Expansion Joint Seals

Grated Line Drains

Waterproofing Materials

Drainage & Irrigation Materials

Site Furnishings

NPS Water Supply Line: 2"-6" system

Electrical Supplies

Precast Concrete Items: Pipe Supports-Benches-Signs-Tables-Bollards, etc.

Spherical Bearings

Contact Adhesive: Caltrans approved

Steel Beams/Steel Pipe Pile

Polyester Concrete/Methacrylate

Misc. Construction Materials

Dowels, Epoxy

Timber Lagging

HDPE Shims

Water Meters

Welded Wire Mesh, Post Tension Wire

Pipe Key-Shear Key

Anchor bolts, Headed Studs, Nails

Formliner

Reinforced Concrete Pipe and Manholes

Metal Beam Guard Rail

Chain Link Fence

"We'll get you the right material when you need it."

CLARIFICATIONS:

1. Contractor to provide monthly progress payments for all completed work in accordance with the bid pricing schedule. Monthly progress payments must be received in full by Super Seal & Stripe no later than 10 calendar days after the Contractor receives payment from Owner for our completed work. Delinquent payments will be subject to the highest interest rate allowed by law.
2. Retainage percentage on monthly progress payments to be no greater than the percentage retained by the Owner on its payment to the Contractor. If Owner reduces the retainage percentages on payments to the Contractor, the Contractor shall likewise reduce the retainage percentage on payment to Super Seal & Stripe. Full retention to be released no later than thirty, (30) days after completion of Super Seal & Stripe's work. Excessive or delinquent retainage will be subject to the highest interest rate allowed by law.
3. Any required Testing, Engineering, Design, Permits, Licenses or Applications, and the like, to be provided by others.
4. Prices are based on Plans & Specifications available at bid time, including all addenda. Any request for work (post bid) under conditions differing from those represented by the Prime Contract Documents, including but not limited to; altered phasing or staging, design changes, modified layout, resulting from plan errors or inaccurate designs, will require payment for additional work to be made to Super Seal & Stripe at an amount agreed upon prior to performing this work. If an amount cannot be agreed upon prior to performing the additional work the amount will be determined using Caltrans Force Account Rates or unit prices established in the bid pricing schedule, or a combination thereof; established in the bid pricing schedule, or a combination thereof; whichever method results in a higher overall payment.
5. Super Seal & Stripe is not responsible for delays caused by and or resulting from activities or non activities of others, including but not limited to, Owner, Contractor, Vendors, Suppliers, other subcontractors and other factors not in direct control of Super Seal & Stripe. For the delays caused by the aforementioned, Super Seal & Stripe will be reimbursed for all direct and indirect costs plus a mark up of forty percent, (40%) or as specified and allowed by the Prime Contract if the delays are caused by the Owner. Super Seal & Stripe will be granted an extension of time to perform its work tantamount to the delays.
6. Super Seal & Stripe requires (15) days notice prior to commencement of any production activity. If any of Super Seal & Stripe's work will be a controlling operation on the critical path of this project, Super Seal & Stripe must be notified in writing prior to execution of the Subcontract Agreement and provided with a CPM schedule which details this work. Failure to provide this information will waive the Contractor's right to recover liquidated damages from Super Seal & Stripe for this work.
7. All changes to the original scope of work proposed extra work must be directed by the Contractor in writing prior to Super Seal & Stripe performing this work.
8. For the purpose of this Subcontract Quotation one (1) move-in is considered to be: a period of consecutive eight (8) hour days of continuous work, not including weekends and holidays. Any discontinuities in this period, other than weekends and holidays, or for our own convenience, will be charged as an additional move-in at the Additional Move-in Charge as quoted herein.
9. Super Seal & Stripe must receive a letter of intent to award us the subcontract no later than (20) calendar days after bid date or this Subcontract Quotation becomes null and void.
10. Super Seal & Stripe is an Equal Opportunity and Affirmative Action employer, that adheres to laws & regulations of Executive order 11246 Sec. 503 as amended of Rehabilitation action 1973 as amended and 4211 (USC) Vietnam Veterans readjustment as amended.
11. If General Contractor or any of its sub-contractors work within Super Seal & Stripes traffic control, the expense will be shared accordinly at Super Seal & Stripe discretion. No advance posting, signing, or Portable CMS is included for Super Seal & Stripe Traffic Control.
12. Pre-Striping pavement preparation, including sweeping & curing compound removals, to be provided by others.
13. Any additional work in excess of the quantities price will be billed at the units. No discounts given for under-runs without prior approval of Super Seal & Stripe.
14. Upon acceptance of this proposal, all terms, conditions and exclusions on all pages of this proposal shall be incorporated into the contract as an addendum.

THIS PROPOSAL EXCLUDES BOND COSTS. CALL FOR BOND RATE.

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY)
4/13/2015

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

If you require assistance with access to plans/specs or contract requirements, please contact Ray Hughes, rhughes@shimmick.com, (949) 333-1500 x583.

CONTRACTOR REGISTRATION REQUIREMENTS: LABOR CODE SECTION 1771.1 (a)
A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

Any bid submitted will confirm the acceptance of the terms and conditions of SCCI's Standard Long Form Subcontract, available upon request. A Subcontractor providing a proposed bid/price will be viewed as accepting SCCI's Standard Long Form Subcontract. 100% Performance and Payment bonds with a surety company acceptable to of Shimmick Construction are required of subcontractors. Shimmick Construction will pay bond premium up to 1.0%. Subcontractors will be required to abide by terms and conditions of the AGC Master Labor Agreements and to execute an agreement utilizing the latest Shimmick Construction Standard Long Form Subcontract incorporating prime contract terms and conditions, including payment provisions-subcontract draft copy available upon request. Subcontractor must provide insurance coverage for their work as required by the Prime contract or Shimmick minimum - whichever is greatest. Shimmick's minimum insurance requirement is: General Liability \$1M-Per Occurrence/\$2M-Agg/\$2M-Completed Operations; Excess Liability \$5M; Auto Liability \$1M; Workers Comp & Employer Liability \$1M. Shimmick Construction's listing of a Subcontractor is not to be construed as an acceptance of all of the Subcontractor's conditions or exceptions included with the Subcontractor's price quote. Shimmick requires that Subcontractor and Supplier price quotes be provided at a reasonable time prior to the bid deadline to enable a complete evaluation. For assistance with bonding, insurance or lines of credit contact Scott Fairgrieve at (510) 777-5000.

REQUEST FOR CERTIFIED DBE SUBCONTRACTORS & SUPPLIERS:

SEISMIC RETROFIT & REHABILITATION OF GEORGIA STREET BRIDGE TO UNIVERSITY AVENUE - RE-BID
LOCATION: SAN DIEGO, CA NUMBER: K-16-1316-DBB-3-A
OWNER: CITY OF SAN DIEGO - DBE GOAL: 13%
BID DATE: JANUARY 27, 2016 AT 2:00 P.M.

Quotes requested for, but not limited to, the following types of work: Aggregate Supply Supply; Asphalt Paving; Clear and Grub; Cold Plane AC; Concrete Barrier; Concrete Supply; Demolition; Electrical; Ground Anchor; Hydro Demolition; Minor Concrete; Miscellaneous Iron and Steel; Pipe Supply; Reinforcing Steel; Shotcrete; Soil Nail; Striping.

Plans and specifications can be downloaded, at no cost from the City of San Diego Planet Bids Portal web site at: <http://www.planetbids.com/portal/portal.cfm?companyID=17950&access> (registration required). Additionally, plans and specifications are available at Flatiron's San Marcos, CA and Chino Hills, CA offices. Please call to make an appointment to view plans and specifications.

Assistance in obtaining bonding, lines of credit, insurance, equipment, supplies and materials is available upon request. Flatiron West, Inc. analyzes and considers each DBE quote, including those that are broken down into economically feasible units to facilitate bidding.

Quotations must be valid for same duration as specified by Owner for contract award.

Subcontractors are required to process and maintain a current contractor's license and must also be registered with the Department of Industrial Relations (DIR) as required by Public Contract Code Section 1725.5. Subcontractors will be required to execute Flatiron's Standard Subcontract Terms and Conditions and insurance requirements. A copy of our Standard Subcontract Terms and Conditions is available in electronic format upon request. Bond Requirements: Notwithstanding any contrary language in a bid to Flatiron West, Inc. ("Flatiron") or any prior course of dealing between Flatiron and a bidder, and unless waived in writing by Flatiron, Flatiron reserves the right, pursuant to Public Contract Code Section 4108 and otherwise, to require each bidder to provide payment and performance bonds assuring bidder's obligations to Flatiron in the amount of 100 percent of the bid to Flatiron. Flatiron will reimburse the bond premium at actual cost not to exceed 3%. The surety on the bonds must be a California admitted surety.

Non-DBE Subs/Suppliers: Indicate 2nd tier DBE participation offered on your quotation as it will be evaluated with your price.

Plans and specifications may be reviewed at our offices located at 11555 Dublin Blvd, Dublin, CA or 7700 College Town Dr., Sacramento, CA, or at your local Builders Exchange, or reviewed and downloaded from the ftp site at: <ftp://ftp%25desilvagates.com/ftp7a55wd@pub.desilvagates.com> (if prompted the username is [ftp%25desilvagates.com](ftp://ftp%25desilvagates.com) and password is [ftp7a55wd](ftp://ftp%25desilvagates.com)) or from the Owner.

Fax your bid to 925-803-4263 to the attention of Estimator Victor Le. If you have questions for the Estimator, call at 925-829-9220. When submitting any public works bid please include your DUNS number and DIR number. For questions regarding registration for DIR use the link at: www.dir.ca.gov/Public-Works/PublicWorks.html.

If you need DBE or SBE support services and assistance in obtaining bonding, lines of credit, insurance, necessary equipment, materials and/or supplies or related assistance or services, for this project call the Estimator at 925-829-9220, or contact your local Small Business Development Center Network (<http://californiasbdc.org>) or contact the California Southwest Transportation Resource Center (www.transportation.gov/osdbu/SBTRCs). DGC is willing to breakout portions of work to increase the expectation of meeting the DBE and SBE goals.

At our discretion, 100% Payment and 100% Performance bonds may be required as a subcontract condition. This will be a PREVAILING WAGE JOB. DGC is an equal opportunity employer.

Dig It Construction, Inc. is requesting subcontractors & suppliers including DBE certified firms for the following project:

Valves including: Gate, Ball, Butterfly and Check; Fabricated Slide Gates, Aggregates Supply Including: Washed Sand, Class II Aggregate Base, Rip Rap, Pea Gravel and Drain Rock; Ready Mix; Concrete Pumping; Pipe Products including: PVC, SST, RCP and Copper; Welding and Welded Steel Pipe; Hangers and Support for Plumbing, Piping and Equipment; Misc. Metals and FRP Grating; Trucking; Street Sweeping; SWPPP Plan; SWPPP Materials; Geotextile Materials, Misc. Construction Materials; Underground Precast Vaults, Manhole, DI's; Commissioning Management Services; Survey; Scheduling Services; Dewatering; Bridge Crane Systems; Laboratory/Casework; Identification Signage; Restroom/Locker Room Accessories.

PLEASE SUBMIT QUOTES BY FAX TO 760-471-4860 OR EMAIL TO SBDBIDS@FLATIRONCORP.COM

Plans and specifications are available to download, at no cost, from the City of San Diego's PlanetBids web site at the following link: <https://www.planetbids.com/portal/portal.cfm?companyID=1795&access> (registration required). Plans and specifications are also available at no cost, from Flatiron in electronic format via FTP access or can be viewed at our offices in San Marcos or Chino Hills. Please call to request FTP access or to make an appointment to view the documents at one of our offices.

Assistance in obtaining bonding, lines of credit, insurance, equipment, supplies and materials is available upon request. Flatiron analyzes and considers each DBE quote, including those that are broken down into economically feasible units to facilitate bidding. Quotations must be valid for same duration as specified by Owner for contract award. Notwithstanding any contrary language in a bid to Flatiron West, Inc. ("Flatiron") or any prior course of dealing between Flatiron and a bidder, and unless waived in writing by Flatiron, Flatiron reserves the right to require each bidder to provide payment and performance bonds assuring bidder's obligations to Flatiron in the amount of 100 percent of the bid to Flatiron. Flatiron will reimburse the bond premium at actual cost not to exceed 3%. Subcontractors are required to possess and maintain a current contractor's license and must also be registered with the Department of Industrial Relations (DIR) as required by Public Contract Code Section 1725.5. Subcontractors will be required to execute Flatiron's Standard Subcontract Terms and Conditions and insurance requirements. A copy of our Standard Subcontract Terms and Conditions is available in electronic format upon request.

Non-DBE Subs/Suppliers: Indicate 2nd tier DBE participation offered on your quotation as it will be evaluated with your price.

We are soliciting quotes for the following Divisions and items of work: for Division 02 thru 46, including, but not limited to: Clear/Grub; Erosion Control; Earthwork; Underground Utilities; Landscaping/Irrigation; AC Paving; Rebar; Erect Steel Structures; Painting/Coatings; Fencing & Gates; Metal Railing; ****Electrical & Instrumentation****; Minor Concrete & CGS; Masonry; HVAC; EPDM Roofing; Steel Roof Decking, Hatches; Floor Grating, Stair Nosing & Floor Plates; Sheet Metal & Flashing; Overhead Doors; Doors & Hardware; Glazing; Plumbing; Interior Finishes; Metal Framing; Drywall; Acoustical Ceilings; Flooring; Waterproofing/Damp Proofing; Electronic Access Control System; Video Surveillance; Pipe Insulation; Building Insulation; Blanket Insulation; Foam Insulation; Mechanical Equipment (Furnish & Install); Tanks & Pumps; Fire Detection & Alarm; Misc. Valves including: Gate, Ball, Butterfly & Check; Fabricated Slide Gates, Aggregates Supply including: Washed Sand, Class II Agg. Base, Rip Rap, Pea Gravel & Drain Rock; Ready Mix; Concrete Pumping; Pipe Products including: PVC, FRP, SST, DIP, HDPE, RCP & Copper; Welding & Welded Steel Pipe; Hangers & Support for Plumbing, Piping & Equipment; Misc. Metals & FRP Grating; Trucking; Street Sweeping; SWPPP Plan; SWPPP Materials; Geotextile Materials, Misc. Construction Materials; Underground Precast Vaults, Manholes, DI's; Commissioning Management Services; Survey; Quality Control Testing & Management Services; Scheduling Services; FRP Fabrications; Dewatering; Bridge Crane Systems; Laboratory/Casework; Identification Signage; Restroom/Locker Room Accessories.

****Electrical/Instrumentation and Controls Subs & Primary Effluent Pump Suppliers** must be prequalified to bid this project. This is an Owner Controlled Insurance Program (CCIP) Project.**

Non-DBE Subs/Suppliers: You will be expected to carry a proportionate percentage of 2nd-tier participation with your quote. 2nd-tier participation will be evaluated with your price.

