Civil Engineering and Stormwater Solutions

December 1, 2015

RE: Proposal for WPCP for Caltrans 08-1C8404, bidding 11/9/15

Dear Prime Contractor,

Thank you for the opportunity to provide a proposal for this project. We provide civil engineering and stormwater management services.

Scope of Work:

A. Prepare Water Pollution Control Program (WPCP)

Prepare a Water Pollution Control Program (WPCP). The document will be prepared in accordance with Caltrans requirements. Water Pollution Control Drawings will be included.

Exclusions: Installation and implementation of water pollution practices, providing a WPC Manager, conducting training, and monitoring, inspection and correcting water pollution control practices are excluded. A WPC Manager, training, monitoring and inspection are available as an additional service upon request.

Fee:

The WPCP will be prepared for a Fixed Fee of the following, with fees billed monthly based upon percent completion:

A. Prepare WPCP (Part of Bid Item No. 9) \$ 625

Fees will be due within 30 days of client's receipt of invoice. Late payments beyond 30 days past due can be subject to a 1.5% per month interest charge. Payment arrangements can be made to coincide with any owner to contractor payment installments.

Timing and deliverables:

The WPCP will be provided within 1 week of receipt of authorization to proceed. The document will be provided in hard copy (4 copies) and electronic PDF format.

We appreciate the opportunity to present this proposal. Please feel free to contact me if you have any questions via cell at (707) 628-4219 or at our office number below.

Sincerely,

AUTHORIZATION TO PROCEED

Subject: Riverside Area - Wethose Quote
Attachments: 201512020645.pdf; Jennifer Crawley.vcf

Hi Tom,

Please find a fuel quote for your Caltrans Riverside Project 08-1C8404 that you are bidding next week as follows:

Product = RED DYED DIESEL (OFF ROAD DIESEL FUEL)
Estimated Usage = 2500 gallons over 3 mos. ~~x \$3.80~~
Fueling Service Required = Wethose 1-2 compressors at 2 locations
Estimated Deliveries = 100-200 gallons 1-3 times per week (will call in advance to schedule deliveries)
Terms: Net 10
Project location: Riverside and San Bernardino as per attached maps

*\$9,500 x 60% CREDIT =
\$5,700*

Cost Formula Per Gallon:
OPIS DAILY RACK AVERAGE COLTON +1.25 (plus Cap and Trade)
• + \$75.00 per hour if the offload exceeds 2 hours (not likely)

Our CUCP DBE # is 40807
Our DIR # is 1000019392

Please let me know if you have any questions or if there is anything else I can assist you with.

Best of luck on your bid and we hope to work with you on this project!

Thank you kindly for your consideration,
Jennifer

Hello Tom,

I just wanted to thank you for stopping by the office today. I heard you were inquiring about K- Rails, we do sell and rent k- rails we just do not include them in our cal trans quote but I can get you quotes for those and anything else you need. Once again thank you for stopping by and good luck with the job!! I have attached our line card in case you need anything

Thank you,

Tom,

Unfortunately we only do removals no install. We do sandblasting, grinding, shot blasting and sweeping. I think that a stripper will want to bid the whole thing not just install. Let me know if we can be of any help in the future.

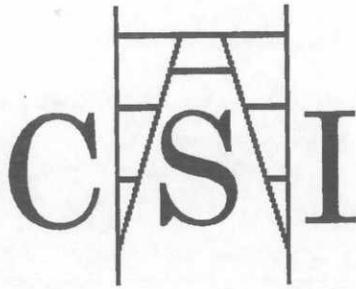

Thanks

Scaffolding Lease Proposal

Date: 12/02/15

Customer:
CL Industrial Coatings, Inc.
11650 Western Ave.
Stanton, Ca. 90680

Office (562) 285-6520
Fax (866) 339-5935

Attention:
Tom Hutchinson

Job Information:
Bridge No's:
54-0030L
54-0030R
56-0385
56-0315
56-0316

Scope of Work:
Commercial Scaffolding of California, Inc. (CSI) will install, erect, and dismantle hanging scaffold at bridges: 54-0030L and 54-0030R to access underside bridge girders for sandblasting and painting operations and 5' wide canopy's only (no lights) to the underside of steel girders of bridges: 56-0385, 56-0315, and 56-0316.

