Dear Mr. Roberts:

The Department of Transportation received letters dated November 4, 2015, and December 1, 2015, from Coral Construction Company (Coral), protesting the bid submitted by Peterson-Chase General Engineering Construction Company, Inc. (Peterson-Chase) for the above referenced contract. The protest alleges that G & C Equipment Corp. (G & C) and Sam's Equipment & Supplies (Sam's) do not have the correct work codes to perform the work listed on the Disadvantaged Business Enterprise (DBE) Commitment form. In addition, the protest further alleges that Peterson-Chase did not list Sam's or KRC Safety Co., Inc. (KRC) on the Subcontractors List Form.

The Office of Business and Economic Opportunity, Contract Evaluation Branch (CEB) reviewed the DBE Commitment form for its claimed participation and confirmed that G & C and Sam's have the required work codes and their participation towards the DBE goal for this contract was approved.

As the protest pertains to the listing of the Sam's and KRC Safety, Peterson-Chase was not required to list these firms on its Subcontractors List Form, since they are not performing services defined by the Business and Professional Code for that of a contractor and these items of work are not considered items of work subject to the Public Contract Code 4100 (et.seq).

Based on the above, Caltrans will proceed to award this contract to the lowest responsible bidder, provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Manger, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMILLAN".