100% performance and payment bonds will be required for the full amount of the subcontract price. Please contact Flatiron for any assistance to this solicitation, including obtaining bonding, insurance, equipment, materials and/or supplies. Provide subcontractor and supplier scopes/quotes as early as possible to enable estimators to perform a thorough evaluation of all scopes/quotes received. Quotes will be broken down into comparable packages as reasonably necessary to facilitate participation. Quotes must be valid for the same duration as specified by the Owner for Contract Award. We are signatory to Operating Engineers, Laborers, Ironworkers, Cement Masons, Carpenters and Pile Drivers Unions. Non-signatory subs will be required to sign an agreement for trades covered under our union agreements. Flatiron intends to work cooperatively with subcontractors and suppliers for all bid items you are licensed and qualified to perform. Bid items can be split to facilitate participation from all certified firms. Flatiron West will reimburse for bond premium up to 2%. **Firms must possess & provide current contractor's license number & DIR Registration number on the quote.** Firms must possess insurance and workers compensation coverage meeting project requirements. Waiver of Subrogation is required. Please contact Flatiron for any assistance required by your firm. Subcontractors will be required to execute our standard subcontract agreement and agree to the standard general terms & conditions. Please contact me if you would like copies for review prior to bid day.

Contract documents are available for purchase at the County of Sacramento's Site Improvement and Permits Section, located at 827-7th Street, Room 102, Sacramento, CA 95814; telephone (916) 874-6544 between the hours of 8:30 a.m. - 4:30 p.m., Monday through Friday. The cost for each CD set is \$50. Project documents may also be viewed in our office by appointment only. Please send an email request to LiSimon@flatironcorp.com for appointment to view/access plans and specs in our office or on our ftp site for FREE. Please fax quotes to our BID FAX at 707-746-1603.

We have information about the plans, specifications, and requirements in our office located at 14425 Joanbridge St., Baldwin Park, CA. Our office hours are 8:00 am to 4:30 pm. Copying services are available.

CHUMO CONSTRUCTION, INC.

Contact: George Chumo
626-960-9502 • FAX 626-960-3887
14425 Joanbridge Street
Baldwin Park, CA 91706
an equal opportunity employer

100% Performance and Payment bonds with a surety company subject to approval of Chumo Construction Company, Inc. are required of subcontractors for this project. Chumo Construction will pay bond premium up to 1.5%. Subcontractors will be required to abide by terms and conditions of the AGC Master Labor Agreements and to execute an agreement utilizing the latest AGC Standard Long Form Subcontract incorporating prime contract terms and conditions, including payment provisions. Chumo Construction's listing of a Subcontractor is not to be construed as an acceptance of all of the Subcontractor's conditions or exceptions included with the Subcontractor's price quote. Chumo Construction requires that Subcontractors and Suppliers price quotes be provided at a reasonable time prior to the bid deadline to enable a complete evaluation. For assistance with bonding, insurance or lines of credit contact George Chumo at (626) 960-9502.

OHL USA, Inc.

REQUEST FOR CERTIFIED SBE SUBCONTRACTORS & SUPPLIERS:

FULLERTON ROAD GRADE SEPARATION PROJECT
LOCATION: CITY OF INDUSTRY, CA
OWNER: ALAMEDA CORRIDOR - EAST (ACE) - SBE GOAL: 10%
BID DATE: MARCH 2, 2016 AT 2:00 PM.

Quotes requested for, but not limited to, the following types of work:
Aggregate Supply; Archaeological/Paleontological; Asphalt Paving; CIDH Pile; Clear and Grub; Commercial Signs; Concrete Barrier; Concrete Supply; Construction Area Signs; Concrete Barrier; Concrete Supply; Construction Area Signs; Demolition; Dewatering; Drainage Pumping Equipment; Driven Pile; Electrical; Fencing and Railing; Formliners; Hazardous Substance Removal; Imported Borrow/Export; Landscape and Irrigation; Manholes; Masonry; Minor Concrete; Miscellaneous Metal; Noise & Vibration Monitoring; PCC Saw & Seal; Pipe Supply; Precast Concrete; Pump Station; Railroad Construction; Railroad Signaling; RCP Pipe; Reinforcing Steel; Roadside Signs; Sheet piling & Shoring; Slope Paving; Steel Casing; Striping; Structural Steel (Furnish & Erect); Sub-ballast; Survey; T-Wall Retaining Wall Systems; V-Ditch.

Plans and specifications can be downloaded, at no cost from the Alameda Corridor-East PlanetBids Portal web site at: <http://www.planetbids.com/portal/portal.cfm?CompanyID=155888> (registration required). Plans and specifications are available at Flatiron's Chino Hills and San Marcos offices. Please call to make an appointment to view plans and specifications.

Quotations must be valid for same duration as specified by Owner for contract award. Assistance in obtaining bonding, lines of credit, insurance, equipment, supplies and materials is available upon request. Flatiron West, Inc. analyzes and considers each SBE quote, including those that are broken down into economically feasible units to facilitate bidding.

Subcontractors are required to process and maintain a current contractor's license and must also be registered with the Department of Industrial Relations (DIR) as required by Public Contract Code Section 1725.5. Subcontractors will be required to execute Flatiron's Standard Subcontract Terms and Conditions and insurance requirements. A copy of our Standard Subcontract Terms and Conditions is available in electronic format upon request.

Bond Requirements: Notwithstanding any contrary language in a bid to Flatiron West, Inc. ("Flatiron") or any prior course of dealing between Flatiron and a bidder, and unless waived in writing by Flatiron, Flatiron reserves the right, pursuant to Public Contract Code Section 4108 and otherwise, to require each bidder to provide payment and performance bonds assuring bidder's obligations to Flatiron in the amount of 100 percent of the bid to Flatiron. Flatiron will reimburse the bond premium at actual cost not to exceed 3%. The surety on the bonds must be a California admitted surety.

Non-SBE Subs/Suppliers: Indicate 2nd tier SBE participation offered on your quotation as it will be evaluated with your price.

DESILVA GATES Construction

11555 Dublin Blvd., P.O. Box 2909
Dublin, CA 94568-2909
(925) 829-9220 • Fax (925) 803-4263
Contractors License No. 704195A

DeSilva Gates Construction (DGC) is preparing a bid as a Prime Contractor for the project listed below:

PROJECT: EAST BAY RAPID TRANSIT PROJECT INFRASTRUCTURE AND STATION PLATFORMS, IFB No. 2016-1354, Disadvantaged Business Enterprise goal assigned is 8%, Small Business Enterprise goal assigned is 20%

OWNER: AC TRANSIT - 1600 Franklin Street, Oakland, CA 94612

REVISED BID DATE: FEBRUARY 17, 2016 @ 2:00 P.M. ESTIMATOR: VICTOR LE

DGC is soliciting quotations from certified Disadvantaged Business Enterprises and local Small Business Enterprises, for the following types of work and supplies/materials including but not limited to: ADJUST IRON, STATION BUILDING, CLEARING AND GRUBBING/DEMOLITION, ELECTRICAL, TEMPORARY EROSION CONTROL, FENCING, LANDSCAPING/IRRIGATION, MINOR CONCRETE, MINOR CONCRETE STRUCTURE, PRECAST ARCHITECTURE PAVEMENT, PCC PAVEMENT, JOINTED PLAIN CONCRETE PAVEMENT, ROADSIDE SIGNS, OBJECT MARKERS, MARKERS, STRIPING, SURVEY/STAKING, SWPPP/WATER POLLUTION CONTROL PLAN PREPARATION, SWEEPING, UNDERGROUND, TRUCKING, WATER TRUCKS, CLASS 2 AGGREGATE BASE MATERIAL, CRUSHED AGGREGATE BASE, SELECT SUBBASE, HOT MIX ASPHALT (TYPE A) MATERIAL, RUBBERIZED HMA (GAP GRADE) MATERIAL.

Plans and specifications may be reviewed at our offices located at 11555 Dublin Blvd, Dublin, CA or 7700 College Town Dr., Sacramento, CA, or at your local Builders Exchange, or reviewed and downloaded from the ftp site at: <ftp://ftp%25desilvagates.com:17pa55wd@pub.desilvagates.com> (if prompted the username is <ftp://desilvagates.com> and password is 17pa55wd) or from the Owner.

Fax your bid to 925-803-4263 to the attention of Estimator Victor Le. If you have questions for the Estimator, call at 925-829-9220. When submitting any public works bid please include your DUNS number and DIR number. For questions regarding registration for DIR use the link at: www.dir.ca.gov/Public-Works/PublicWorks.html.

If you need DBE or SBE support services and assistance in obtaining bonding, lines of credit, insurance, necessary equipment, materials and/or supplies or related assistance or services, for this project call the Estimator at 925-829-9220, or contact your local Small Business Development Center Network (<http://californiasbdc.org>) or contact the California Southwest Transportation Resource Center (www.transportation.gov/osdbu/SBTCs). DGC is willing to breakout portions of work to increase the expectation of meeting the DBE and SBE goals.

At our discretion, 100% Payment and 100% Performance bonds may be required as a subcontract condition. This will be a PREVAILING WAGE JOB. DGC is an equal opportunity employer.

Dig It Construction, Inc. is requesting subcontractors & suppliers including DBE certified firms for the following project:

REQUEST FOR CERTIFIED SBE SUBCONTRACTORS & SUPPLIERS:

FULLERTON ROAD GRADE SEPARATION PROJECT
LOCATION: CITY OF INDUSTRY, CA
OWNER: ALAMEDA CORRIDOR - EAST (ACE) - SBE GOAL: 10%
BID DATE: MARCH 2, 2016 AT 2:00 PM.

Quotes requested for, but not limited to, the following types of work:
Aggregate Supply; Archaeological/Paleontological; Asphalt Paving; CIDH Pile; Clear and Grub; Commercial Signs; Concrete Barrier; Concrete Supply; Construction Area Signs; Concrete Barrier; Concrete Supply; Construction Area Signs; Demolition; Dewatering; Drainage Pumping Equipment; Driven Pile; Electrical; Fencing and Railing; Formliners; Hazardous Substance Removal; Imported Borrow/Export; Landscape and Irrigation; Manholes; Masonry; Minor Concrete; Miscellaneous Metal; Noise & Vibration Monitoring; PCC Saw & Seal; Pipe Supply; Precast Concrete; Pump Station; Railroad Construction; Railroad Signaling; RCP Pipe; Reinforcing Steel; Roadside Signs; Sheet piling & Shoring; Slope Paving; Steel Casing; Striping; Structural Steel (Furnish & Erect); Sub-ballast; Survey; T-Wall Retaining Wall Systems; V-Ditch.

Plans and specifications can be downloaded, at no cost from the Alameda Corridor-East PlanetBids Portal web site at: <http://www.planetbids.com/portal/portal.cfm?CompanyID=155888> (registration required). Plans and specifications are available at Flatiron's Chino Hills and San Marcos offices. Please call to make an appointment to view plans and specifications.

Quotations must be valid for same duration as specified by Owner for contract award. Assistance in obtaining bonding, lines of credit, insurance, equipment, supplies and materials is available upon request. Flatiron West, Inc. analyzes and considers each SBE quote, including those that are broken down into economically feasible units to facilitate bidding.

Subcontractors are required to process and maintain a current contractor's license and must also be registered with the Department of Industrial Relations (DIR) as required by Public Contract Code Section 1725.5. Subcontractors will be required to execute Flatiron's Standard Subcontract Terms and Conditions and insurance requirements. A copy of our Standard Subcontract Terms and Conditions is available in electronic format upon request.

Bond Requirements: Notwithstanding any contrary language in a bid to Flatiron West, Inc. ("Flatiron") or any prior course of dealing between Flatiron and a bidder, and unless waived in writing by Flatiron, Flatiron reserves the right, pursuant to Public Contract Code Section 4108 and otherwise, to require each bidder to provide payment and performance bonds assuring bidder's obligations to Flatiron in the amount of 100 percent of the bid to Flatiron. Flatiron will reimburse the bond premium at actual cost not to exceed 3%. The surety on the bonds must be a California admitted surety.

Non-SBE Subs/Suppliers: Indicate 2nd tier SBE participation offered on your quotation as it will be evaluated with your price.

18980 Ventura Blvd., Suite 200, Tarzana, CA 91356
Phone: (818) 996-9666 • Fax: (818) 705-7914

Sinianian Development, Inc. (SDI) will endeavor to assist interested subcontractors with information related to bonding, lines of credit & insurance. SDI's listing of a subcontractor does not indicate acceptance of the subcontractor's exclusions, classifications and/or other conditions included in the subcontractor's proposal. By submitting a bid to SDI the subcontractor is agreeing to the following: A/ The subcontractor will execute SDI's Standard Subcontract Agreement, available for review at www.sinanian.com, for the price indicated on the subcontractor's proposal and in strict conformance to the requirements of the Contract Documents with no regard to any qualifications, exclusions or substitutions which may be listed on the subcontractor's proposal. B/ The subcontractor is agreeing to provide a 100% Payment and Performance Bond upon request; and the subcontractor shall be reimbursed for the bond fee only up to 1% of the bond premium. C/ The subcontractor's proposal shall be valid for the same period that the Prime Contractor's proposal is required to be valid to the project owner. Contract Documents are available for viewing in our office or on-line access can be provided on request. Note that SDI does not guarantee the accuracy of the Contract Documents on Building Connected, which are provided for reference only. Current Contract Documents should be obtained directly from the Project Owner. It is the subcontractor's responsibility to review the Owner's General & Special Conditions for this project as they are binding.

REQUEST FOR CERTIFIED DBE SUBCONTRACTORS & SUPPLIERS:

SEISMIC RETROFIT & REHABILITATION OF GEORGIA STREET BRIDGE TO UNIVERSITY AVENUE - RE-BID
LOCATION: SAN DIEGO, CA NUMBER: K-16-1316-DBB-3-A
OWNER: CITY OF SAN DIEGO - DBE GOAL: 13%
BID DATE: JANUARY 27, 2016 AT 2:00 P.M.

Quotes requested for, but not limited to, the following types of work:

Aggregate Supply Supply; Asphalt Paving; Clear and Grub; Cold Plane AC; Concrete Barrier; Concrete Supply; Demolition; Electrical; Ground Anchor; Hydro Demolition; Minor Concrete; Miscellaneous Iron and Steel; Pipe Supply; Reinforcing Steel; Shotcrete; Soil Nail; Striping.

Plans and specifications can be downloaded, at no cost from the City of San Diego Planet Bids Portal web site at: <http://www.planetbids.com/portal/portal.cfm?companyID=17950&access> (registration required). Additionally, plans and specifications are available at Flatiron's San Marcos, CA and Chino Hills, CA offices. Please call to make an appointment to view plans and specifications.

