Dear Mr. Othman:

The Department of Transportation (Caltrans) received a bid submitted by USS Cal Builders, Inc. (Cal Builders) for Contract 08-3401U4 on July 24, 2014. By this letter, Caltrans notifies Cal Builders that its bid is nonresponsive because it failed to properly complete the Subcontractor List form.

Caltrans 2010 revised Standard Specifications, Section 2-1.33C states in part, "...*The Subcontractor List must show the name, address, and work portions to be performed by each subcontractor listed. Show work portions by bid item number, description, and percentage of each bid item subcontracted*". On the Subcontractors List form under Percentages of Bid Items Subcontracted, Cal Builders listed percentages that are representative of the total contract bid, rather than the percent of work to be performed.

Based on the above, Caltrans will proceed to award the contract to the lowest responsible bidder, provided that all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
