Subject: Answer to bid protest for Contract # 08-or8604, 08-sbd-51.9, Bid opening 5/9/2013.

MGP Construction's bid protest on page 2, MGP quotes the Business and Professions Code as follows: "(a general building contractor can not take a subcontract involving trades other than framing or carpentry, unless the subcontract at least two unrelated trades or crafts other than framing or carpentry, or unless the general building contractor holds the appropriate license classification)".

We assert that Linear West will be performing three unrelated trades on this project. Electrical, Civil and Mechanical work will be performed by Linear West .

Several other issues are asserted by MGP. We believe the paperwork is in order and there is no mistake in addition. We have every confidence that the California Department of Transportation will adjudicate these issues in a fair and equitable manner for all parties involved and with the spirit of the regulations.