Assistance in obtaining bonding, lines of credit, insurance, equipment, supplies and materials is available upon request. Flatiron West, Inc. analyzes and considers each DBE quote, including those that are broken down into economically feasible units to facilitate bidding.

Quotations must be valid for same duration as specified by Owner for contract award.

Subcontractors are required to process and maintain a current contractor's license and must also be registered with the Department of Industrial Relations (DIR) as required by Public Contract Code Section 1725.5. Subcontractors will be required to execute Flatiron's Standard Subcontract Terms and Conditions and insurance requirements. A copy of our Standard Subcontract Terms and Conditions is available in electronic format upon request. Bond Requirements: Notwithstanding any contrary language in a bid to Flatiron West, Inc. ("Flatiron") or any prior course of dealing between Flatiron and a bidder, and unless waived in writing by Flatiron, Flatiron reserves the right, pursuant to Public Contract Code Section 4108 and otherwise, to require each bidder to provide payment and performance bonds assuring bidder's obligations to Flatiron in the amount of 100 percent of the bid to Flatiron. Flatiron will reimburse the bond premium at actual cost not to exceed 3%. The surety on the bonds must be a California admitted surety. Non-DBE Subs/Suppliers: Indicate 2nd tier DBE participation offered on your quotation as it will be evaluated with your price.

Shimmick Construction Company, Inc. is Prime Contractor seeking quotes from certified Disadvantaged Business Enterprises (DBEs) Subcontractors/Suppliers for the following project:

Realign Section of State Route 138 in District 8 - San Bernardino County near Hesperia
California Department of Transportation - Contract 08-0Q3004
Bid Date and Time: February 17, 2016 at 2:00 pm

Subcontractors/Suppliers Requested for, but not limited to, the following: Lead Compliance Plan, Striping, Guardrail, Fencing, SWPPP Reporting, Erosion Control, Landscaping, Biological Monitoring, Clearing and Grubbing, Trucking, Aggregate Base, Asphalt Paving, Asphalt Dike, Reinforcing Steel, Concrete, Prestressing, Prepare and Stain Concrete, Roadside signs, CIDH Piling, Bonding and Grounding, Asphalt Oil, Miscellaneous Metals, Construction Supplies, Furnish and Install CSP, Rumble Strip, Furnish and Drive Piling, Construction Signs, Traffic Control, Striping.

Items of work may be broken down into economically feasible packages to encourage participation. Shimmick Construction intends to conduct itself in good faith with all firms for participation on this project.

**Shimmick Construction Company, Inc., 16481 Scientific Way - Irvine, CA 92618,
Phone 949-333-1500, Fax 949-333-1510**

For additional project information or to discuss obtaining necessary equipment, supplies, and/or materials, please contact Ray Hughes, rhughes@shimmick.com (949) 333-1500 x 583.

Contract documents are available at: *Electronic copies of the plans and specifications can be downloaded from the Caltrans web site: http://www.dot.ca.gov/hq/esc/oe/weekly_ads/index.php under Advertised Projects. Shimmick has also made plans and specifications available through our SmartBidNet, if you require assistance with access to plans/specs or contract requirements, please contact Ray Hughes, rhughes@shimmick.com, (949) 333-1500 x583.

CONTRACTOR REGISTRATION REQUIREMENTS: LABOR CODE SECTION 1771.1 (a)
A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

Any bid submitted will confirm the acceptance of the terms and conditions of SCCI's Standard Long Form Subcontract, available upon request. A Subcontractor providing a proposed bid/price will be viewed as accepting SCCI's Standard Long Form Subcontract. 100% Performance and Payment bonds with a surety company acceptable to Shimmick Construction are required of subcontractors. Shimmick Construction will pay bond premium up to 1.0%. Subcontractors will be required to abide by terms and conditions of the AGC Master Labor Agreements and to execute an agreement utilizing the latest Shimmick Construction Standard Long Form Subcontract incorporating prime contract terms and conditions, including payment provisions-subcontract draft copy available upon request. Subcontractor must provide insurance coverage for their work as required by the Prime contract or Shimmick minimum - whichever is greatest. Shimmick's minimum insurance requirement is: General Liability \$1M-Per Occurrence/\$2M-Agg/\$2M-Completed Operations; Excess Liability \$5M; Auto Liability \$1M; Workers Comp & Employer Liability \$1M. Shimmick Construction's listing of a Subcontractor is not to be construed as an acceptance of all of the Subcontractor's conditions or exceptions included with the Subcontractor's price quote. Shimmick requires that Subcontractor and Supplier price quotes be provided at a reasonable time prior to the bid deadline to enable a complete evaluation. For assistance with bonding, insurance or lines of credit contact Scott Fairgrieve at (510) 777-5000.

VALENTINE CORPORATION

111 Pelican Way, San Rafael, CA 94901

Requesting Quotes from all qualified subcontractors and suppliers including certified MBE/WBE/DBE/DVBE/SBE/UDBE firms for the following:

**CONTRA COSTA COUNTY ON CALL ROAD AND FLOOD CONTROL
MAINTENANCE WORK - MARTINEZ - CONTRACT #0672-662009**

BID DATE/TIME: FEBRUARY 9, 2016 @ 2:00 PM

Please respond by: February 9, 2016 @ Noon

Valentine Corporation will be bidding the above referenced project as a general contractor. Your firm is invited to submit a sub bid in your area of expertise. Plans and specifications are available in our office for review. Our estimating team will be available before the date of the bid should you have any questions or require technical assistance: Valentine Corporation is requesting quotes from all Minority and Non-Minority Subcontractors and Suppliers including, but not limited to the following: Construction Area Signs, Traffic Control, SWPPP, Temp. Fencing, Pipe Supply, Concrete Supply, RCP, Aggregate Supply. Contact estimator for more information. Valentine Corporation is available to discuss breaking out any portion of work to encourage MBE/WBE/DBE/DVBE/SBE/UDBE participation. It is the policy of Valentine Corporation to encourage the utilization of MBE/WBE/DBE/DVBE/SBE/UDBE firms at all levels of construction contracting.

Valentine Corporation may require a Performance and Payment Bond. If so, the bond premium will be paid for by Valentine Corporation. We will contact you prior to the date of the bid to discuss this project with you.

For more information regarding this project call:

Elaine,

I can change the email on my end, but the address came from the Caltrans site and you would need to change it with them to make it permanent.

Should you wish to bid, this project is actually in San Bernardino County.

Thank you,
Tammy Clark

Hi Tammy,

I have a request if you please could change the email for bids/quotes to estimator@aconezone.com from the existing email address below, it would be appreciated.

Also, for your information and at this time, we are not able to provide effective service to the Sacramento area. So we will not be able to bid this project.

Thank you for your interest.

Subject: RE: Caltrans Bid 08-0N5504 Watson Wash Bridge #0805L

Good afternoon Tammy,

Thank you for contacting us regarding this bid. We are a DBE and SBE firm. And, we are capable of self-performing earthwork, demolition, and pipe. Unfortunately, we are currently tied up with other bidding at the moment.

Please invite us to the next bids.

Also, may we have your subcontractor prequalification package? Thanks.

Sincerely,

Zachary
Project Engineer

C.W. Crosser Construction, Inc.

1250 N. Lakeview Avenue, Suite J, Anaheim, CA 92807-1801

Phone: (714) 693-9800 Fax: (714) 693-0800

zachary@cwccrosser.com cwc.quote@gmail.com

We are a DBE & SBE Firm.

Subject: RE: Caltrans Bid 08-0N5504 Watson Wash Bridge #0805L

Hello Tammy,

Thanks for reaching out to us. My name is Mitch and I'm going to be the one quoting out your order for this job bid. I have a few questions for your order before I begin. I see this job requires 6,200 LF of K-Rail, would you like your quote to be on 6,200ft? I would also like to know if you would like it to be a rental or purchase quote. If it is rental that you're looking for, how long do you think this job will last? Would you like all of the K-Rail to be 20ft. sticks? Once I receive this information I will be able to quote you out more accurately.

Thanks Tammy!

Respectfully,

Mitchell Dolezal
Rental Coordinator

SAFETY FIRST

G&F's safety standards are second to none. Our workforce is supported by the Operating Engineers and Laborer's International certification and training programs and we employ a full-time, on-site Safety Director. We are compliant with all CAL/OSHA and Federal Safety requirements and have been certified to work in some of the strictest work facilities, including airports, refineries, ports, and treatment plants. Our commitment to safety surpasses industry standards and our on-going training and awareness enables us to quickly meet any standards our customers require.

I'm Ready To Work, But I Need Bonding.

Free Surety Bonding Workshop:

"My Key to Unlocking a New Revenue Stream."

Caltrans is bringing together small business firms who are seeking information on bond opportunities. Proper Surety Bonding is critically important for Caltrans contracting. Please consider joining this important workshop.

REGISTER ONLINE AT:

[HTTP://CALTRANS8FREEBONDWORKSHOP.EVENTBRITE.COM](http://caltrans8freebondworkshop.eventbrite.com)

Parking is available in the Stoddard Street Parking Structure for a nominal fee.

Please Show ID and sign in at the Security Desk.

Date: February 18, 2016
Time: 2:00 p.m. – 4:00 p.m.

Location:
Caltrans District 8
464 West 4th Street
San Bernardino, Ca 92401
Room 805

At this FREE WORKSHOP, you will:

- Gain insight into how the bond qualification process works.
- Prepare to submit an application for bonding.
- Learn the importance of using your bond support.
- Develop short and long-term strategies to obtain Bonding.
- Walk away with a plan to use Surety to grow your business.

Seating is limited. Please Register online at:

<http://caltrans8freebondworkshop.eventbrite.com>

With Questions call: (909) 383-4657

Mandatory Pre-Bid Meetings

Tuesday, January 26, 2016

Caltrans District 8 is hosting a Mandatory Pre-Bid meeting for two projects. Attendance is mandatory for those firms interested in bidding. This meeting brings an opportunity for Small Businesses (SBE), Disabled Veteran Business Enterprises (DVBE) and Disadvantaged Business Enterprises (DBE) firms to connect with construction prime contractors. Prime Contractors will be available to meet with small business firms on partnering opportunities.

Date:

Tuesday, January 26, 2016

Location:

**13970 Victoria Street
Fontana, CA 92336**

Project Details

Project 0Q3004: 10 a.m.-11 a.m.

SBD-138 Near Hesperia from 1.9 Miles east of I-15 to 0.1 Miles west of Summit Post Office Road. Realign and construct a 2-lane paved section with outside shoulders, 3 wildlife crossing and off-highway vehicle crossing.

RSVP at: <http://d8mpb0q300.eventbrite.com>

Project 0N5504: 11 a.m.-12 p.m.

SBD-40 In San Bernardino County, on Interstate 40 near Goffs Road, west of Needles. Replacement of the Watson Wash bridge.

RSVP at <http://d8mpb0n500.eventbrite.com>

Materials and supplies purchased from a certified DBE firm for completion/execution of a listed bid item can be counted toward the DBE contract goal.

ATTN: ESTIMATING DEPT.**TERMS AND CONDITIONS OF CONTRACT:**

In this agreement Contractor means Hardy & Harper, Inc. and owner means owner and/or any general contractor and/or agent or owner. This is a proposal per owner's request, not a complete property evaluation.

1. Standard Exclusions: Engineering, Soils Test, Permits, Compaction Test and/or Inspection Fees unless noted.
2. Prices are firm for thirty(30) days from the date of the proposal unless otherwise stated.
3. Owner agrees to indemnify contractor from any claim or suit for bodily injury or property damage arising from the design construction or installation of speed bumps or wheel stops.
4. Any changes required by owner shall be authorized in writing and paid by owner at contractor's prevailing rates unless quoted and agreed upon in writing.
5. Owner agrees to furnish to jobsite necessary and adequate water supply at owner's expense.
6. Contractor assumes no liability for damage to underground pipes, septic tanks, cesspools or other underground structures; and any extra expense caused by the contractor by the existence or location thereof shall be charged to buyer.
7. Owner agrees to pay attorney's and court costs in event suit is instituted to collect amounts due contractor.
8. If work is performed according to owner's specifications of labor and materials, contractor does not assume responsibility for the defects.
9. If work is to be performed by contractor to provide labor and material in a workmanlike manner to accomplish the owner's purposes, contractor agrees to repair or replace any defects of which owner gives notice to contractor within 5 days after completion of work.
10. Delays or damage caused by building trades other than contractor not employed by contractor, shall be owner's responsibility.
11. Contractor shall be responsible for clean-up and removal of contractor's work and materials only.
12. If asphalt compaction tests are required by customer or agency, these must be performed while asphalt is being laid. Tests performed at a later date are not an acceptable method, and we assume no responsibility for those results.
13. Contractor is not responsible for proper drainage if grade is less than 2%.
14. Grades are to be furnished plus and minus four hundredths (.04') - No Fine Grade.
15. Jobsite must be accessible to heavy equipment.

NOTICE IS HEREBY GIVEN THAT WORK AND MATERIAL FURNISHED BY CONTRACTOR MAY SUBJECT THE PROPERTY ON WHICH SAID WORK IS PERFORMED TO THE LIEN LAWS OF THE STATE OF CALIFORNIA PURSUANT TO SECTION 1193 OF THE CODE OF CIVIL PROCEDURE OF SAID STATE. CUSTOMER ACKNOWLEDGES THAT HE HAS RECEIVED A LEGIBLE COPY OF THIS TWO PAGE PROPOSAL.

Payment in full upon completion or it is agreed that 1% per month will be charged when account becomes overdue.

ATTN: ESTIMATING DEPT.

Job Name / Location:
CALTRANS 08-0N5504
SAN BERNARDINO COUNTY

TERMS AND CONDITIONS OF CONTRACT:

In this agreement Contractor means Hardy & Harper, Inc. and owner means owner and/or any general contractor and/or agent or owner. This is a proposal per owner's request, not a complete property evaluation.

1. Standard Exclusions: Engineering, Soils Test, Permits, Compaction Test and/or Inspection Fees unless noted.
2. Prices are firm for thirty(30) days from the date of the proposal unless otherwise stated.
3. Owner agrees to indemnify contractor from any claim or suit for bodily injury or property damage arising from the design construction or installation of speed bumps or wheel stops.
4. Any changes required by owner shall be authorized in writing and paid by owner at contractor's prevailing rates unless quoted and agreed upon in writing.
5. Owner agrees to furnish to jobsite necessary and adequate water supply at owner's expense.
6. Contractor assumes no liability for damage to underground pipes, septic tanks, cesspools or other underground structures; and any extra expense caused by the contractor by the existence or location thereof shall be charged to buyer.
7. Owner agrees to pay attorney's and court costs in event suit is instituted to collect amounts due contractor.
8. If work is performed according to owner's specifications of labor and materials, contractor does not assume responsibility for the defects.
9. If work is to be performed by contractor to provide labor and material in a workmanlike manner to accomplish the owner's purposes, contractor agrees to repair or replace any defects of which owner gives notice to contractor within 5 days after completion of work.
10. Delays or damage caused by building trades other than contractor not employed by contractor, shall be owner's responsibility.
11. Contractor shall be responsible for clean-up and removal of contractor's work and materials only.
12. If asphalt compaction tests are required by customer or agency, these must be performed while asphalt is being laid. Tests performed at a later date are not an acceptable method, and we assume no responsibility for those results.
13. Contractor is not responsible for proper drainage if grade is less than 2%.
14. Grades are to be furnished plus and minus four hundredths(.04') - No Fine Grade.
15. Jobsite must be accessible to heavy equipment.

