Re: 09-347804 DVE

Dear Mr. McMillan:

We received your letter concerning our DVE participation on contract 09-347804.

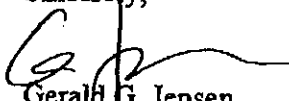

The DVE goal on the contract is 3%. Based upon our submittal we achieved 2.972%, which is \$460 below the goal. Not awarding the contract for \$460 does not seem appropriate.

Dependable Asphalts quote on the oil was for 550 +/- tons, which did not include the oil for Item 13, Minor asphalt concrete, Item 15, Asphalt concrete dike, and Item 16, Miscellaneous asphalt. The additional asphalt that would be delivered for these three items equates to approximately 14 tons, which amounts to an additional \$686.00 towards the DVBE goal. The additional \$686 would put us over the 3% requirement.

We request that you award the contract to Qualcon Contractors Inc., since we are the lowest responsive bidder, and are committed to meeting the 3% DVE goal.

Thank you for reconsidering the award. I can be reached at 775-782-2006 if you have any questions.

Sincerely,

Gerald G. Jensen
President
