Dear Mr. Skajem:

The Department of Transportation (Caltrans) received a bid submitted by West Coast Structures, Inc., dba Western Structures (Western Structures) for Contract 08-1C8904 on May 15, 2014. Caltrans notifies Western Structures that its bid is nonresponsive since Western Structures did not comply with Contract Special Provision Section 2-1.15 DISABLED VETERAN BUSINESS ENTERPRISES, which states in part:

"...Certified DVBE Summary...is received at the Office Engineer no later than 4:00 pm on the 4th business day after bid opening."

Western Structures failed to submit the Certified DVBE Summary within the allotted time.

Based on the above, Caltrans finds your bid is nonresponsive. Caltrans will proceed to award the contract to the lowest responsible bidder, provided that all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 pm, two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Manager, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "for request" followed by a stylized signature.