NOTICE IS HEREBY GIVEN THAT WORK AND MATERIAL FURNISHED BY CONTRACTOR MAY SUBJECT THE PROPERTY ON WHICH SAID WORK IS PERFORMED TO THE LIEN LAWS OF THE STATE OF CALIFORNIA PURSUANT TO SECTION 1193 OF THE CODE OF CIVIL PROCEDURE OF SAID STATE. CUSTOMER ACKNOWLEDGES THAT HE HAS RECEIVED A LEGIBLE COPY OF THIS TWO PAGE PROPOSAL.

Payment in full upon completion or it is agreed that 1% per month will be charged when account becomes overdue.

RE: Proposal to Conduct Environmental Consulting Services (Preconstruction surveys, contractor education, and construction monitoring for I-40, Watson Wash Bridge [Contract Agency: Caltrans Project # 08-0N5504], San Bernardino County)

Dear Mr. Abbott:

Gonzales Environmental Consulting, LLC (GEC) is pleased to provide this rate sheet for biological monitoring regarding the I-40 [Contract Agency: Caltrans Project # 08-0N5504], San Bernardino County) project. Service will be provided to the benefit of the following project:

SAN BERNARDINO COUNTY

- I-40, Watson Wash Bridge Near Fenner from 0.7 mile west to 0.6 east of Watson Wash Bridge

The client will be responsible for advising GEC of their schedules for each project and, particularly, for any changes that may occur during the process. This proposal establishes a lump sum fee for services. These rates will be effective through February, 2017, unless superseded in writing as a result of future negotiation or changes in the scope of work.

GEC is an Underutilized Disadvantaged Business Enterprise (UDBE) as defined and certified by Caltrans (UCP Firm Number: 36280). GEC is a women-owned business.

ANALYSIS OF WORK EFFORT

Based on the information provided to date, the following efforts need to be undertaken:

Investigation of biological resources of the site by performing the tasks which are detailed below.

TASK 1: PRE-CONSTRUCTION SURVEY FOR DESERT TORTOISE & MIGRATORY BIRDS

The pre-construction sweep will be completed by GEC using the required state and federal protocol.

This survey type is recommended for all potential desert tortoise habitats. A Presence-or-Absence Survey equivalent to that described below would be requested for habitats thought to be inside and outside suitable habitat for the desert tortoise if tortoise sign is found within these habitats located within the project area.

Prior to site clearing activities and staging of equipment, an experienced tortoise biologist shall perform a pre-construction sweep and will remain on site during working hours until desert tortoise fencing to prevent desert tortoises from entering the worksite has been installed. The desert tortoise fence will remain in place until completion of a permanent protection barrier or until completion of the construction phase of the project.

Preconstruction surveys (1 day x 2 DT biologists) =for the Biological Monitor the total is **\$2,400.00.**

TASK 2: EMPLOYEE EDUCATION FOR CONTRACTORS

GEC will conduct an education program for all persons who will work on-site during Project implementation and construction. The program shall consist of a presentation from GEC that includes a discussion of the biology of the Covered Species, the habitat needs of the Covered Species, its status under CESA, and the management measures provided in the 2081 permit. A fact sheet containing this information shall also be prepared and distributed. The Orientation program shall consist of a brief presentation from a person knowledgeable about the biology of the desert tortoise, Mohave ground squirrel, and Burrowing Owl, the terms of the permits, the Federal Endangered Species Act (FESA), and the California Endangered Species Act (CESA). The education program shall include a discussion of the biology of the desert tortoise, and burrowing owl, the habitat needs of these species, their status under FESA and/or CESA, and the specific measures that are being implemented during construction to protect these species. In addition, they shall be advised as to the potential impact to tortoises and potential penalties (up to \$25,000 in fines per violation and one year in prison) for taking a threatened species. Brochures, pamphlets, or information packets shall be produced which cover the potential sensitive species in the area. These publications will cover topics such as: burrowing owl, desert tortoise, Environmentally sensitive areas (ESA) and Species Protection Areas (SPA), minimizing disturbance of natural areas, disposal, staging and borrow sites and other related issues. GEC will serve as environmental-construction liaison and assist the foreman in discussing the requirements at the contractor's preconstruction conference. Upon completion of the program, employees shall sign a form stating that they attended the program and understand all protection measures. Employee will also receive a sticker and handout.

Employee Education Program \$500/training + PowerPoint presentation (assuming 1 presentation) = **\$1,000.00**

TASK 3: CONSTRUCTION and COMPLIANCE MONITORING

GEC will serve as environmental-construction liaison in monitoring the construction of the project. A log of all site visits will be kept to document compliance with environmental commitments. GEC shall coordinate potential concerns with the Resident Engineer to ensure compliance with environmental commitments. GEC shall be on-site daily while grubbing and grading are taking place to minimize take of the covered species, to check for compliance with all mitigation and avoidance measures, and to check all exclusion zones to ensure that signs, stakes, and fencing are intact and that human activities are restricted in these protective zones.

Biological Construction and Compliance Monitoring

Task Cost (FULL DAY)\$1,000.00/day*

*inclusive of Travel and Other Direct costs. Assumes a maximum of 10hrs/day including travel time. Additional time will result in overtime (\$127.50/hr) charges in accordance with State and Federal laws. Total assumes 50 working days. Costs are per monitor provided. Depending on how work is staged additional monitors may be required.

TASK 4: NOTIFICATIONS AND REPORTS

- GEC will be the Designated Representative responsible for communications Resource Agencies in compliance with the permits for the project.
- Reports, including Pre-construction (\$1,500.00), initial monitoring (\$1,500.00), monitoring (Included in monitoring above), incident (if necessary) (\$500.00/report), annual (\$2,000.00) and final (\$2,000.00) will be prepared and submitted to the required agencies.

Reports = \$7,500.00

TASK 5: BIOLOGICAL RESOURCE INFORMATION PROGRAM

Biological Resource Information Program includes specifications for preparing and presenting a Biological Resource Information Program to familiarize construction staff with regulated species and related requirements.

Workers must receive Biological Resource Information training before performing on-site work. Workers include laborers, tradesmen, material suppliers, equipment maintenance personnel, supervisors, foremen, office personnel, food vendors, and other personnel.

The Biological Resource Information Program includes:

1. Description of regulated species that may be affected by construction
2. Requirements for the protection of regulated species
3. Definition and consequences of "take"
4. What to do when you see a regulated species or a species that looks like a regulated species
5. Permit requirements to touch or move a regulated species
6. Identification of work area and ESA
7. Species Protection Area (SPA) requirements
8. Description of avoidance and minimization measures

9. Natural Resources Protection Plan
10. Description and general ecology of the regulated species
11. Description of specific habitats used by the regulated species and their location
12. Handout to implement species protection measures that describe species, habitats, and actions

Biological Resource Information Program Report \$3,500.00
Stickers \$ 250.00
Handouts \$ 500.00 (for 200)

Total: \$4,250.00

TASK 6: NATURAL RESOURCE PROTECTION PLAN

Natural Resources Protection Plan will be prepared and signed by a biologist knowledgeable of the species or habitats discussed and address species protection measures, and closely follow the requirements of the subject project specifications (project specifications). This plan answers and annotates questions written in the specs.

The Natural Resource Protection Plan includes:

Introduction

- 1.1 List of species and habitats addressed in the plan
- 1.2 List of protocols for species protection surveys, with full protocols in an appendix
- 1.3 Protection measures for regulated species likely to occur in the project site
- 1.4 Protective radius for regulated species encounters
- 1.5 Implementation plan for protection measures, including monitoring schedule
- 1.6 Monitoring duties
- 1.7 Justification for each instance where protection measures and an implementation plan are not necessary for a regulated species
- 1.8 Schedule for inspecting protection measures
- 1.9 Schedule for maintaining protection measures
- 1.10 Schedule for submittal of monitoring reports
- 1.11 Response plan for instances where regulated species are encountered
- 1.12 Content and schedule for a Biological Resource Information Program
- 1.13 Location and schedule of fence installation and removal, with identification of species or habitats to be protected by each ESA and Species Protection Area (SPA)
- 1.14 Protection measures required within each SPA
- 1.15 Schedules for pre-construction surveys
- 1.16 Reference Documents

Natural Resource Protection Plan Report \$3,500.00

Total for Line Item 20, Item Code 030401 = \$68,650.00*

*Total assumes 50 working days. Costs are per monitor provided. Depending on how work is staged additional monitors may be required those costs are not included in the line item as we do not know how the project will be staged.

Bidding Assumptions

Cost and schedule estimates are based on our best judgment of the requirements known at the time of the proposal and can be influenced favorably or adversely by Client needs and other circumstances. GEC will endeavor to perform the services and accomplish the objectives within the estimated costs and schedule. However, if the scope of work or schedule changes, GEC, reserves the right to revise costs accordingly.

GEC assumes that, by receipt of notice to proceed, full access to the property will be provided by the Client, including keys to locked gates and advance notice to existing property tenants of our right of entry. GEC shall not be held responsible for work delays or cancellations caused by strikes, accidents, acts of God, delays imposed by the Client, or other delays beyond the control of GEC.

It is assumed that GEC can use and rely on the data and information contained in the project related documents provided by the Client. GEC, will not perform a technical review of these documents, and will not be responsible for the content or accuracy of these studies.

The Client will reimburse GEC for all costs, internal and external, including legal or other contractually related issue fees that are the result of any challenges to the work. These costs are not included in the cost proposal.

Change orders will be issued and signed by the Client and GEC, before starting additional work not provided for in the original proposal. If the Client's authorized representative is not available for a signature, the additional out-of-scope work will not commence until the change order is signed.

Thank you for the opportunity to collaborate with OHL USA, Inc. on this project. If you have any questions regarding this proposal, please call me at (760) 777-1621.

Sincerely,

Teresa Gonzales

- ^Any questions please telephone our office.

◆◆ FORM, POUR, FINISH ONLY ◆◆

ACL Construction Co., Inc.**Terms, Conditions, and Exclusions**

This list of ACL's *Terms, Conditions, and Exclusions*, along with the preceding *Proposal* dated 2/9/16, shall be included as part of any contract and shall prevail over any conflicting terms.

Retention is 5% after 50% of ACL's work is in place. Prime Contractor shall release 100% Retention 35 days after ACL's work is completed.

INSURANCE: ACL's limit is one million. If more limits are required, all additional insurance, premiums, and fees are to be paid by the Prime Contractor. **EXCLUDES - Railroad Insurance, Waiver of Subrogation, Longshoremen's Insurance (All available at Prime Contractor's Expense)**

ACL will not accept a Type I or Type II indemnity agreement.

Excludes - Engineering, Inspections, Permits, Fees, City Licenses, or Testing of any type.

ACL will not be responsible for delays due to lack of, and/or incorrect or inadequate Contractor furnished schedule, material, access, and structure not ready. Time delays which are out of ACL's control and in control of the Prime Contractor, or his other subcontractors, will be charged at Cal-Trans rates.

No Caltrans extra work will be performed until an agreement on price and time is given to ACL in the form of written authorization from the Prime Contractor.

No back charges will be accepted without prior written authorization from ACL.

No corrective work by others; ACL will correct its own work.

Force-account work to be paid in accordance with Cal-Trans special provisions or agreed upon price.

ACL is not responsible for vandalism or damage to concrete barrier after barrier is placed and finished.

ACL is not responsible for damage or on-site clean up of instances done by others than ACL's own work force.

Any item or items of work may be deleted from ACL's proposal if requested by Prime Contractor and agreed upon before bid date. ACL's proposal is to be considered complete per their listed work. ACL's price is based only on items listed in our proposal.

Prime Contractor to provide at all bridges, and free standing walls, Cal-OSHA approved working scaffold and protective cover over traffic and environmentally impacted areas.

Prime Contractor to provide adequate access suitable for concrete to be end-dumped from Ready Mix Trucks; 12' wide work area, no more than 16" below flow line; minimum of 2' work area at both sides of rail form, and access to set forms with boom truck.

Prime Contractor to provide adequate access to ACL's work and not hinder work or work schedule.

Prime Contractor to provide secure area for ACL's material and equipment.

Prime Contractor to provide a written move-in notification **EIGHT (8) WEEKS** before requested move-in date.

Prime Contractor is to schedule a minimum 8-hour workday.

No weekend work (Saturdays & Sundays), night work, and additional lighting.

Prime Contractor to provide a source of water within job limits to ACL free of charge.

Prime Contractor to provide sanitation facilities.

Prime Contractor to provide Square Pile Caps to line and grade width of rail.

All work completed by Prime Contractor or their subcontractors to be completed according to applicable job plans and specifications.

ACL Exclusions - (See Page 1 of Proposal For Any Items Listed Here That We May Include on a Per-Contract Basis)

Sealant, Texture, Stain, Paint, Sandblasting of any kind, Preparation and Architectural Treatment, Drill and Grout Dowels.

Embedded Items - (Installing of Bolts, Utility Pipe, and/or Conduits, and Block-outs, Bulkheads, etc.)

Miscellaneous Metals and Metal Embeds of any kind.

Sign Bases, Light Pedestals, and Electroliers when protruding.

Concrete, Concrete Pump, Cold weather Concrete Protection, Rebar, Rebar install, Rebar Templates, Expansion Paper Styrofoam

Water Cure and Curing Compounds.

Electrical; Graffiti removal.

Restoration Work, AC Paving or Patching

Traffic Control - NOTE: Traffic Control to be provided per special provisions by Prime Contractor.

Construction Signs, Cones, Delineators, Protective Barriers, Fencing or K-Rail.

Survey - NOTE: Adequate Staking to be provided by the Prime Contractor.

Layout, Excavation, and Backfill; De-Water and Water Control.

Dust Control, Surface Water Handling, or Erosion Control.

Clearing or Grubbing; Removal or Haul Away; Hazardous Waste Removal.

CPM Schedule or apportioned cost thereof.

