Dear Mr. Grimm:

The Department of Transportation (Caltrans) received letters dated May 28, and June 11, 2015, from Granite Construction Company (Granite) protesting the DBE submitted by Bay Cities Paving and Grading, Inc. (Bay Cities). The protest states that Bay Cities claimed Disadvantage Business Enterprise (DBE) participation is overstated for A.C. Dike and Dragon Material Transport, Inc. (Dragon).

The Office of Business and Economic Opportunity, Contract Evaluation Branch (CEB), reviewed Bay Cities' DBE Commitment submittal and determined that Bay Cities met the 9% DBE goal with the claimed participation rate of 9.01%.

As the protests relates to A.C. Dike, Caltrans finds no issue in the listing. CEB allowed the inclusion of the tax for Dragon and approved the claimed participation.

Caltrans finds that this protest does not have merit and will proceed to award the contract to the lowest responsive and responsible bidder, provided all requirements are met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Manager, at (916) 227-6228.

Sincerely,
