Dear Mr. Mirsaidi:

The Department of Transportation (Caltrans) received a bid from Synergy Project Management, Inc. (Synergy) for contract 10-0X8504 on March 19, 2013. By this letter, Caltrans notifies Synergy that its bid is nonresponsive because of an incomplete Subcontractor List.

The Subcontractor List form states in part, "...Complete columns 1 and 4 and submit with the bid. Complete columns 2 and 3 and submit with the bid or fax to (916) 227-6282 within 24 hours after the bid opening. Failure to provide complete information in columns 1 through 4 within the time specified will result in a nonresponsive bid."

On the original Subcontractor List submitted with the bid, column 3 was not completed for ABSL and Apadana Engineering, Inc. Synergy did not submit a second Subcontractor List within the 24 hour period with column 3 completed for the aforementioned subcontractors.

Based on the above action, Caltrans will proceed to award the contract to the lowest responsible bidder provided that all requirements are met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