DIR PW Reg. #: 1000001109 Exp. 6/30/16

- A signed contract and 15 working days notice must be given prior to any move in. This quote shall remain valid for 30 days from date of actual bid opening, unless otherwise agreed upon. **PAYMENT TERMS ARE - 100%, NET 30**, unless otherwise agreed upon.
- Unless stated on the quote, all permits and associated fees are excluded from Statewide Traffic Safety and Signs, Inc's quoted pricing.
- Lump sum items are based on "working days" listed in the Special Provisions or working days bid for this project. Additional compensation (standard rental rates) will be applied if working days are exceeded.
- Standards for 5 day work shift must be established prior to Statewide Traffic Safety and Signs, Inc. starting work on the project.
- Rental equipment furnished and installed by Statewide Traffic Safety and Signs, Inc. may not be moved by anyone other than Statewide Traffic Safety and Signs, Inc. with out prior approval.
- Installed crash array barrels relocated by Contractor shall be paid for at item price or new rental period of \$3.00 a day per barrel.
- All Construction Area Signs to be installed at one time or in stages and covered if needed at installation. Contractor to uncover and recover if needed.
- Construction Area Signs include one mobilization per stage, additional mobilizations \$1,500.00 each, unless negotiated prior to work. Additional signs required due to damage, theft, or plan inadequacies will be billed as extra work.
- Traffic Control not included in installation, removal, or repair of any item. Stand-by time charged at \$175.00/hr.
- Portable equipment will be delivered and picked up from one location. Contractor to maintain. Contractor is liable for loss and or damaged equipment. Barricades do not include flashing lights or sign panels unless otherwise noted. Pallets are not included with crash cushions.
- Contractor is liable for lost or damaged equipment removed or relocated by Contractor's forces.
- Statewide Traffic Safety and Signs, Inc. does not accept charges or back charges of any kind unless agreed to in writing prior to work beginning.
- Statewide Traffic Safety and Signs, Inc. shall fully indemnify Contractor for any liability arising out of Statewide Traffic Safety and Signs, Inc. work or products, but only to the extent of Statewide Traffic Safety and Signs, Inc. liability and not that of anyone else. Statewide Traffic Safety and Signs, Inc. maintains insurance coverage for their work hereunder, including \$2,000,000.00 Products - Comp/OP Agg and a 10/93 Additional Insured Endorsement.
- If there are any issues or concerns regarding Statewide Traffic Safety and Signs, Inc. products or work, Contractor shall promptly notify and give Statewide Traffic Safety and Signs, Inc. first opportunity to correct any such problems.
- All sign and marker location / mark-out to be done prior to Statewide Traffic Safety and Signs, Inc. starting work. If necessary, Statewide Traffic Safety and Signs, Inc. will assist project inspector with location / mark-out. Statewide Traffic Safety and Signs, Inc. will mark out its own work area for USA if necessary, but is not responsible for damage to underground facilities not shown on plans or not marked out by other agencies.
- Sign panels for roadside sign items are supplied by others unless purchased through bid items of this quotation. Roadside sign panels will not be received by Statewide Traffic Safety and Signs, Inc. earlier than 15 working days prior to scheduled installation. No storage. 45 working days advance notice for sign panel orders. All sign plan discrepancies are to be resolved before any sign panel orders are placed.
- Permanent sign and marker installation: maximum move-ins: ONE (1) . Additional move-ins \$1,500.00 each, unless negotiated prior to work. 45 working days notice for metal post orders. Mounting hardware supplied to, and installed by Contractor.
- Removal, relocate, and reset items are to be completed in whole per the Special Provisions for the project, and completed in, ONE (1) move-in. Additional move-ins \$1,500.00 each, unless negotiated prior to work.
- Sign installation does not include coring or breaking.
- All change order work must be approved by agency / owner prior to work being performed by Statewide Traffic Safety and Signs, Inc.
- Acceptance of this quote is acceptance of these provisions, which shall prevail if in conflict with any other documents.
- No retention is to be held on Traffic Control and Equipment Rental.

SEE ATTACHED BID BREAKDOWN

Bid per request

Plan Sheets: 3 thru 5, 12, and 49 thru 51 of 110

Specs Pages: 13-5.03D, 13-5.03J, 21-1.02P, 80-1.07A(2), and 80-4.01B,

Addenda: 1 and 2

Existing SWPPP: None at time of bid

Project Labor Agreement or Project Stabilization Agreement: None at time of bid

Our bid proposal includes the following specifications:

	Slurry Mix:	Application Rates		
		Tempo. Hydromulch	Tempo. Soil Binder	
Mulch:	WOOD CELLULOSE FIBER	2,000	N/A	# / ACRE
Additives:	BINDER (PSYLLIUM)	100	150	# / ACRE

Qualifications / Exclusions:

- Site to be received at +/- .10 of foot to finish grade/sub-grade in a clean, weed free condition.
- No site/soil preparation, pre-soil moisture, weeding, scarifying, backfilling, fertilizing, grading, survey, clearing or grubbing, digging-in or drilling, or trenching of hard dig materials.
- No night work or task lighting.
- Adequate equipment access to work area's to be provided by others.
- Price quoted is based on one move-in for the entire area. Additional move-ins will be billed at \$1000/Ea.
- Designated areas for hydroseeding or erosion control shall be clearly defined by an authorized representative.
- Our standby rate is \$75.00 per man, per hour.
- Water shall be made available on-site by others. 4,000 gal per hour will be required within 1/4 mile of working area. Water source shall be made available with a minimum 2" size and at least 100 psi or better.
- No overseeding, watering, drainage, irrigation, plant warranty, inspection, protection, testing, weekly meeting, training/badging, SWPPP, WPC, BMP, or maintenance of SWPPP, BMP, hydroseed, mulch, or plant material, unless defined in bid.
- Excluding ALL maintenance & removal of BMP's listed on the attached proposal.
- No interim maintenance.
- No vehicular or pedestrian traffic control. No permits, testing, auditing, inspection fees, water costs, water meters/meter fees, or service line.
- We cannot guarantee germination of seed, unless installed & maintained by Marina Landscape Inc.
- Due to the California drought, all seeds within seed mixes are subject to availability.
- Marina Landscape is not responsible for areas destroyed or damaged by pedestrians, other contractors, weather, acts of God or anything beyond our control.
- This proposal excludes removal or disposal of all erosion control methods.
- This proposal is void unless written acceptance is received within 30 DAYS.
- Not responsible for grading or disturbance to existing graded areas.
- UNIT PRICE PREVAILS ACCORDING TO QUANTITY SPECIFIED ON BID BREAKDOWN.
- ALL ITEMS WILL BE FIELD MEASURED PER QUANTITY INSTALLED FOR FINAL BILLING.
- Contractor agrees to pay for all special order items for this project once the agreement or purchase order is signed.
- Additional areas installed will be billed. Reduction in quantity will increase unit cost

Marina is an established union contractor with over 45 years of experience and the ability to bond our projects (add 1% as a change order to the contract). Bond's will be supplied on Berkley Surety or AGC standard bond forms. If accepted, this proposal is to be part of our contract. Should you have any questions or comments please do not hesitate to contact me.

Dear Customer,

Please refer to the following list of products we supply for the heavy civil construction market along with other job specific items at very competitive prices. We offer excellent customer service and years of experience in the construction materials industry, and we look forward to working with you.

Bearing Pads: Laminated, PTFE or Plain

Silicone Grease: for Bearing Pads

Conduit: Galvanized Rigid/PVC

Welded Steel Pipe: Coated, Lined or Plain

Casing Pipe

Ductile Iron Pipe

Bridge Deck Drainage Systems

Misc. Metals/Cable Restrainers

Soffit Access Covers/Grates/Barrier Rail

Expansion Joint Seals

Grated Line Drains

Waterproofing Materials

Drainage & Irrigation Materials

Site Furnishings

NPS Water Supply Line: 2"-6" system

Electrical Supplies

Precast Concrete Items: Pipe Supports-Benches-Signs-Tables-Bollards, etc.

Spherical Bearings

Contact Adhesive: Caltrans approved

Steel Beams/Steel Pipe Pile

Polyester Concrete/Methacrylate

Misc. Construction Materials

Dowels, Epoxy

Timber Lagging

HDPE Shims

Water Meters

Welded Wire Mesh, Post Tension Wire

Pipe Key-Shear Key

Anchor bolts, Headed Studs, Nails

Formliner

Reinforced Concrete Pipe and Manholes

Metal Beam Guard Rail

Chain Link Fence

"We'll get you the right material when you need it."

License No. 481285

February 9, 2016

D&B No. 08-953-1941

DIR No. 100002684

Bid No.: 1601-004

**RE: WATSON WASH BRIDGE, SAN BERNARDINO COUNTY
CONTRACT NO.: 08-0N5504**

Dear Sirs:

We propose to furnish and erect the precast required for the above-referenced project at the following lump sum price:

Item	Description	UOM	Est. Qty.	Unit Price	Item Total
58	FURNISH PRECAST PRESTRESSED CONCRETE SLAD (TYPE SIV)	SQFT	26,963	42.00	1,132,446.00
59 (F)	ERECT PRECAST PRESTRESSED CONCRETE DECK UNIT	EA	221	530.00	117,130.00

95%

**TOTAL LUMP SUM PRICE: \$ 1,249,576.00
Tax Included**

This proposal is based upon the attached standard Terms and Conditions, which should be included in any Subcontract Agreement.

NOTE: Regardless of the terms of the main contract between the contractor and owner, Con-Fab California Corporation will require monthly progress payments for precast fabricated and stored in our yard prior to shipment. See Terms and Conditions of Proposal.

Yours truly,

Philip C. French, *Chairman & CEO*

CF Con-Fab California Corporation

WATSON WASH BRIDGE CT# 08-0N5504

License No. 481285

BID NO. 1601-004

SPECIAL CONDITIONS:

- 1) Price based upon one move-in only.
- 2) Delivery and erection is expected to be in 2016. For any girders delivered and erected after December 31, 2016 add \$70 per girder per year.
- 3) Crane will rig in and erect from down below in the Watson Wash. The General Contractor is to provide at no additional cost to Con-Fab:
 - a. Suitable truck and crane access to a level and compacted crane pad min 30' x 30' for outriggers within a 60 foot radius of final girder locations.
 - b. Removing and resetting of k-rail, signage, etc if required for crane and truck access into the Wash.
 - c. Location for crane, counterweight trucks and trailers to stage adjacent to bridge.
 - d. Sufficient access and room for girder trucks to stage on site and access the crane within a 60 ft radius.
 - e. Drinking water and protection from the sun as required by law.
 - f. Access to abutments and bents and fall protection tie off points for riggers whether it be ladders or man lifts.
 - g. Use of contractor's ladders or man-lift to access precast pickups while on the truck.
 - h. A secure location for the crane in-between work shifts.
 - i. Sufficient swing clearance to allow the girder, counterweights and crane boom to off-load and erect the girder.
 - j. Crane and truck access into spans 2, 3, 15 & 16.
 - k. Use of general contractors Gradall to move crane mats around for each crane move.
- 4) Mobilization and erection to take place on 12 consecutive weekdays. Day 1: Rig-in crane, Days 2-11: erect +/- 20 void slabs per day, Day 12: rig-out crane. Con-Fab will not be responsible for General Contractor's expenses if additional days are required. Crane is to remain in the wash each night. If required to remove crane from wash each night the additional cost for said crane moves shall be paid for by the general contractor.
- 5) Delay costs due to water in the wash and / or rebuilding level crane pads shall be covered by the general contractor.
- 6) Daytime erection between 7:00 am and 5:00 pm.
- 7) Con-Fab will erect girders to General Contractor's layout lines on each side of each void slab end and at ends.
- 8) General Contractor to provide personnel at both ends of void slabs to approve placement prior to unhooking the crane.
- 9) Design, installation and maintenance of the girder temporary lateral bracing is to be by General Contractor as required.
- 10) 5 minutes has been allocated for General Contractor to brace precast prior to unhooking crane. Additional time required by the General Contractor to brace / secure precast products will be charged at the overtime rate for the crane and crew.
- 11) Per California Code of Regulations, Title 8, section 1610.5, the General Contractor is to provide adequate ground preparation, which may include crane mats and steel plates, for set up and operation of the lift crane. Sufficient, all weather, stable access and area is required for crane to travel, rig in/out, move with counterweights loaded when required and for truck access to crane. All required plates, mats, etc to be provided by General Contractor for sufficient crane access, moves on site as required and crane axle and outrigger loads. It is the contractor's responsibility to verify that the crane and truck induced loads are within site condition tolerances.
- 12) Con-Fab will not be held responsible for damage to underground structure, voids or utilities that are not specifically identified in advance. Protection of identified underground utilities is to be by the general contractor and must be agreed to by all parties in advance in writing.
- 13) Quote is based on state and local hauling permit requirements at time of bid. Additional costs resulting from a change in hauling permit requirements from time of bid to delivery time will be charged to and is the responsibility of the General Contractor.

BID NO. 1601-004

- 14) Overhead obstructions that encroach into the lifting zone, including utility lines and tree branches, must be removed or de-energized, by others, in accordance to OSHA regulations with no additional cost to Con-Fab California Corporation. General Contractor to provide a spotter if required per OSHA regulations.
- 15) General Contractor to ensure that rebar in abutments and bents shall be cleared of void slab and strand and rebar that is protruding from void slab ends.
- 16) Additional concrete overlay required due to differential camber of adjacent void slabs and additional keyway grout due to production and erection tolerances is the responsibility of the general contractor which Con-Fab shall not be liable for.
- 17) Internal concrete temperature monitoring of precast members during casting and curing is excluded and will result in additional costs if required by Caltrans.

STANDARD TERMS AND CONDITIONS:

(IN INSTANCES OF CONTRADICTION BETWEEN STANDARD AND SPECIAL CONDITIONS THE SPECIAL CONDITIONS WILL APPLY)

- 1) Concrete is normal weight (150 PCF), gray cement unless stated otherwise hereunder.
- 2) Concrete finish is according to plans and specifications.
- 3) Fabrication, delivery, and erection schedule to be agreed upon mutually. Erection – General Contractor to give Con-Fab California Corporation two (2) weeks notices prior to erection.
- 4) General Contractor to be responsible for coordinating installation and final alignment of precast with other trades. Con-Fab California Corporation will not be responsible for coordination with other Trades or conflicts of schedule.
- 5) General Contractor to provide clear, level, compacted, unobstructed all weather access for trucks and crane to erect precast.
- 6) Reasonable space must be provided around installation area for men, tools, and equipment to erect precast as required (10' minimum).
- 7) Traffic control, signs, lane closures, and lights (if required), are to be provided by the general Contractor. Erection to be at daytime during straight time working hours, unless stated otherwise in SPECIAL CONDITIONS.
- 8) General Contractor to provide access and level area adequate to assemble, disassemble, park crane and erect precast.
- 9) Loads delivered to the jobsite early at the request of the General Contractor for his purposes, such as to install overhang brackets, or delayed at the jobsite in excess of one hour past the scheduled arrival time, will be billed at \$140.00 per hour for wait time.
- 10) Allow for one (1) move-in unless noted otherwise in SPECIAL CONDITIONS.
- 11) **INCLUDED ITEMS:** See SPECIAL CONDITIONS
 - A. Engineering and shop drawings.
 - B. Supply and installation of embeds in precast as required for precast work only and shown on bid drawings.
 - C. Installation only of embeds in precast required by other trades and shown on the contract drawings. Sizes, location and types of these inserts to be clearly marked on Con-Fab California Corporation shop drawings by General Contractor.
 - D. Applicable sales taxes.
- 12) **EXCLUDED ITEMS:** See SPECIAL CONDITIONS
 - A. Supply and installation of embeds in precast required, but not shown on the contract drawings. These embeds, such as falsework, inserts, etc., can be installed by Con-Fab California Corporation (supplied by others) for an additional cost of \$15.00 per insert. However, size, location, and types of the embeds must be clearly marked on a set of shop drawings by the General Contractor.
 - B. Jobsite grouting, dry packing, sacking, patching, cement wash, sealing, painting, waterproofing of precast or caulking of joints.

