Subject: Request for Bid Relief

To Whom It May Concern:

Please consider this as Chrisp Company's request for bid relief for the above referenced project as a result of an inadvertent clerical error in our bid proposal. The clerical error has subjected our bid proposal to be materially different than what our firm intended it to be. The error was made in completing our bid proposal and is not due to error in judgment or carelessness in inspecting the work site or in reading the plans or specifications.

The error occurred when I was filling out the bid form utilizing our Bid Database excel quote form. I did not check the amount I wrote down in the lump sum traffic control amount. I wrote down \$7,500.00 instead of \$75,000.00

Chrisp Company respectfully requests that our bid proposal be withdrawn from consideration. Please accept sincere apology for any inconvenience this may have caused and appreciate your understanding in this important matter. Should you have any questions or concerns, please do not hesitate to contact me at (510)656-2840 ext. 116 or via email dmorris@chrispco.com.

David Morris
