Dear Mr. Ortiz:

The Department of Transportation (Caltrans) received a bid submitted by Ortiz Enterprises, Inc. (Ortiz) for 08-0N5504 on February 9, 2016. By this letter, Caltrans notifies Ortiz that its bid is nonresponsive.

Subcontractor	Bid Item	Description Listed	Bid Item Description:	% of item
Super Seal & Stripe:	4	Lead Compliance	Traffic Control System	10
	8	Striping/Traffic	Traffic Plastic Drum	60
	12	Striping/Traffic	Temporary Crash Cushion Module	40

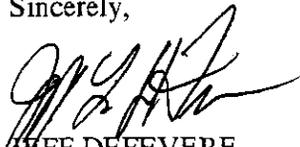

From the table above, Ortiz identified incorrect descriptions of work at bid time. The correct description of work listed in the above table indicates that the work to be performed by Super Seal & Stripe (SS&S) is traffic control. The performance of work associated with these bid items requires a subcontractor to hold an active C-31 Construction Zone Traffic Control contractor license and SS&S does not possess the required license.

Based on the above, Caltrans will proceed to award the contract to the lowest responsive bidder.

Your attention is directed to Section 3-1.04 of the Revised 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Manager, at (916) 227-6228.

Sincerely,

JEFF DEFEVERE