For bridges 54-0030L and 54-0030R, the use of skip plank, visqueen, and plywood for scaffold deck included. Scaffold to be attached to bridge as needed. Engineered drawings included. Shrink wrap to the outboard sides of scaffold deck included. No signage or lighting along roadways included. Scaffold rated at 35lbs per square foot. All scaffold will be installed OSHA compliant.

Pricing and Rental:

54-0030L: \$80,000.00 set for 80 days. Rental rate after 80 days will be \$400.00 per day thereafter. Rental rate can & will be pro-rated as necessary if required.

54-0030R: \$150,000.00 set for 80 days. Rental rate after 80 days will be \$750.00 per day thereafter. Rental rate can & will be pro-rated as necessary if required.

56-0385: \$6,700.00 set for 80 days. Rental rate after 80 days will be \$33.50 per day thereafter. Rental rate can & will be pro-rated as necessary if required.

56-0315: \$5,800.00 set for 80 days. Rental rate after 80 days will be \$29.00 per day thereafter. Rental rate can & will be pro-rated as necessary if required.

56-0316: \$4,500.00 set for 80 days. Rental rate after 80 days will be \$22.50 per day thereafter. Rental rate can & will be pro-rated as necessary if required.

Overtime Rental:

Absolutely no credits for any dollar amount will be given to customers in the event that scaffold remains onsite less than the duration of what was included in this proposal. No Exceptions.

Full Toe-Boards:

While CSI will provide OSHA compliant toe-boards over entrances and exits, some customers are requiring full toe boards on the outboard side of the scaffold. If this is a requirement there will be an additional price of 12% of total value of work. If inboard toe boards are also required, this additional price is double. Please notify CSI, Inc. if either of these are a requirement.

100% Tie-off not Included:

CSI is to follow a Fall Protection Plan as described in Cal OSHA (1671.1 Title #8 in Article 24) during erection and tear down phases of job. If CSI employees are required to erect and dismantle the scaffold using full tie-off for fall protection, which is over and above Cal OSHA or Fed OSHA regulations, there will be an additional charge approx.. 10% of total value of work. Please notify CSI, Inc. if this is a requirement.

Tarps/Screens:

CSI, Inc. may install Tarps/Screens on outboard side of scaffolding. If this is required there will be an additional charge added to this proposal. Please notify CSI immediately if this is a requirement. Please note that additional cost for this will include the labor costs of preparing the scaffold to accommodate the screen wind loads.

If CSI installs screens or tarps for the customer or if the customer installs his own, or allows others to install screens or tarps, it is the responsibility of the customer to roll the screens or tarps up during high wind conditions exceeding 15 MPH (as well as during non- working hours). If the tarps or screens are installed by others without written notification and authorization by CSI, all liability for damages caused by wind to the building, scaffolding or other objects damaged by the scaffolding being pulled down in high wind conditions is assumed by the customer.

Canopy:

CSI, Inc. may install canopy for overhead protection over entrances and exits only. If this is required there will be an additional charge added to this proposal. Please notify CSI immediately if this is a requirement. Unless otherwise noted no sidewalk use permits are included in this proposal.

It is the responsibility of the customer to provide electricity to the canopy light strings and to maintain all light strings in proper working order including replacement of light bulbs.

Trash Chute Responsibilities: Subcontractor and/ or General Contractor:

If Trash Chutes are applicable in this contract, it is the Contractors responsibility not to deposit material that is too long (over 4' long) and can cause the trash to become clogged with the debris. The Contractor will be responsible for any damage or repairs to alleviate the clog. This paragraph is not applicable for sand chutes.

Shrink Wrap Containment:

If Shrink wrap is applicable to this contract, CSI will not be responsible for any damage to the shrink wrap or scaffold caused by either other contractors or any weather related causes. Any repairs will be done on a time and material basis. The shrink wrap must be removed and disposed of by the contractor / customer.

Insurance:

General Liability Limits: \$1,000,000 Each Occurrence, \$1,000,000 Personal & Advertising Injury, \$2,000,000 General Aggregate, \$2,000,000 Products-Complete/Operations Aggregate.

Auto Liability: \$1,000,000 Combined Single Limit Each Accident.

