Dear Mr. Fard:

The Department of Transportation (Caltrans) received a bid submitted by United Engineering & Construction, Inc. (United Engineering) for contract no. 08-1E3004 on May 17, 2016. By this letter, Caltrans notifies United Engineering that its bid is nonresponsive since United Engineering did not comply with the contracts Revised Standard Specification Section 5-1.13 Subcontracting, which states in part:

*"Except for a building construction non-federal-aid contract, perform work equaling at least 30 percent of the value of the original total bid with your employees and equipment you own or rent, with or without operator."*

Caltrans has determined that United Engineering is not performing at least 30 percent of the total value of the contract.

Based on the above, Caltrans will proceed to award the contract to the lowest responsive bidder, provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
