RE: Caltrans Contract No: 08-0P3104; Bid Protest re: Smart Tech Group Inc.

SLS Construction Inc., hereby formerly submits this bid protest against bid issued by Smart Tech Group Inc. for Contract No. 08-0P3104 bid date 01/23/2014, on the basis of failure to properly list percentages of subcontracted items (failure to properly complete the Subcontractor List Form).

After reviewing Smart Tech Group Inc.'s DBE Commitment Form and Sub Contractors Price Quotes, it is apparent that Smart Tech misrepresented percentage of Subcontract Items in column 3 in which Smart Tech represents 100% for all items subcontracted. This column should indicate a percentage that is in conjunction with sub contractor price proposals for the various items listed. When comparing total item price on bid sheets verse Sub Contractors price proposals there is an obvious conflict. It is impossible to determine exactly how much Smart Tech Group Inc. intends to sub-contract.

Caltrans 2010 revised Standard Specifications, Section 2-1.33C states in part, "... *The Subcontractor List must show the name, address, and work portions to be performed by each subcontractor listed. Show work portions by bid item number, description, and percentage of each bid item subcontracted*".

If Smart Tech intends to pay more than Subcontractors Price Proposals this should be represented on DBE Commitment Form. As the DBE Commitment form states, "DBE Subcontractors and their respective item(s) of work listed above must be consistent, *where applicable*, with the names and items of work in the 'Subcontractor List' submitted with your bid." Also DBE's should be aware the exact dollar amount they are being listed for. After comparing all documents submitted by Smart Tech Group Inc.'s bid it is impossible to determine exactly what his total claimed participation is or how much they intend to pay to Subcontractors. This conflict must be recognized and Smart Tech Group Inc.'s bid should be found non-responsive and awarded to the next responsible bidder.

Sincerely,
SLS Construction Inc.

A handwritten signature in black ink, appearing to read "Brian Lauer".

WWW.KRCSAFETY.COM

Traffic Control System - Day or Night - Job # 08-0P3104

- 1 impact attenuator vehicle with driver \$885.00 per 8 hour shift *
- 1 man lane closures \$905.00 per 8 hour shift *
- 2 man lane closures \$1,405.00 per 8 hour shift
- 3 man lane closures \$2,255.00 per 8 hour shift - IAV included

Handwritten calculations:
 $885 \times 10 = 8850$
 $905 \times 11 = 9955$
 $\frac{8850}{10} = 885$
 $\frac{9955}{11} = 905$
 $885 + 905 = 1790$

All KRC SAFETY traffic control trucks come with the following:

- Up to 300 cones, (2) arrow boards, applicable equipment to close 2 lanes in same direction and or 1 lane in opposite directions, (8) beacons with batteries, & (24) flag stands. All traffic control trucks are also equipped with (1) T13 setup.

Please add the following amount to any shift price above:

- \$50.00 per additional arrow board per shift plus applicable delivery and pick up fees

Traffic Control Notes:

- If less than 3 consecutive shifts are performed please add 10% to quoted traffic control rates
- Cancellations made less than 6 hours notice of requested show up time will be charged at 40% of quoted rates, all cancellations MUST be received in written form, via fax or e-mail.
- Impact attenuator vehicle (IAV) & TC crews **subject to availability**
- If contractor elects to use (1) man closure option contractor must supply KRC with a qualified, knowledgeable traffic control tech to help set out and pick up equipment.
- Time starts when first piece of equip. is placed and ends when last piece of equip. is picked up.
- Please allow 30-90 minutes on each side of shift for placing and removing equipment.
- All overtime (8-12 hours) will be charged at \$95.00 per hour per man
- All double time (over 12 hours) will be charged at \$105.00 per hour per man
- All Saturday traffic control rates multiply by 1.45
- All Sunday traffic control rates multiply by 1.85
- **KRC does not charge additional fees for additional closures within the shift. We will set up and take down as needed within the work shift for the price you see quoted with the equipment mentioned above.**

Impact Attenuator Vehicle (IAV) - Rental Only - Subject to Availability

- \$350.00/day : \$1,500.00/week : \$3,250.00/month (month rate based on 30 calendar days)
- \$400.00 delivery fee per pcms : \$400.00 pick up fee per pcms
- proper insurance certificate must be on file with KRC prior to delivery

SUPPLIER CLEARINGHOUSE CERTIFICATE OF ELIGIBILITY

CERTIFICATE EXPIRATION DATE: 12-31-2015

The Supplier Clearinghouse for the Utility Supplier Diversity Program of the California Public Utilities Commission hereby certifies that it has audited and verified the eligibility of:

*KRC Safety Co., Inc.
of Visalia, California as a MBE*

pursuant to Commission General Order 156, and the terms and conditions stipulated in the Verification Application Package. This Certificate shall be valid only with the Clearinghouse seal affixed hereto.

Eligibility must be maintained at all times, and renewed within 30 days of any changes in ownership or control. Failure to comply may result in a denial of eligibility. The Clearinghouse may reconsider certification if it is determined that such status was obtained by false, misleading or incorrect information. Decertification may occur if any verification criterion under which eligibility was awarded later becomes invalid due to Commission ruling. The Clearinghouse may request additional information or conduct on- site visits during the term of verification to verify eligibility.

This certification is valid only for the period that the above named firm remains eligible as determined by the Clearinghouse. Utility companies may direct inquiries concerning this Certificate to the Clearinghouse at 800-359-7998 in Los Angeles.