Umbrella Limits: \$5,000,000 Each Occurrence, 5,000,000 Aggregate Limit.

Blanket Endorsements for Additional Insured, Waiver of Subrogation, Primary and Non- Contributory Wording and Aggregate Limit per project will be provided at no additional cost based on written, signed contract requirements.

Scheduled Endorsements for Additional Insured, Waiver of Subrogation, and Primary and Non-Contributory Wording can be provided at an additional cost of \$500.00 per Endorsement request. Any changes (additions / deletions / modifications) will be charged an additional \$500.00 per revision.

Upon receipt of signed contract CSI will provide contractor and owner with all certificates of insurance. All insurance will remain in force as long as CSI has employees and equipment on the job site.

Other Conditions and Users/Contractors Responsibility:

CSI includes toe-boards above exits and entrances only. All other areas are to be restricted by the customer in such a way that no work will occur under areas where the toe-boards are not installed.

Unless otherwise noted in this proposal, installation of tarps or demo screens are not included in this proposed scaffold system. If CSI installs, the Customer installs or a third party installs tarps or demo screens, it is the responsibility of the customer to roll up the tarps at the end of each work day or if the wind reaches a sustained speed of 15 mph. The Customer will be held responsible for all damages that occur as a result of high wind conditions where tarps are installed.

Upon completion of the scaffold system, CSI will install a green tag that releases the scaffold for access. Only then should the scaffold be accessed by non-CSI personnel. Once the scaffold is cleared for use, all responsibility of the scaffold system will have been transferred to the Customer under contract with CSI and CSI is to be Held Harmless. It is the Customer or Persons holding the contract with CSI to only permit persons with a "Scaffold User Awareness" card on their person to access and work from the scaffold (Scaffold user awareness courses are available through CSI, the Scaffold Industry Association, and other private organizations). It is the Customer or user of the scaffoldings responsibility to inspect the system before each work shift. Customer should not permit any others except CSI employees to move or alter scaffold in any way. No planking, bracing, or guard rails are to be moved or removed. No ties or bumps are to be removed before the scaffold is in the dismantling stage and CSI employees are the only ones permitted to remove ties or bumps. Customer understands that they will be fully liability for any accident caused by the removal or improper replacement of scaffold system components. If the scaffolding has been altered, CSI should be contacted to inspect and repair the scaffolding and this will be billed to the customer as extra work and will not be considered part of the contract's scope of work. The Customer is responsible for any patch work to the building that may be required as a result of the scaffold ties.

Parking & Access:

Bid based on reasonable access to all elevations to be erected and dismantled, reasonable access is an elevation with drive up conditions. CSI should be able to work off the truck within 50' of scaffold locations. Customer shall provide parking for CSI employees and trucks. If parking costs are incurred by CSI field employees, customer agrees to reimburse CSI for all parking costs.

Disputes, Failure to Pay, and Late Payment Interest:

This contract was entered into at Gardena, CA in the County of Los Angeles. If the terms of any proposed subcontract and this proposal conflict, this proposal's terms shall govern. If suit is brought for non-payment for any part of the contract, the customer agrees to pay for all collection costs and all awarded attorney fees.

In the event that the sums called for are not paid according to the terms set forth in this contract, CSI shall have the right to suspend work and/or terminate this agreement. Any payment that is not promptly paid in accordance with this agreement shall accumulate interest at a rate of the maximum allowed by the State of California, 1 ½ % per month (18% per year).

Extra Charges:

Extra charges shall apply to any additional scaffold being needed on the job site that is not described in the proposals Scope of Work. Extra work charges shall be paid to CSI at a rate of \$78.00/hour, overtime charges are \$103.00/hour, double-time charges are \$128.00/hour plus any additional equipment used. Dry-

run charges will be billed out by the hour. Customer agrees and will be charged for any and all scaffold equipment that is stolen or missing from the job site while in the customer's possession.

Acceptance:

CSI requires a minimum of 48-hour notice prior to the erection or the dismantling of scaffolding of any job. All notices require the verbal confirmation by CSI office employee.

This agreement shall be accepted by an owner, officer, or manager authorized to enter into legal contracts. **If work has commenced prior to receiving this signed contract back from our customer, all the terms herein shall be deemed acceptable.** This proposal must be agreed to, executed, and faxed back to CSI within 45 days of submission as evidenced by the date of this contract. If not received back within 45 days the bid becomes void and will require a new proposal from the CSI estimating department.

