(trucking quote)

Tonnage rates	Product Type	Double Bottom	Semi Bottom	Super Dumps	Transfer	
G. Reed, Jackson Valley	Any	\$20.10				U.S. Ton
Granite, Bradshaw	Any	\$24.78				U.S. Ton

Add \$0.50 per ton for loads that you want tarped.

Standby on all materials will be calculated per truck per day:

- 1) \$ 2.00 per minute
- 2) Each load, when the loading and dumping combined, exceeds 30 minutes for all truck types except for Transfers. Transfers will be 45 minutes.
- 3) All clean up is included in the Loading and Dumping minutes.
- 4) No other loads can be averaged or included in the calculation.

Note: if we are delayed while traveling through other jobs for more than 10 minutes per round trip, we need to re schedule the haul, or be paid \$2.00 per minute for the excess time.

Note: tonnage prices are based on the trucks using hwy 49 in both directions.

If you want to replace the tonnage rates by paying us by the hour, this decision needs to be communicated to us one month prior to ordering the trucks. I need to be accurate in the pay rate I quote to the trucks I hire.

Hourly Rates:		Mon-Fri	Saturday	Sunday
1) 10 Wheelers	3 axle	\$ 120.00	\$ 125.00	\$ 135.00

QUOTE TERMS AND CONDITIONS

THIS AND ALL BUTTE SAND AND GRAVEL (SELLER) QUOTES ARE SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:

1. The customer (Buyer) must submit to Butte Sand and Gravel (Seller) a signed Quote or P.O. within 10 days of the project award or within 30 days of the quote, whichever is earlier, to secure the quoted price. The buyer will pay for any increase in the cost of production due to the buyer not providing a signed Quote or P.O. within 10 days of project award or within 30 days of the quote, whichever is earlier.
2. Butte Sand and Gravel strongly recommends a minimum of 3 weeks notice for scheduling of the plants for timely delivery of material. BUTTE SAND AND GRAVEL DOES NOT GUARANTEE THE AVAILABILITY OF THE MATERIALS QUOTED.
3. Material gradations are guaranteed at the plant in the stockpile. BSG is not responsible for product degradation due to handling, field conditions, or sampling errors after loadout from stockpiles.
4. Seller warrants that at the time and place of delivery the goods will conform to the express warranties set forth herein. The parties agree that the express warranties set forth herein are the only express warranties applicable to the goods described herein. **SELLER DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.** On receipt of the goods, or any portion thereof, Buyer shall promptly inspect and test all goods for conformity to express warranties and specifications before using the goods, reselling them or commingling them with goods of the like kind. Unless Buyer shall give written notice to Seller of any non-conformity of the goods to express warranties and specifications within 10 days of receipt and, in any event, prior to use, resale or commingling with goods of the like kind, any non-conformity or breach of express warranties is waived.
5. If Buyer claims breach of warranty, Buyer shall permit Seller to examine and test the goods. Buyer's exclusive remedy for breach of any warranty shall be, at the option of Seller, replacement of the non-conforming goods f.o.b. delivery point, or the cost to replace the non-conforming goods f.o.b. delivery point or a refund of the purchase price paid for the goods. Seller's liability for any other breach of this agreement shall be limited to the difference between the market price of the goods described herein, f.o.b. delivery point, and the price set forth in this agreement. Seller shall not be liable for any delay, loss of profits, additional expense, claims of third parties, or any other special, incidental or consequential damages of Buyer arising from breach of this agreement, breach of warranty, negligence, strict liability or any other cause. Buyer acknowledges that but for such agreement regarding the limitation of damages, the price of the goods would be higher.
6. For any credit purchases, unless otherwise agreed to in writing signed by an authorized person on behalf of Seller varying such terms, payment shall be 10th prox. That is to say, payment in full for all credit purchases made during the billing month is due by the 10th of the following month.
7. Retention of any percentage of Seller's billing is not permitted.
8. Buyer shall pay Seller (not as a penalty, but as liquidated damages based on the impracticality of fixing actual damages) a charge on all amounts not paid when due computed at a periodic rate of one and one-half (1½) percent per month (which is an annual percentage rate of 18%) or at the maximum rate permitted by law in the event such rate is lower.
9. Buyer agrees to pay all Seller's reasonable attorney's fees and collection costs in collecting amounts not paid when due, whether or not a lawsuit is filed and whether or not the lawsuit is pursued to judgment before Buyer pays off the indebtedness.
10. If and to the extent any purchase order from Buyer to Seller should contain any terms at variance with these terms, the terms set forth herein shall be changed only if and to the extent actually agreed to in writing and signed by an authorized person on behalf of Seller.
11. In the event a check is given as payment on account or in connection with any purchase, whether or not a sale on credit, and such check, upon deposit or negotiation, is not promptly honored by the bank upon which drawn, the provisions of paragraphs 3 and 4 shall be applicable in regard to the indebtedness represented by the check. Nothing herein shall be deemed to be an approval for Buyer to give a check that does not clear the bank upon which it is drawn. Buyer also agrees to pay a service charge of \$25.00 for any check that fails promptly to clear Buyer's bank upon presentation.
12. Buyer agrees fully and promptly to furnish Seller information needed or requested by Seller for proper filling out and service of a preliminary twenty-day notice under the mechanics' lien laws.
13. Buyer shall remain obligated by all terms and provisions of this Quote in regard to all purchases made until such time as Seller shall receive from Buyer written notice of revocation and/or change in status. In order to be effective, such notice must be mailed by certified or registered first class mail to Butte Sand and Gravel, 10373 South Butte Road, Sutter, CA 95982. Notice of revocation and/or change in status shall not in any way relieve Buyer from liability for any obligation or indebtedness incurred prior to the actual receipt by Seller of such notice sent in the prescribed manner. Receipt by Seller of a check or checks showing a different name than the name on the account shall not constitute written notice of a change in status.
14. This Quote is submitted by Buyer to Seller at Seller's place of business in Sutter, California and shall be deemed to have been entered into in Sutter, California. All payments by Buyer shall be made to Seller at its place of business in Sutter, California.
15. This quote is subject to the credit approval of the Buyer by the Seller. Seller, or any credit bureau or other investigative agency employed by Seller, is authorized to investigate any reference or information listed on the credit application, or statements or other data obtained from Buyer or any other person pertaining to the Buyer's credit and financial responsibility.
16. Seller reserves the right to approve or refuse credit on an individual sales or project by project basis at Seller's discretion.

