Re: 08-1C9104
Sub: Rebuttal to VAP Construction Inc. Bid protest #3

Dear Mr. McMillan,

Jabre Contracting Inc. disputes the both claims by VAP Construction in his Bid protest #3.

Once again VAP Construction is mispresenting the facts regarding PRS and the rumble strip. PRS quoted $10.25 per for performing the rumble strip only. ALL other alternate additive items were for those companies like VAP who can't perform clean up or fogseal, Jabre Contracting is not one of those companies. Again, Jabre Contracting is subcontracting out only the work to install the rumble strip.

VAP is also contending that the job can be done in 11 days, this is so far from the truth it scares me that he is in this business. First and foremost, he has over looked the fact that shoulder closures are needed for the fencing that will take a week to install. They then say that Cal-Stripe is going to finish in 5 days, they quoted 8 days, – please see their attached conditions. Also missing is the 2 days Jabre will be cleaning up and fog sealing after PRS is finished. Once the job is finished Jabre has to remove the fence and close a lane to load up the trash. This is an additional day.

As previously explained in rebuttal #2 this is a complex job, with multiple crews operating in more than one location and will require Maneri to supply us a crew for 21 days, along with our crew. Please see the DBE confirmation from Maneri that they will be used the 21 days.

In conclusion, VAP has continued to deceive the state by leaving out listed DBE subs, eliminate items from the bid that need to be completed, and state items from subs that aren't true. The facts are that the job will take 21 days, utilizing two DBE

subcontractors to perform 24% of the work. If you have any further questions, please don't hesitate to call me.

Sincerely,

Bob Collins
President

ADDENDA ACKNOWLEDGED: 1

1. Cal Stripe Inc.'s subcontract proposal is good for 60 days only. Prices are based on Plans & Specifications available at bid time including all addenda.

2. If this proposal is accepted, it is to be incorporated as an exhibit to the Contract or purchase order. A signed purchase order, or subcontract is required prior to commencement of any work associated with this proposal. A baseline schedule, complete set of plans and specs (including special provisions) will be provided with the subcontract agreement.

3. Contractor to provide monthly progress payments for all completed work in accordance with the bid pricing schedule. Monthly progress payments must be received in full by Cal Stripe no later than 10 calendar days after the Contractor receives payment from Owner. Retention percentage on monthly progress payments to be no greater than the percentage retained by the Owner on its payments to the Contractor. If Owner reduces the retention percentages on payments to the Contractor, the Contractor shall likewise reduce the retention percentage on payments to Cal Stripe. Full retention to be released no later than thirty (30) days after completion of Cal Stripe's stage, phase or permanent work.

4. All changes to the original scope of work or proposed extra work must be directed by the Contractor in writing prior to Cal Stripe performing this work. No extra work or additional work will be performed without written authorization.

5. Any required Testing, Engineering, Design, Permits, Licenses or Applications, and the like to be provided by the Prime, or Owner.

6. If the Prime Contractor requires a bond, the Prime Contractor shall pay for the cost of the bond. Cal Stripe's bond rate is 1.5 %. Calstripe carries $5,000,000.00 of insurance coverage only. Additional coverage's required by the Prime to be paid by the Prime. Cal Stripe does not carry railroad insurance.

7. For the purpose of this Subcontract Quotation one (1) move-in is considered to be a period of consecutive eight (8) hour days of continuous work, not including weekends and holidays. Any discontinuities in this period, other than weekends and holidays, or for our own convenience, will be charged as an additional move-in at the additional move-in charge stated below.

8. **Traffic control plans are not included. All lane closure requests are to be submitted by the Prime contractor.**

9. Cal Stripe requires the work area to be unobstructed by other operations while stripe removal and stripe installation is being performed.

10. **A baseline schedule and written notification is required a minimum of 30 calendar days prior to the commencement of work and for each additional move-in.**