Con-Fab California Corporation

License No. 481285

WATSON WASH BRIDGE CT# 08-0N5504

BID NO. 1601-004

- C. Jobsite removal of lift loops or patching of bracing inserts, lifting inserts, or lifting recesses.
 - D. Testing and inspection by outside agencies.
 - E. Lines and grades by the General Contractor.
 - F. Supply and installation of tie rods.
 - G. Supply and installation of all loose hardware, for example: plates, rods, nuts, washers, 1"φ x 12" diaphragm bolts, etc.
 - H. Epoxy grouting or mortar grouting of all joints and/or shear keys.
 - I. Protection of precast after installation. Painting of connections, embeds or welds, or final cleaning of precast, or repairs of units damaged after erection by other trades.
 - J. Design and/or installation of bracing and restraint of precast from moving after erection either permanent or temporary. Includes but not limited to restraining precast from moving after they are set on bearing pads. A maximum of 15 minutes per girder has been allowed for bracing/restraint. Time in excess of 15 minutes will be charged at the overtime rate of crane and crew.
 - K. Precast will be set to the General Contractor's transverse and longitudinal lines. Any repositioning of slabs after they are set to the General Contractor's lines will be charged at the overtime rate of the crane and crew.
 - L. Con-Fab California Corporation does not provide Performance and/or Payment Bonds – unless requested.
 - M. Removal and de-energizing of power lines and other overhead obstructions by the General Contractor.
 - N. Supply and installation of Bearing Pads.
 - O. Con-Fab California Corporation will not be responsible for taking field measurements required to determine girder lengths. General Contractor should ensure that field dimensions are given to Con-Fab California Corporation prior to casting.
 - P. Liquidated Damages.
- 13) **PAYMENT TERMS:** Regardless of the terms of the MAIN CONTRACT between the General Contractor and the owner the following terms shall govern payments for work done by Con-Fab California Corporation.
- A. Progress payments to be paid monthly in full, for work done, including for precast fabricated and stored in our yard prior to shipment to the jobsite.
 - B. Subcontracts: Retention to be 0% (Zero percent).
 - C. Purchase Orders (Supply Only): No Retention.
 - D. Terms net 30 days. 1% (one percent) per month will be charged on overdue accounts.
 - E. This quotation is good for 30 days.
- 14) **BONDING:** If required, premium to be paid by General Contractor.
- A. Great American Insurance Company
Bond rates are as follows:

First \$ 100,000 of contract price	\$ 25.00	per thousand
Next \$ 400,000 of contract price	\$ 15.00	per thousand
Next \$ 2,000,000 of contract price	\$ 10.00	per thousand
Next \$ 2,500,000 of contract price	\$ 7.50	per thousand

PROJECT NAME: CT-08-0N5504 RT 40
PROJECT LOCATION: RT 40 AT WATSON WASH

Ken R. Negrete, DBA Integrity Rebar Placers is pleased to submit the following offer/agreement for the above referenced project, subject to the terms and conditions specified herein. Performance of this Bid/Offer shall be governed by and in compliance with the **Concrete Reinforcing Steel Institute Manual of Standard Practices**. This offer represents the full scope and intent on the part of Integrity Rebar Placers to provide services and materials to Contractor.

This bid is submitted subject to and expressly conditioned upon all of the terms and conditions set forth below.

SCOPE OF WORK / PRICE

ITEM	DESCRIPTION	QUANTITY		UNIT PRICE	TOTALS
#57	(F) STRUCT CONC, APPROACH SLAB (TYPE N)	150	CY	212.3984	\$31,859.76
#62	(F) BAR REINFORCING STEEL (BRIDGE)	608,968	LB	1.0560	\$643,072.68
#75	(F) CONC BARRIER (TYPE 736)	1,630	LF	27.5501	\$44,906.61
EXCLUDE ALL OTHER BID ITEMS AND WORK				TOTAL	719,839.05

102,000

- Prices include applicable State and Local Sales Tax.
- Prices, as quoted, will remain firm for thirty (30) calendar days, after which time Integrity Rebar Placers reserves the right to revise this quotation.
- Prices / Bid items quoted are not for separate acceptance without prior approval.
- Integrity Rebar Placers' price is based on detailing, fabricating and placing on a normal five (5) day, forty (40) hour work week (all Union contract and nationally recognized holidays are observed). Performance will be based on conventional construction, timely receipt of (2) complete printed sets of plans, specifications (in addition to CADD files) and adequate written schedules to which Integrity Rebar Placers has agreed. Contractor shall furnish design information, locations of pour joints, and construction schedules in sufficient time to allow for preparation and approval of submittals, plus seven (7) working days for fabrication and delivery. Additional lead-time will be required for special mill rolling, spirals, epoxy coating and/or special mesh. Contract delays of more than forty five (45) days may result in additional cost of materials.
- Seller reserves the right to renegotiate additional price increases, for any shipments and/or placing after _____.

HOISTING/LOWERING:

Contractor shall furnish, without charge, suitable equipment fully operated for hoisting/lowering reinforcing steel, wire mesh, etc, including unloading trucks, staging of reinforcing to points of installation (into foundations and onto elevated decks, etc...) setting of columns/cages and /or assemblies, and power placing of individual bars that Integrity Rebar Placers may require. Contractor to provide a minimum of 90 hours of actual hook time (Hook time is the amount of time that the hoisting hook is actively supporting any reinforcing steel.) If Integrity Rebar Placers is to perform its own hoisting, add \$_____. (Hours and/or price provided do not include hoisting/lowering for F.O.B. trucks jobsite material and/or setting of tied and stockpiled cages or mats).

SPECIAL NOTES:

1. Payment and Performance Bonds may be provided at 1% if necessary.
2. Night work is excluded except by additive quote.

PLANS AND SPECIFICATIONS:

Specifications: Cal Tran's standard plans and specs. Dated 2010

Plans/Drawings: Bid Set

Addenda: # 1-2

Architect/Engineer: Caltrans

SCOPE OF WORK EXCLUSIONS

1. All testing and inspection and/or any related costs thereof other than mill test reports. (Rebar, mechanical couplers and/or welded hoop test bar samples to be provided F.O.B. trucks jobsite).
2. As-Built Drawings (Shop Drawings).
3. Plain (smooth) round bars, threaded bars, rods, sleeves, anchors, studs, bolts (anchor & misc.), and inserts.
4. Wrapping, coating, painting and/or greasing of reinforcing steel and/or wire mesh.
5. Supplying, installing, and /or maintaining any form of rebar cap or safety device on installed reinforcing steel or reinforcing steel on the ground/stored. (Per latest OSHA Standards)
6. Cost of pour watchman.
7. All permits and licenses, other than city/county business licenses and State Contractor's license, required for the work.
8. Cutting, burning, cleaning, straightening and/or bending of existing steel and/or improperly placed drill and grout/bond dowels.
9. Drilling, grouting, and dry packing / placing bars in drilled holes.
10. Payment and/or Performance Bonds. (Material Bond may be provided if available)
11. Cost of Bonds.
12. Furnishing and/or welding of dowels/anchors to miscellaneous steel and/or structural steel.
13. Metal tags (Integrity Rebar Placers' standard tags will be used to identify steel).
14. Any or all reinforcing steel, and/or wire mesh not shown on drawings unless specifically included in Scope of Work/Price.
15. **Placing or Shop Drawings prepared, reviewed, sealed or stamped by a licensed engineer.**
16. Providing and/or laying out holes in structural steel for reinforcing bars to pass.
17. All electrical bonding, grounding material (i.e. welding for cathodic protection).
18. All welding.
19. Breakout dowels and/or installation of same.
20. Prestressing and/or prestressing materials. (Including but not limited to any additional reinforcing steel required by any prestressing/post tensioning system)

21. Masonry Steel, other than deformed rebar.
22. Reinforcing for precast concrete items.
23. Reworking of any reinforcing steel and/or post-tensioned cables extending from precast piles.
24. The setting of tied and stockpiled F.O.B. Truck Jobsite cages as well as all spacer material and/or placing accessories required to position same. Reinforcing steel cages will be unloaded by Contractor and stockpiled at the jobsite in locations designated by Contractor. Relocation of stockpiled cages shall be Contractor's responsibility.
25. Epoxy Coated / Galvanized deformed and/or plain bars and/or wire mesh.
26. Field bending of rebar other than by additive quote.
27. The cost of reworking, rehabilitating and/or replacing reinforcing steel damaged or lost as a result of flood conditions. If storm damage should occur, responsibility for steel fully or partially in place, and for steel stored in locations designated by Contractor, shall be for Contractor's account.
28. Traffic control (Lane closures, barricades, flagmen, signs, lights, etc.).
29. All site work, including but not limited to paving, sidewalks, curb and gutter, storm drain items such as catch basins, clean-outs, inlets, outlets, manholes, headwalls, collars, etc. unless specifically included in Scope of Work/Price.
30. Diaphragm dowels or bolts required for precast members.
31. Protection of exposed steel for future construction.

GENERAL CONDITIONS

1. Contractor's acceptance of all of the terms and conditions of this Bid/Offer shall be conclusively evidenced by Contractor listing, permitting/directing performance, or signing and returning this offer.
2. Integrity Rebar Placers may begin performance of the work, pending receipt of an executed final agreement. However, should a final mutually acceptable agreement not be forthcoming or should the terms and conditions of Integrity Rebar Placers offer be altered or modified, Integrity Rebar Placers reserves the right to immediately stop performance and Contractor agrees to indemnify Integrity Rebar Placers for all costs and loss of profit.
3. The following items, as required, are to be provided by Contractor, fully erected for use at all locations necessary without charge to Integrity Rebar Placers:
 - A. Grades and Lines.
 - B. Templates.
 - C. Racks, Ramps, Ladders, Cal-Osha approved Heavy Duty scaffolding (per sections 1926 subpart L App. A & E).
 - D. Full access to all working areas for material, equipment and manpower.
 - E. Level space for delivery, assembly and storage of steel, accessible to tractor-semi-trailer deliveries and adjacent to jobsite location where steel is to be used and/or hoisted/lowered.
 - F. Adequate lighting as required, sanitary facilities, trash bins, etc.
 - G. As required, adequate electrical power and compressed air (90 PSI Min.).
4. Subcontractor shall be paid monthly progress payments equal to one hundred percent (100%) of monthly billings within ten days (10) days of Contractor receiving payment from project owner for value of work completed, plus Owner approved amount of materials on hand and/or equipment (if any) suitably stored on or off site. Contractor shall, at all times, be financially responsible to Integrity Rebar Placers for labor and material supplied pursuant to this offer. If a dispute arises between Contractor and Owner that delays receipt of payment by Contractor from Owner, unrelated to the performance of or materials supplied by Subcontractor, Contractor shall make progress and/or retention payment to Subcontractor within a reasonable time. A reasonable time for payment from Contractor to Subcontractor shall be defined as being due 45 days from Subcontractor's progress billing date.
5. Contractor shall not withhold retention greater than that being withheld by the Owner from the Contractor and shall immediately reduce retention withheld from Subcontractor, by a like percentage, when reduced to Contractor by Owner. In no event shall retention withheld by Contractor from Integrity Rebar Placers exceed the percentage withheld from Contractor by Owner. Final retention payment shall be made not later than 35 days from date Integrity Rebar Placers has completed its scope of work.
6. No retention shall be withheld on FOB and/or tied and stockpiled material, if approved by Owner.
7. Integrity Rebar Placers shall not be required to continue performance if, after Contractor has received payment for the properly

performed work of Integrity Rebar Placers, timely payments are not made to Integrity Rebar Placers.

8. All sums not paid when due shall bear an interest rate of 2% per month or the maximum legal rate permitted by law, whichever is greater; and all costs of collection, including a reasonable attorney's fee, shall be paid by Contractor as prescribed by Section 7108.5 of the California Business and Professions Code.
- No provision of this Subcontract shall serve to void Integrity Rebar Placers entitlement to payment for properly performed contract/extra work or suitably stored materials, or to void Subcontractor's right to file a lien, stop notice, and/or claim on its behalf.
10. Neither party will have the right of set-off against the other party for any reason.
11. If Integrity Rebar Placers is required by the Contractor to perform change order/extra work, said extra work must be authorized in writing by Contractor's Field Management personnel having apparent authority to authorize such extra work or an officer of the Contractor. Such written/executed directives from the Contractor shall constitute acceptance of financial responsibility by Contractor and a billable event upon completion of the work.
12. No back charges or claims of the Contractor for services provided shall be valid except by an agreement in writing, agreed to between the parties prior to services being provided.
13. Field labor called for herein is to be performed during Integrity Rebar Placers regular working hours, eight hours per day, five days a week (all Union Holidays are observed), unless required and agreed to during bid negotiations. All work performed outside of such hours shall be charged at Integrity Rebar Placers standard rates for overtime, weekend, or holiday work. Integrity Rebar Placers standard rates are per Caltrans force account rates. (Labor Surcharge % per Concrete Construction - Bridge) However, should Integrity Rebar Placers be behind the preapproved construction schedule, all overtime/premium time required to regain the construction schedule shall be for subcontractor's account.
14. Integrity Rebar Placers will indemnify, defend and save harmless Contractor and Contractor's customer from Integrity Rebar Placers proportionate share of liability for claims attributable to bodily injury (including death) and/or property damage (to other than the Work itself) to the extent caused by the negligence or intentional misconduct of Integrity Rebar Placers or anyone directly or indirectly employed by Integrity Rebar Placers. Subcontractor will name Contractor and Contractor's customer as additional insured on Subcontractor's insurance policies only if required to do so by the Contract Documents and only by means of Subcontractor's standard additional insured endorsement. Indemnification and insurance provided by Integrity Rebar Placers shall not extend coverage to Architects, Engineers or other design professionals. Indemnification and insurance coverage shall be limited to Contractor and Contractor's customer only.
- Integrity Rebar Placers carries the following insurance coverage's.
General Liability: Carrier-A.M. Best Rated A X Non-Admitted. Form: CG2001 10/01-2001 ISO Occurrence Commercial General Liability including products. Limits: Each Occurrence \$1,000,000. General Aggregate \$2,000,000 Products/Comp Ops Aggregate \$2,000,000 Personal Injury & Advertising \$1,000,000 Medical Payments-Per Person \$5,000 Fire Legal Damage \$50,000.
Workers Compensation: Carrier: State Compensation Insurance Fund, Statutory includes Employers Liability.
15. Contractor shall provide Integrity Rebar Placers with copies of all contract documents applicable to Integrity Rebar Placers performance, duties, or obligations at its Headquarters Office.
16. Subcontractor shall be provided a mutually approved construction schedule providing a reasonable time in which to make delivery of submittals, materials and/or labor so as to commence and complete the performance of the Subcontract.
17. Subcontractor shall not be responsible for delays, accelerations, or defaults where occasioned by any causes beyond its control, including but not limited to: delays caused by the Owner, General Contractor, Architect and/or Engineers.
18. Subcontractor shall be entitled to equitable adjustment in the subcontract amount for additional costs due to unanticipated project delays or accelerations caused by the Contractor or others under the direct control of Contractor, and whose acts is not Subcontractor's responsibility.
19. The Contractor shall make no demand for liquidated damages for delays in excess of the amount specified in the Contract Documents and no liquidated damages may be assessed against Subcontractor for more than its proportionate share of the amount paid by the Contractor for unexcused delays to the extent actually caused by Subcontractor.
21. Splices in reinforcing bars and/or construction joint dowels for Contractor's convenience shall be for Contractor's account. Also splices required due to low overhead, power lines and/or deficiencies in hoisting equipment unless specifically shown on contract drawings at that particular location shall be for Contractor's account.
22. Integrity Rebar Placers shall not be liable for repair of any damage caused by others outside the control of Integrity Rebar Placers. Approval for pouring or embedment in concrete shall constitute acceptance by Contractor of that portion of work and shall terminate Integrity Rebar Placers responsibility. Required remedial work, due to damage caused by others shall be for Contractor's account.
24. Cost of Ironworker show-up and/or stand-by time, scheduled by Contractor, when work is not ready shall be for Contractor's account.