Fuel Surcharge Assessment:

A fuel surcharge is assessed when fuel prices reach \$3.50 per gallon as reported by the U.S. Energy Information Administration. The fuel surcharge is 1% for every \$0.10 increase in fuel prices, or portion thereof. The breakdown is as follows:

Diesel price \$/gallon	% increase to hourly/tonnage rate
\$3.50 - \$3.599	1%
\$3.60 - \$3.699	2%
\$3.70 - \$3.799	3%
\$3.80 - \$3.899	4%
\$3.90 - \$3.999	5%
\$4.00 - \$4.099	6%
\$4.10 - \$4.199	7%
\$4.20 - \$4.299	8%
\$4.30 - \$4.399	9%
\$4.40 - \$4.499	10%
\$4.50 - \$4.599	11%
\$4.60 - \$4.699	12%
\$4.70 - \$4.799	13%
\$4.80 - \$4.899	14%
\$4.90 - \$4.999	15%

*\$5.00 and above add an additional 1% for each \$0.10 increase in price per gallon.

Fuel prices are checked weekly and any increase is based on the weekly retail on-highway diesel prices found at: www.eia.doe.gov/oog/info/wohdp/diesel.asp.

All fuel surcharges will be billed separately. After the assessment of the fuel prices at the end of the week, if a surcharge is applicable, a bill for the surcharge would be generated based on the hours worked within that week.

A signed work/purchase order constitutes acceptance of these terms.

Thank you.
