Dear Mr. Peressini:

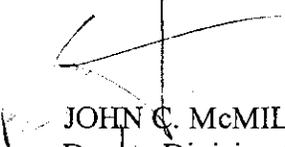

This letter is to inform Las Vegas Paving Corporation (LVP) that the Department of Transportation (Caltrans) is rescinding its letter dated September 5, 2013, stating the Office of Business and Economic Opportunity, Contract Evaluation Unit (CEU) determined that LVP did not meet the stated 5 percent goal on contract 08-368504.

On September 26, 2013, Office of Business and Economic Opportunity, Certification Unit conducted a review of Landscape Support Services (LSS), and determined that LSS is eligible for the work code(s) relating to landscape work.

Based on the above clarification, LVP does meet the stated goal for this contract. Caltrans will proceed to award this contract to LVP, provided all requirements are met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228 or John Myers, CEU Analyst, at (916) 324-0988.

Sincerely,

Subject: **Contract No.: 08-368504**

The bid submitted by Las Vegas Paving Corporation listed (for credit towards the DBE goal) Landscape Support Service to provide landscaping, irrigation, and related items in the amount of \$1,134,105.

At the time of the original evaluation of DBE participation, Landscape Support Service did not have the required work category codes to provide landscaping related types of work; therefore, the dollar amount listed for Landscape Support Service was not counted towards the goal pursuant to 49 CFR § 26.55(c).

On September 26, 2013 the Caltrans, DBE Certification Unit conducted a site visit to Landscape Support Service. This information gathered from the site visit resulted in the granting of landscaping work category codes to Landscape Support Service. Therefore, the dollar amount listed for Landscape Support Service is counted towards the DBE goal.

If you have any questions or concerns, you may contact John Myers, CEU Analyst, at (916) 324-0988 or by electronic mail at john_myers@dot.ca.gov.

Please notify the DBE and prime contractor
