B.O. 05/08/2014

Dear Mr. Works:

The Department of Transportation (Caltrans) received the attached letter dated May 29, 2014, from Cal Stripe, Inc. (Cal Stripe), in response to a protest determination dated May 27, 2014.

As previously stated in the response dated May 27, 2014, Caltrans did review the bid documents and re-confirms its opinion that Sterndahl Construction properly submitted its Subcontactors list form which indicates that 86% percent of the work associated with Traffic Control (Bid Item 3) will be performed by Maneri Traffic Control and that this percentage is not applied towards the DBE's participation.

Based on the above, Caltrans has not changed its position regarding this protest and will proceed to award this contract to Sterndahl.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Manager, at (916) 227-6228.

Sincerely,

JOHN C. McMILLAN
Deputy Division Chief
Office Engineer

Re: Follow-up in regard to Caltrans' response to our Bid Protest & Restating of our Bid Protest

Subject: Contract #08-0R2104 08-Riv-60-R0.0/11.9 Bid Date 05/08/2014

Dear Mr. McMillan;

I am a bit confused by the response I received in regard to my original bid protest!

Caltrans' response stated that Column 3 on Sterndahl's Subcontractors List is representative of the total amount of work to be performed by the subcontractor and the percentage listed is not applied to the bid item total.

Please see attachment "A"3 (How to submit a responsive bid). This page clearly states; Percentages are the amount of the bid item subcontracted divided by the bid item total. Is this not the case?

If Sterndahl Ent. listed Maneri Traffic Control to do 86% of Item #3 (Traffic Control); then wouldn't that mean Maneri Traffic Control would have to do 86% of $22,200.00, which equals $19,090.00? Please see attachments "B"1 & "B"2

Now; on the Caltrans "Bidder – DBE – Commitment" form that was submitted by Sterndahl Ent.
It states that they intend to use Maneri Traffic Control for Item #3 for a dollar amount of $23,602.00 ($1,402.00 more than the bid item total, and $4,512.00 more than the amount that Sterndahl committed to on their Subcontractors Listing).

Cal Stripe contends that Sterndahl Ent. has listed Maneri Traffic Control to do 86% ($19,090.00) of Item #3, and that they should only be allowed to claim the $19,090.00 for that Item on the DBE commitment form. If they had intended to use Maneri for more than that, then they should have increased the total for that bid item before submitting their bid.
Please see attachment "C".

Cal Stripe, Inc. once again contends that the numbers just do not add up, and Sterndahl's bid should be deemed Non-Responsive, and the contract should be awarded to the lowest responsible bidder.

Sincerely,

Stephen M. Works
Senior Estimator
Cal Stripe Inc.
