Pricing is good for 60 days a purchase order must be received within such timeframe or pricing will be negotiated. Pricing is based on a package deal any changes in quantities or items listed may affect pricing. Pricing is for a standard basket advise if skewed or tapered baskets are required and a bid will be prepared accordingly. Billable Feet = calculated Lane Width, not actual length of basket. Basket Lane width calculation is: number of dowels multiplied by on center spacing divided by 12 to express as lineal feet. All orders are subject to the availability of raw materials. Pricing is based on materials being released for immediate production and or prior to expiration date noted above. If materials are released for production after expiration date, raw material escalators that occur from bid date to production release date may be passed along at cost if applicable. A steel raw material prepay option is available to protect pricing and control cost. Materials released for production will be invoiced upon completion and are to be paid for within standard terms or late fees will apply. In the event the job is unable to take possession at time of completion a storage option is available as space permits. If materials are stored beyond 30 days UV Protection is mandatory. Disposable UV Protection Coverings will be required at a cost of $25.00 each which will provide coverage for up to 4 pallets of dowels or each pallet of 60 baskets.

All payments must be received within 30 days of invoice submittal date. Any deviation from associated specification or clarifications within this proposal that result in additional charge will be an extra over and above the outline estimated cost within this proposal. This proposal DOES NOT include any required payment bond at a rate of 1.75%

Other Clarifications:

1) Pricing is based on wage rates from General Decision Number CA130036 dated 05.31.2013.
2) Pricing does not include continued maintenance or removal of temp. erosion control items.
3) Pricing assumes a single increment move-on for all individual line items.
4)Temp. Fiber roll & Inlet Protection line items cannot be contracted separately for pricing to be valid. Must be combined with Hydraulic Mulch.
5) Pricing does not include surface preparation, scarifying, and/or grading.
6) Bid excludes all surveying, testing, inspections, permits, fees, night work, & traffic control.
7) General Contractor to provide construction water and storage area on-site.

Pricing is good for 60 days a purchase order must be received within such timeframe or pricing will be negotiated. Pricing is based on a package deal any changes in quantities or items listed may affect pricing. Pricing is for a standard basket advise if skewed or tapered baskets are required and a bid will be prepared accordingly. Billable Feet = calculated Lane Width, not actual length of basket. Basket Lane width calculation is: number of dowels multiplied by on center spacing divided by 12 to express as lineal feet. All orders are subject to the availability of raw materials. Pricing is based on materials being released for immediate production and or prior to expiration date noted above. If materials are released for production after expiration date, raw material escalators that occur from bid date to production release date may be passed along at cost if applicable. A steel raw material prepay option is available to protect pricing and control cost. Materials released for production will be invoiced upon completion and are to be paid for within standard terms or late fees will apply. In the event the job is unable to take possession at time of completion a storage option is available as space permits. If materials are stored beyond 30 days UV Protection is mandatory. Disposable UV Protection Coverings will be required at a cost of $25.00 each which will provide coverage for up to 4 pallets of dowels or each pallet of 60 baskets.

Granite requests quotes from certified UDBE/DBE firms. Quotes will be broken down into comparable packages as reasonably necessary. Granite works with interested subcontractors to identify opportunities to breakdown items into economically feasible packages. Granite is an equal opportunity employer. Performance & Payment Bonds may be required. Subcontractors must possess a current contractor's license, insurance & worker's compensation coverage meeting Granite's requirements & will have to sign Granite's standard Subcontract Agreement. Joint party checks are available when requested. Contact the Estimator for a copy of Granite's insurance requirements or standard subcontract or if you need assistance obtaining bonding, Insurance, equipment, materials and/or supplies. Plans & Specs can be reviewed at Granite's office.

_____Yes, we will quote this project. **_____No, we will not quote this project.**

Re: **Solicitation for Quotation**

Dear «CompanyName»,

Granite Construction Company is actively soliciting quotations from potential subcontractors and suppliers, for the «JobOwner» - «JobName», «ProjectNo». We are requesting quotations in the following areas:

Pavement Marking
Grind – Cold Plane
Electrical – Roadway
Area Signs
AC Dike
Fence/Guardrail
Signs – Roadside

Granite Construction Company is an equal opportunity employer willing to negotiate and assist a subcontractor and/or supplier as needed. Joint party checks are available when requested. 100% Performance and Payment Bonds may be required. Bonding assistance is available. CA Lic. No 89.

This project bids to the «JobOwner» on «BidDate» at «BidTime». All prospective subcontractor and material quotes should be received with sufficient time to evaluate each proposal. Plans, specifications, addenda and other pertinent bidding information are downloadable at Granite's ftp site.

Re: **Solicitation for Quotation**

Dear «CompanyName»,

Granite Construction Company is actively soliciting quotations from potential subcontractors and suppliers, for the «JobOwner» - «JobName», «ProjectNo». We are requesting quotations in the following areas:

Pavement Marking
Grind – Cold Plane
Electrical – Roadway
Area Signs
AC Dike
Fence/Guardrail
Signs – Roadside

Granite Construction Company is an equal opportunity employer willing to negotiate and assist a subcontractor and/or supplier as needed. Joint party checks are available when requested. 100% Performance and Payment Bonds may be required. Bonding assistance is available. CA Lic. No 89.

This project bids to the «JobOwner» on **«BidDate»** at «BidTime». All prospective subcontractor and material quotes should be received with sufficient time to evaluate each proposal. Plans, specifications, addenda and other pertinent bidding information are downloadable at Granite's ftp site.