- 25. Contractor shall furnish, without charge, templates/starter walls constructed with sufficient accuracy to support vertical reinforcing steel within placing tolerances specified by Owner. Templates/Starter walls shall not be double formed before reinforcing steel is installed unless prior approval has been granted.
- 26. Contractor shall furnish adequate parking for all Integrity Rebar Placers employees at no cost to Integrity Rebar Placers within three (3) standard blocks of the jobsite. If Contractor does not provide this parking, Contractor will pay Integrity Rebar Placers for all parking related costs including cost of vehicle parking, cost of shuttle services and travel time costs while employees are in transit unless specifically included in Scope of Work / Price or by additive quote.
- 27. Contractor will provide full access to all areas of the project for at least one (1) Integrity Rebar Placers' Foreman truck to provide supplies and accessories as needed for the project.
- 28. Contractor shall furnish approved work drawings of the temporary support system for columns, wall cages and/or any assemblies regardless of height, which the bid documents, may require. Contractor shall furnish and maintain adequate bracing, rigging, cables and guys, set all deadmen required to guy vertical reinforcing, and comply with the temporary system design (Rigging includes but is not limited to: chokers, shackles, spreader bars, etc....). Prior to hoisting support being removed, Contractor to inspect, approve compliance with temporary support system plan, and accept work.
- 29. Ramps adequate to allow semi tractor-trailer deliveries of reinforcing to point of final placement shall be furnished by Contractor for all work below grade and shall be maintained in place until all work below grade is complete. If above ramps are not provided, all cost for equivalent service shall be for Contractors account.
- 30. Masonry steel to be F.O.B. trucks jobsite, with Contractor agreeing to accept all responsibility for any shortages and/or replacement costs discovered twenty-four (24) hours subsequent to delivery. Unless shown otherwise on plan drawings, masonry vertical reinforcing is to be furnished in one piece, full height between stories of structure. If four-foot (4' 0") vertical lifts are required, Contractor and/or Contractor's subcontractor to assume all costs for additional splices required. All horizontal reinforcing #5 and smaller will be furnished in stock lengths plus corner bars.
- 31. Contractor shall furnish, at no cost to Integrity Rebar Placers hoisting/lowering of employees and materials to points of installation, wherever required.
- 32. Contractor shall furnish layout of dowels, which extend into masonry.

Accepted this 9 day of February, 2016

Performance of this Bid/Offer shall be governed by and in compliance with the **Concrete Reinforcing Steel Institute Manual of Standard Practice**. This offer represents the full scope and intent on the part of LA Steel Services to provide services and materials to Contractor.

This bid is submitted subject to and expressly conditioned upon all of the terms and conditions set forth below.

PLANS AND SPECIFICATIONS:

Specifications: Caltrans 2010

Addendum: # 1-2

Plans/Drawings: Pages 1-110 of 110 Page Bid Set

Architect/Engineer: Caltrans

PRICING CONDITIONS:

- **Prices, as quoted, will remain firm for thirty (30) calendar days**, after which time LA Steel Services reserves the right to revise this quotation.
- Prices / Bid items quoted are not for separate acceptance without prior approval.
- Seller reserves the right to renegotiate additional price increases, for any shipments and/or placing after the projected end of the job per timeline and schedule as out-lined in the specifications at time of bid.
- LA Steel Services' price is based on detailing, fabricating, and placing on a normal five (5) day, forty (40) hour work week (all Union contract and nationally recognized holidays are observed). Performance will be based on conventional construction, timely receipt of two (2) complete printed sets of plans, specifications (in addition to CADD files) and adequate written schedules to which LA Steel Services has agreed. Contractor shall furnish design information, locations of pour joints, and construction schedules in sufficient time to allow for preparation and approval of submittals, plus seven (7) working days for fabrication and delivery. Additional lead-time will be required for special mill rolling, spirals, epoxy coating, and/or special mesh. Contract delays of more than forty-five (45) days may result in additional cost of materials.

SCOPE OF WORK/PRICE

BID ITEM	DESCRIPTION	QUANTITY	UNIT PRICE	TOTAL
57 (F)	Structural Concrete, Approach Slab (Type N)	150 CY	\$ 252.4400	\$ 37,866.00
62 (F)	Bar Reinforcing Steel (Bridge)	608,968 LB	\$ 0.9613	\$ 585,388.00
75 (F)	Concrete Barrier (Type 736)	1,630 LF	\$ 16.0558	\$ 26,171.00
				\$ 649,425.00

HOISTING/LOWERING:

Contractor shall furnish, without charge, suitable equipment fully operated for hoisting/lowering reinforcing steel, wire mesh, etc., including unloading trucks, staging of reinforcing to points of installation (into foundations and onto elevated decks, etc...) setting of columns/cages and/or assemblies, and power placing of individual bars that LA Steel Services may require. **Contractor to provide a minimum of 84 hours of actual hook time.** (Hook time is the amount of time that the hoisting hook is actively supporting any reinforcing steel.) (Hours and/or price provided do not include hoisting/lowering for F.O.B. trucks jobsite material and/or setting of tied and stockpiled cages or mats).

SPECIAL NOTES:

1. Night work is excluded except by additive quote.

SCOPE OF WORK EXCLUSIONS

1. All testing and inspection and/or any related costs thereof other than mill test reports. (Rebar, mechanical couplers and/or welded hoop test bar samples to be provided F.O.B. trucks jobsite).
2. As-Built Drawings (Shop Drawings).
3. Plain (smooth) round bars or dowels, threaded bars, form savers, rods, sleeves, sheathing, anchors, studs, bolts (anchor & misc.), and inserts.
4. Wrapping, coating, painting and/or greasing of reinforcing steel and/or wire mesh.
5. Supplying, installing, and /or maintaining any form of rebar cap or safety device on installed reinforcing steel or reinforcing steel on the ground/stored (per latest OSHA Standards).
6. Cost of pour watchman.
7. All permits and licenses, other than city/county business licenses and State Contractor's license, required for the work.
8. Cutting, burning, cleaning, straightening and/or bending of existing steel and/or improperly placed drill and grout/bond dowels.
9. Drilling, grouting, and dry packing/placing bars in drilled holes
10. Payment and/or Performance Bonds. (Material Bond may be provided if available.)
11. Furnishing and/or welding of dowels/anchors to miscellaneous steel and/or structural steel
12. Metal tags (LA Steel Services or fabricators standard tags will be used to identify steel).
13. Any and all reinforcing steel, and/or wire mesh not shown on drawings unless specifically included in Scope of Work/Price.
14. Placing or Shop Drawings prepared, reviewed, sealed or stamped by a licensed engineer.
15. Providing and/or laying out holes in structural steel for reinforcing bars to pass.
16. All electrical bonding and/or grounding material (i.e. welding for cathodic protection).
17. All welding.
18. Pre-stressing and/or pre-stressing materials. (Including but not limited to, any additional reinforcing steel required by any pre-stressing/post tensioning system.)

19. Masonry Steel.
20. Reinforcing for precast concrete items.
21. The setting of tied and stockpiled F.O.B. Truck Jobsite cages as well as all spacer material and/or placing accessories required to position same. Reinforcing steel cages other than over-length or job-site built cages will be unloaded by Contractor and stockpiled at the jobsite in locations designated by Contractor. Relocation of stockpiled cages shall be Contractor's responsibility.
22. Epoxy Coated/Galvanized deformed and/or plain bars and/or wire mesh.
23. Field bending of rebar other than by additive quote.
24. The cost of reworking, rehabilitating and/or replacing reinforcing steel damaged or lost as a result of flood conditions. If storm damage should occur, responsibility for steel fully or partially in place, and for steel stored in locations designated by Contractor, shall be for Contractor's account.
25. Traffic control (lane closures, barricades, flagmen, signs, lights, etc.).
26. All site work, including but not limited to paving, sidewalks, curb and gutter, storm drain items such as catch basins, clean-outs, inlets, outlets, manholes, headwalls, collars, etc. unless specifically included in Scope of Work/Price.
27. Protection of exposed steel for future construction.
28. Overtime premiums and/or shift work.
29. Removal of spoils from footings and small wire clippings caused by normal reinforcing installation.

GENERAL CONDITIONS

1. Contractor's acceptance of all of the terms and conditions of this Bid/Offer shall be conclusively evidenced by Contractor listing, permitting/directing performance, or signing and returning this offer.
2. LA Steel Services may begin performance of the work, pending receipt of an executed final agreement. However, should a final mutually acceptable agreement not be forthcoming or should the terms and conditions of LA Steel Services offer be altered or modified, LA Steel Services reserves the right to immediately stop performance and Contractor agrees to indemnify LA Steel Services for all costs and loss of profit.
3. The following items, as required, are to be provided by Contractor, fully erected for use at all locations necessary without charge to LA Steel Services:
 - A. Lines, grades, supporting templates, layout, racks, ramps, ladders, sanitary facilities, trash bins, adequate lighting, and Cal-OSHA approved Heavy Duty scaffolding (per sections 1926 subpart L App. A & E).
 - B. Full access to all working areas for material, equipment, manpower, and level space for delivery, assembly and storage of steel, accessible to tractor-semi-trailer deliveries and within 25 feet of where materials are to be used or hoisted.
 - C. As required, adequate electrical power and compressed air (90 PSI Min.).
 - D. Adequate areas for staging, storage, and pre-assembly of materials.
4. Subcontractor shall be paid monthly progress payments equal to one hundred percent (100%) of monthly billings within ten days (10) days of Contractor receiving payment from project owner for value of work completed, plus Owner approved amount of materials on hand and/or equipment (if any) suitably stored on or off site. Contractor shall, at all times, be financially responsible to LA Steel Services for labor and material supplied pursuant to this offer. If a dispute arises between Contractor and Owner that delays receipt of payment by Contractor from Owner, unrelated to the performance of or materials supplied by Subcontractor, Contractor shall make progress and/or retention payment to Subcontractor within a reasonable time. A reasonable time for payment from Contractor to Subcontractor shall be defined as being due 45 days from Subcontractor's progress billing date.
5. Contractor shall not withhold retention greater than that being withheld by the Owner from the Contractor and shall immediately reduce retention withheld from Subcontractor, by a like percentage, when reduced to Contractor by Owner. In no event shall retention withheld by Contractor from LA Steel Services exceed the percentage withheld from Contractor by Owner. Final retention payment shall be made not later than 35 days from date LA Steel Services has completed its scope of work.
6. No retention shall be withheld on FOB and/or tied and stockpiled material, if approved by Owner.
7. LA Steel Services shall not be required to continue performance if, after Contractor has received payment for the properly performed work of LA Steel Services, timely payments are not made to LA Steel Services.
8. All sums not paid when due shall bear an interest rate of 2% per month or the maximum legal rate permitted by law, whichever is greater; and all costs of collection, including a reasonable attorney's fee, shall be paid by Contractor as prescribed by Section 7108.5 of the California Business and Professions Code.
9. No provision of this Subcontract shall serve to void LA Steel Services entitlement to payment for properly performed contract/extra work or suitably stored materials, or to void Subcontractor's right to file a lien, stop notice, and/or claim on its behalf.
10. Neither party will have the right of set-off against the other party for any reason.
11. If LA Steel Services is required by the Contractor to perform change order/extra work, said extra work must be authorized in writing by Contractor's Field Management personnel having apparent authority to authorize such extra work or an officer of the Contractor. Such written/executed directives from the Contractor shall constitute acceptance of financial responsibility by Contractor and a billable event upon completion of the work. **Extra/CCO shall be net 30 days regardless of being paid by owner.**
12. No back charges or claims of the Contractor for services provided shall be valid except by an agreement in writing, agreed to between the parties prior to services being provided.

