Dear Mr. Wilson:

The Department of Transportation (Caltrans) received the attached letter dated June 20, 2013, from T. W. Contracting, Inc. (TW), protesting the bid submitted by MGP Construction (MGP) for contract 08-0R8604. The protest alleges that MGP does not hold the appropriate license classification. TW requests that Caltrans find MGP nonresponsive and award the contract to TW.

Caltrans finds TW's protest does not have merit, since MGP has a valid Type A license that allows MGP to perform work described in the protest.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Manager, at (916) 227-6228.

Sincerely,

JOHN C. McMILLAN

Subject: Letter of bid protest for Contract # 08-or 8604, 08-sbd-51.9, Bid opening
5/9/2013.

This letter serves as a formal letter of protest for MGP Construction's bid. MGP Construction did not list a painting contractor and they do not possess a C-33 painting and decorating contractor's license. MGP Construction possesses a "B" General contractor's license and can not self perform a single trade, per Business and Professions Code, Division 3, Chapter 9, Contractors article 4, Classification section 7057 (b) (A general building contractor shall not take a subcontract involving trades other than framing or carpentry, or unless the subcontract requires at least two unrelated trades or crafts other than framing or carpentry, or unless the general contractor holds the appropriate license classification) MGP Construction does not hold the appropriate license classification. They can not self perform the painting and should be deemed non-responsive.

T W Contracting should be considered the low responsive bidder and be awarded this contract.

Via fax (916) 227-6282

Respectfully,

Tim Wilson