Prevailing Wages Included: Yes

Union Labor: Yes

Terms: Net 30 Days from date of invoice

Billing Terms: 70% of the contract upon erection, remaining 30% upon tear down, & all other charges to be billed monthly

Bid Total:

Base Bid: \$247,000.00

Date: 12/02/15

Yvette Garza for: Ron Thomas
Office Manager, San Diego

To accept all terms and conditions please sign and date below, fax back to CSI and schedule job for erection.

SUBCONTRACT QUOTATION

December 7, 2015

BIDS ON - 12/8/2015

PROJECT DESCRIPTION: Clean & Paint Bridge – Rte. 91 near Riverside, Ca.

CONTRACT / PROJECT NO: Caltrans # 08-1C8404 08-Riv,SBd-91,10-Var

ADDENDA ACKNOWLEDGED: 1

1. Cal Stripe Inc.'s subcontract proposal is good for 60 days only. Prices are based on Plans & Specifications available at bid time including all addenda.
2. If this proposal is accepted, it is to be incorporated as an exhibit to the Contract or purchase order. A signed purchase order, or subcontract is required prior to commencement of any work associated with this proposal. A baseline schedule, complete set of plans and specs (including special provisions) will be provided with the subcontract agreement.
3. Contractor to provide monthly progress payments for all completed work in accordance with the bid pricing schedule. Monthly progress payments must be received in full by Cal Stripe no later than 10 calendar days after the Contractor receives payment from Owner. Retention percentage on monthly progress payments to be no greater than the percentage retained by the Owner on its payments to the Contractor. If Owner reduces the retention percentages on payments to the Contractor, the Contractor shall likewise reduce the retention percentage on payments to Cal Stripe. Full retention to be released no later than thirty (30) days after completion of Cal Stripe's stage, phase or permanent work.
4. All changes to the original scope of work or proposed extra work must be directed by the Contractor in writing prior to Cal Stripe performing this work. No extra work or additional work will be performed without written authorization.
5. Any required Testing, Engineering, Design, Permits, Licenses or Applications, and the like to be provided by the Prime, or Owner.
6. If the Prime Contractor requires a bond, the Prime Contractor shall pay for the cost of the bond. Cal Stripe's bond rate is 1.5 %. Calstripe carries \$5,000,000.00 of insurance coverage only. Additional coverage's required by the Prime to be paid by the Prime. Cal Stripe does not carry railroad insurance.
7. For the purpose of this Subcontract Quotation one (1) move-in is considered to be a period of consecutive eight (8) hour days of continuous work, not including holidays. Any discontinuities in this period, other than holidays, or for our own convenience, will be charged as an additional move-in at the additional move-in charge stated below.
8. **Traffic control plans are not included. All lane closure requests are to be submitted by the Prime contractor.**
9. Cal Stripe requires the work area to be unobstructed by other operations while stripe removal and stripe installation is being performed.
10. **A baseline schedule and written notification is required a minimum of 30 calendar days prior to the commencement of work and for each additional move-in.**
11. CHANGES OR DELETIONS OF ANY ITEM MUST BE APPROVED PRIOR TO BID TIME.

Additional Terms

A. The following materials and services are included in this quote: Thermoplastic [YES] Pavement Markers [NO]
 Temporary Striping [YES] Thermo/Paint removal [YES] Marker Removal [NO] Lead compliance plan for stripe removal [YES]
 Lead Compliance classes [NO] PCMS Boards [NO] Survey [NO] Placement of Temporary Markers (tabs/floppys) [NO]

B. [2] Total move-ins included in this quote for Removals & Delineation. Additional Move-in charge @ \$2,500.00ea

C. Traffic control IS NOT included in this quote. (# of shifts required to complete our work- approx. 2).

D. Prime Contractor to provide ETW, centerline and stationing on center every 100 LF prior to move-in.

E. Prime Contractor is to provide a dumpsite within the job limits, and shall dispose of all stripe removal debris.

F. Prime Contractor to provide a clean surface swept free from all other debris prior to stripe installation.

G. Any required Safety Training shall be paid by The General Contractor on a force account basis.