13. Field labor called for herein is to be performed during LA Steel Services regular working hours, eight hours per day, five days a week (all Union Holidays are observed), unless required and agreed to during bid negotiations. All work performed outside of such hours shall be charged at LA Steel Services standard rates for overtime, weekend, or holiday work. LA Steel Services standard rates are per Caltrans force account rates. (Labor Surcharge % per Concrete Construction - Bridge) However, should LA Steel Services be behind the preapproved construction schedule, all overtime/premium time required to regain the construction schedule shall be for subcontractor's account.
14. LA Steel Services will indemnify, defend and save harmless Contractor and Contractor's customer from LA Steel Services' proportionate share of liability for claims attributable to bodily injury (including death) and/or property damage (to other than the Work itself) to the extent caused by the negligence or intentional misconduct of LA Steel Services or anyone directly or indirectly employed by LA Steel Services. Subcontractor will name Contractor and Contractor's customer as additional insured on Subcontractor's insurance policies only if required to do so by the Contract Documents and only by means of Subcontractor's standard additional insured endorsement. Indemnification and insurance provided by LA Steel Services shall not extend coverage to Architects, Engineers or other design professionals. Indemnification and insurance coverage shall be limited to Contractor and Contractor's customer only.
15. LA Steel Services carries the following insurance coverage's.
General Liability: Carrier-A.M. Best Rated A X Non-Admitted. Form: CG2001 10/01-2001 ISO Occurrence Commercial General Liability including products. Limits: Each Occurrence \$1,000,000. General Aggregate \$2,000,000 Products/Comp Ops Aggregate \$2,000,000 Personal Injury & Advertising \$1,000,000 Medical Payments-Per Person \$5,000 Fire Legal Damage \$50,000.
Workers Compensation: Carrier: State Compensation Insurance Fund, Statutory includes Employers Liability.
16. Contractor shall provide LA Steel Services with copies of all contract documents applicable to LA Steel Services performance, duties, or obligations at its Headquarters Office.
17. Subcontractor shall be provided a mutually approved construction schedule providing a reasonable time in which to make delivery of submittals, materials and/or labor so as to commence and complete the performance of the Subcontract.
18. Subcontractor shall not be responsible for delays, accelerations, or defaults where occasioned by any causes beyond its control, including but not limited to: delays caused by the Owner, General Contractor, Architect and/or Engineers.
19. Subcontractor shall be entitled to equitable adjustment in the subcontract amount for additional costs due to unanticipated project delays or accelerations caused by the Contractor or others under the direct control of Contractor, and whose acts is not Subcontractor's responsibility.
20. The Contractor shall make no demand for liquidated damages for delays in excess of the amount specified in the Contract Documents and no liquidated damages may be assessed against Subcontractor for more than its proportionate share of the amount paid by the Contractor for unexcused delays to the extent actually caused by Subcontractor.
21. Splices in reinforcing bars and/or construction joint dowels for Contractor's convenience shall be for Contractor's account. Also splices required due to low overhead, power lines and/or deficiencies in hoisting equipment unless specifically shown on contract drawings at that particular location shall be for Contractor's account.
22. LA Steel Services shall not be liable for repair of any damage caused by others outside the control of LA Steel Services. Approval for pouring or embedment in concrete shall constitute acceptance by Contractor of that portion of work and shall terminate LA Steel Services responsibility. Required remedial work, due to damage caused by others shall be for Contractor's account.
23. Cost of Ironworker show-up and/or stand-by time, scheduled by Contractor, when work is not ready shall be for Contractor's account.
24. Contractor shall furnish, without charge, templates/starter walls constructed with sufficient accuracy to support vertical reinforcing steel within placing tolerances specified by Owner. Templates/Starter walls shall not be double formed before reinforcing steel is installed unless prior approval has been granted.
25. Contractor shall furnish adequate parking for all LA Steel Services employees at no cost to LA Steel Services within three (3) standard blocks of the jobsite. If Contractor does not provide this parking, Contractor will pay LA Steel Services for all parking related costs including cost of vehicle parking, cost of shuttle services and travel time costs while employees are in transit unless specifically included in Scope of Work/Price or by additive quote.
26. Contractor will provide full access to all areas of the project for at least one (1) LA Steel Services' Foreman truck to provide supplies and accessories as needed for the project.
27. Ramps adequate to allow semi tractor-trailer deliveries of reinforcing to point of final placement shall be furnished by Contractor for all work below grade and shall be maintained in place until all work below grade is complete. If above ramps are not provided, all cost for equivalent service shall be for Contractors account.
28. Contractor shall furnish adequate working heavy duty OSHA scaffolding/platforms and windscreens as required from which welding, mechanical coupling and placing of reinforcing steel can be safely performed.
29. Contractor shall provide and secure in place all supports in tunnels and shafts, which LA Steel Services may require for supporting and placing steel.
30. Subcontractor shall not be responsible for material replacement cost due to theft and or lost on job, when materials are scheduled by contractor and not used promptly.
31. Contractor shall furnish approved work drawings of the temporary support system for columns, wall cages and/or any assemblies regardless of height, which the bid documents, may require. Contractor shall furnish and maintain adequate bracing, rigging, cables and guys, set all deadmen required to guy vertical reinforcing, and comply with the temporary system design (Rigging includes but is not limited to: chokers, shackles, spreader bars, etc...). Prior to hoisting support being removed, Contractor to inspect, approve compliance with temporary support system plan, and accept work.

Re: Small Business Enterprise Certification

Dear SAROEUNG POCH:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Small Business Enterprise (SBE) as required under Metro's SBE Program. Your firm will be listed in Metro's SBE database of certified SBEs under the following specific areas of expertise:

NAICS (2007)	Description
238120	Structural Steel and Precast Concrete Construction

Your SBE certification is good for five years from the date of this letter and applies only for the above NAICS 2007 codes. Any additions and revisions must be submitted to Metro for review and approval.

After the five-year certification period, your entire file will be reviewed in order to ascertain continued SBE certification status. You will be notified of the pending SBE status review and any documentation updates necessary prior to the expiration date.

Also, should any changes occur that could affect your certification status prior to receipt of the renewal application, such as changes in your firm's name, business/ mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your SBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records, and documents by Metro.

Congratulations, and thank you for your interest in Metro's SBE Program. Should you have any questions, please contact us at 213-922-2600. For information on Metro contracting opportunities, please visit our website at www.metro.net.

Sincerely,

Certified UDBE by U.S. DOT: CUCP#38803

Certified SB by State of California D.G.S. Supplier #1250920

Certified MBE & SBE by Metro: Metro File #5342

CONDITIONS:

1. Performance shall be based on conventional construction; timely receipt of construction documents and information; and a written schedule, based on a normal 5-day, 40 hour straight-time work week, to which Subcontractor is a party. A minimum of ten (10) working days for detailing and five (5) days for fabrication and delivery of materials is required.
2. Re-detailing and/or estimating resulting from design changes shall be billed at the rate of \$75.00 per hour.
3. Subcontractor shall not be required to continue the performance of work considered by the Subcontractor to be outside the scope of the work hereunder unless resolution of Subcontractor's submitted notices and valuation of such previous work is timely (i.e. within 30 days of Contractor's receipt of such notice). No change order work shall be performed when unresolved change order requests exceed five percent (5%) of the contract value.
4. Buyer to provide the following at no cost:
 - a. Lines, grades, supporting templates, layout, ramps, sanitary facilities, trash bins, and scaffolding.
 - b. Safe access to points of work, including tractor-trailer access to installation locations or to within 25 feet of where materials are to be used or hoisted.
 - c. **Protection of vertical reinforcing steel where required by safety regulations.**
 - d. Verification of existing conditions and all field measurements of same for the purpose of shop drawing preparation prior to fabrication of reinforcing steel.
 - e. Adequate areas for staging, storage, and pre-assembly of materials.
 - f. Traffic control, barricades, lane closures and all related permits.
 - g. Electronic drawings.
 - h. **Operated crane service during straight time working hours for unloading of trucks, hoisting and/or lowering of reinforcing materials adjacent to points of work, and setting pre-assembled elements**
 - i. Parking for subcontractor's employees
5. In the event either Contractor or Subcontractor institutes a suit against the other in connection with any matter arising from this agreement, the prevailing party shall be entitled to recover from the other its reasonable attorney's fees and costs.
6. In the event the Contractor considers the performance of the Subcontractor to be delaying the progress of the work, Contractor shall provide timely written notification to the Subcontractor.
7. If Subcontractor is directed to proceed with any work in conjunction with this proposal, said direction shall constitute an acceptance of the terms, conditions and exclusions set forth herein and this document shall constitute a formal contract between the Subcontractor and Contractor for the performance of such work. Any contract created hereunder may only be superseded or supplemented by an acceptable written agreement executed by both the Subcontractor and Contractor.

Certified MBE & SBE by Metro: Metro File #5342

Date: February 8, 2016
Estimate #: E16-016
Project: Caltrans 08-0N5504

Empire Steel (a union contractor), hereinafter called Subcontractor, proposes subject to the terms and conditions herein, to furnish and/or install concrete reinforcing materials in accordance with the CRSI Manual of Standard Practice, per the following documents:

Specifications: Special Provisions (12/21/15)
Addendums: #1(1/29/16) and #2(2/2/16)
Drawings: 1 to 110 (6/25/15)

INCLUSIONS:

1. Furnish, fabricate, and install deformed reinforcing bars for cast-in-place concrete
2. Furnish welding of rebar to rebar at hoops only

EXCLUSIONS:

1. **Testing or inspection other than the furnishing of certified mill test reports.**
2. Cost of bonds. **(add .70% if Payment & Performance Bonds are required)**
3. OT premiums and/or shift work
4. Design of temporary supports.
5. Engineers stamp on shop drawings or calculations.
6. Stray current protection, including but not limited to brazing copper, insulation, connection welding, neoprene or epoxy.
7. Exothermic welding.
8. Test panel rebar.
9. Test Pile rebar.
10. Furnishing and/or installing rebar protective caps
11. Burning, cutting, and/or drilling of holes in structural steel to allow rebar to pass through
12. Smooth dowels, galvanized and/or epoxy coated bars, form savers, threaded bars, couplers, anchors, bolts, studs, sheathing, sleeves, or inserts.
13. Wrapping, coating, painting, or greasing of dowels.
14. Cutting, drilling, grouting, or dry-packing, and/or placing of grouted dowels.
15. Welding of rebar to rebar; furnishing and/or welding of dowels to structural and/or miscellaneous iron
16. Cost of pour watchman other than during normal 40 hour straight-time work week while Subcontractor is performing scheduled work; standby time for pour watch
17. Splices in reinforcing bars, field bending and/or construction joint dowels for Contractor's convenience.
18. Reinforcing materials in precast items
19. Performance of change order work when unresolved change order requests exceed five percent (5%) of the contract value.
20. Participation in "Joint Clean-up Crews"
21. Cost of remedial work and/or replacement of materials made necessary by water or flood damage to reinforcing steel following delivery or installation as directed by Contractor.
22. Removal of spoils from footings and small wire clippings caused by normal reinforcing installation
23. Special insurance provisions including Owners/Contractors Protective Liability and Contractors' Pollution Liability
24. CMU reinforcing (none shown)
25. Reworking of existing reinforcing
26. Galvanized threaded bars or coupling nuts at approach slabs
27. All work or bending of rebar extending from precast
28. Allowance or specification steel.
29. Reinforcing steel for any bid item not listed herein.

RE: Disadvantaged Business Enterprise Certification

Dear SAROEUNG POCH:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. This certification will be recognized by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS codes form of the application package:

NAICS (2007)	Description
238120	Structural Steel and Precast Concrete Construction

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database which can be accessed at the CUCP's website at www.californiaucp.org. Any additions and revisions must be submitted to Metro for review and approval.

In order to ensure your continued DBE status, you are required to submit an annual No Change Declaration Form (which will be sent to you) along with supporting documentation. If no changes are noted, then your DBE status remains current. If there are changes, Metro will review to determine continued DBE eligibility. Please note, your DBE status remains in effect unless Metro notifies you otherwise.

Should any changes occur that could affect your certification status prior to receipt of the No Change Declaration Form, such as changes in your firm's name, business/ mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records and documents by Metro.

CLARIFICATIONS:

1. Contractor to provide monthly progress payments for all completed work in accordance with the bid pricing schedule. Monthly progress payments must be received in full by Super Seal & Stripe no later than 10 calendar days after the Contractor receives payment from Owner for our completed work. Delinquent payments will be subject to the highest interest rate allowed by law.
2. Retainage percentage on monthly progress payments to be no greater than the percentage retained by the Owner on its payment to the Contractor. If Owner reduces the retainage percentages on payments to the Contractor, the Contractor shall likewise reduce the retainage percentage on payment to Super Seal & Stripe. Full retention to be released no later than thirty, (30) days after completion of Super Seal & Stripe's work. Excessive or delinquent retainage will be subject to the highest interest rate allowed by law.
3. Any required Testing, Engineering, Design, Permits, Licenses or Applications, and the like, to be provided by others.
4. Prices are based on Plans & Specifications available at bid time, including all addenda. Any request for work (post bid) under conditions differing from those represented by the Prime Contract Documents, including but not limited to; altered phasing or staging, design changes, modified layout, resulting from plan errors or inaccurate designs, will require payment for additional work to be made to Super Seal & Stripe at an amount agreed upon prior to performing this work. If an amount cannot be agreed upon prior to performing the additional work the amount will be determined using Caltrans Force Account Rates or unit prices established in the bid pricing schedule, or a combination thereof; established in the bid pricing schedule, or a combination thereof; whichever method results in a higher overall payment.
5. Super Seal & Stripe is not responsible for delays caused by and or resulting from activities or non activities of others, including but not limited to, Owner, Contractor, Vendors, Suppliers, other subcontractors and other factors not in direct control of Super Seal & Stripe. For the delays caused by the aforementioned, Super Seal & Stripe will be reimbursed for all direct and indirect costs plus a mark up of forty percent, (40%) or as specified and allowed by the Prime Contract if the delays are caused by the Owner. Super Seal & Stripe will be granted an extension of time to perform its work tantamount to the delays.
6. Super Seal & Stripe requires (15) days notice prior to commencement of any production activity. If any of Super Seal & Stripe's work will be a controlling operation on the critical path of this project, Super Seal & Stripe must be notified in writing prior to execution of the Subcontract Agreement and provided with a CPM schedule which details this work. Failure to provide this information will waive the Contractor's right to recover liquidated damages from Super Seal & Stripe for this work.
7. All changes to the original scope of work proposed extra work must be directed by the Contractor in writing prior to Super Seal & Stripe performing this work.
8. For the purpose of this Subcontract Quotation one (1) move-in is considered to be: a period of consecutive eight (8) hour days of continuous work, not including weekends and holidays. Any discontinuities in this period, other than weekends and holidays, or for our own convenience, will be charged as an additional move-in at the Additional Move-in Charge as quoted herein.
9. Super Seal & Stripe must receive a letter of intent to award us the subcontract no later than (20) calendar days after bid date or this Subcontract Quotation becomes null and void.
10. Super Seal & Stripe is an Equal Opportunity and Affirmative Action employer, that adheres to laws & regulations of Executive order 11246 Sec. 503 as amended of Rehabilitation action 1973 as amended and 4211 (USC) Vietnam Veterans readjustment as amended.
11. If General Contractor or any of its sub-contractors work within Super Seal & Stripes traffic control, the expense will be shared accordinly at Super Seal & Stripe discretion. No advance posting, signing, or Portable CMS is included for Super Seal & Stripe Traffic Control.
12. Pre-Striping pavement preparation, including sweeping & curing compound removals, to be provided by others.
13. Any additional work in excess of the quantities price will be billed at the units. No discounts given for under-runs without prior approval of Super Seal & Stripe.
14. Upon acceptance of this proposal, all terms, conditions and exclusions on all pages of this proposal shall be incorporated into the contract as an addendum.

THIS PROPOSAL EXCLUDES BOND COSTS. CALL FOR BOND RATE.
