RE: Caltrans Contract #10-0Y2604

Dear Mr. McMillian:

Please consider this letter a response to Chester Bross Construction Company protest of the above referenced Caltrans (Agency) contract. SNC disputes the allegation that SNC did not meet the DVBE goal required by the project. SNC did claim 5.05% participation for the DVBE requirement as indicated by the attached DVBE certification. The goal was 3% and SNC exceeded that goal. As such, SNC should be deemed a responsive bidder.

Thank you in advance for your consideration. Please feel free to contact me further for any additional information you may require.

Marc Markwell
CFO
