Dear Mr. Richardson:

The Department of Transportation (Caltrans) received a letter dated August 16, 2016, from Granite Construction Company (Granite), protesting the bids submitted by Matich Corporation, Inc., (Matich) and Sully-Miller Contracting Company (Sully-Miller) for the above aforementioned contract. The protest alleges that both Matich and Sully-Miller listed Alexis Fence (Alexis) on the Subcontractor List form without having a valid Department of Industrial Relations' Public Works Contractors Registration (PWCR) number at the time of bid. The protest further alleges that the Contractor's license number listed for Alexis (923859) belongs to Luis Parra Construction.

Caltrans confirms that the PWCR number listed for Alexis (1000037562) is registered to Luis Parra which lists Alexis as its Trade Name, was expired at the time of bid. However, the PWCR number provided was valid as of August 4, 2016, which is within the 10 days following the bid opening, as provided by the Contracts Specifications Section 2.133D(2)(b).

In addition, Caltrans also confirms that Alexis is not registered with the California State Licensing Board and that the license provided belongs to Luis Parra Construction.

Based on the above, Caltrans upholds Granites protest and finds the bids submitted by both Matich and Sully-Miller nonresponsive. Caltrans will proceed to award this contract to the lowest responsive and responsible, provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Manager, at (916) 227-6228.

Sincerely,
