DISABLED VETERAN BUSINESS ENTERPRISE DECLARATIONS

STD. 843 (Rev. 5/2006)

Instructions: The disabled veteran (DV) owner(s) and DV manager(s) of the Disabled Veteran Business Enterprise (DVBE) must complete this declaration when a DVBE contractor or subcontractor will provide materials, supplies, services or equipment [Military and Veterans Code Section 999.2]. Violations are misdemeanors and punishable by imprisonment or fine and violators are liable for civil penalties. All signatures are made under penalty of perjury.

SECTION 1

Name of certified DVBE: United Synergy Corporation dba USC Supply DVBE Ref. Number: 1568820

Description (materials/supplies/services/equipment proposed): Steel Trusses / Drywall

Solicitation/Contract Number: 11-076714 SCPRS Ref. Number: _____

(FOR STATE USE ONLY)

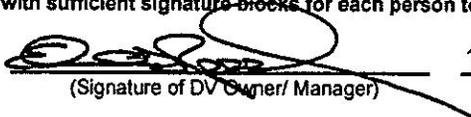

SECTION 2

APPLIES TO ALL DVBEs. Check only one box in Section 2 and provide original signatures.

I (we) declare that the DVBE is not a broker or agent, as defined in Military and Veterans Code Section 999.2 (b), of materials, supplies, services or equipment listed above. Also, complete Section 3 below if renting equipment.

Pursuant to Military and Veterans Code Section 999.2 (f), I (we) declare that the DVBE is a broker or agent for the principal(s) listed below or on an attached sheet(s). (Pursuant to Military and Veterans Code 999.2 (e), State funds expended for equipment rented from equipment brokers pursuant to contracts awarded under this section shall not be credited toward the 3-percent DVBE participation goal.)

All DV owners and managers of the DVBE (attach additional pages with sufficient signature blocks for each person to sign):

Edmond Rossovich _____  11/05/2015
(Printed Name of DV Owner/Manager) (Signature of DV Owner/ Manager) (Date Signed)

(Printed Name of DV Owner/Manager) (Signature of DV Owner/Manager) (Date Signed)

Firm/Principal for whom the DVBE is acting as a broker or agent: _____
(If more than one firm, list on extra sheets.) (Print or Type Name)

Firm/Principal Phone: _____ Address: _____

SECTION 3

APPLIES TO ALL DVBEs THAT RENT EQUIPMENT AND DECLARE THE DVBE IS NOT A BROKER.

Pursuant to Military and Veterans Code Section 999.2 (c), (d) and (g), I am (we are) the DV(s) with at least 51% ownership of the DVBE, or a DV manager(s) of the DVBE. The DVBE maintains certification requirements in accordance with Military and Veterans Code Section 999 et. seq.

The undersigned owner(s) own(s) at least 51% of the quantity and value of each piece of equipment that will be rented for use in the contract identified above. I (we), the DV owners of the equipment, have submitted to the administering agency my (our) personal federal tax return(s) at time of certification and annually thereafter as defined in *Military and Veterans Code 999.2*, subsections (c) and (g). *Failure by the disabled veteran equipment owner(s) to submit their personal federal tax return(s) to the administering agency as defined in Military and Veterans Code 999.2, subsections (c) and (g), will result in the DVBE being deemed an equipment broker.*

Disabled Veteran Owner(s) of the DVBE (attach additional pages with signature blocks for each person to sign):

(Printed Name) (Signature) (Date Signed)

(Address of Owner) (Telephone) (Tax Identification Number of Owner)

Disabled Veteran Manager(s) of the DVBE (attach additional pages with sufficient signature blocks for each person to sign):

(Printed Name of DV Manager) (Signature of DV Manager) (Date Signed)

SBE
DVBE 1744731

Dear Miguel,

American Veteran Painting Co., (AVPCo) (C-33 license #1007719), proposes to provide the following scope of work for the above referenced project.

- Prime and paint approximately 4,500 square feet of office space, and approximately 10,000 square feet of equipment building/shop space.
- Spray application to be used on walls and ceilings.
- Prime and paint a total of 22 doors.
- Prime and paint a total of 19 door frames.
- Prime and paint a total of 22 safety bollards.

Completion of work: Ten (10) days from commencement.

AVPCo to use material specifications as listed in scope of work.

Exclusions and conditions:

- All walls and ceilings to be finished, paint ready, taped and sanded with dust and free of any surface blemishes.
- Doors and door frames to be paint ready with corner joints caulked.
- Space to be painted to be free of obstacles, materials and other conditions which hamper free movement and access to surfaces to be painted.

Attachments:

- Copy of C-33 license #100719.
- Copy of Liability insurance certificate.
- Proof of workman's compensation insurance will be provided prior to commencement of work.

Fixed price is \$35,500.00, paid upon completion of work.

Warranty period:

Two years, if paint failure appears, AVPCo will supply labor and materials to correct the condition. This warranty excludes consequential or incidental damage caused by accidents or abuse, settlement or moisture, cracks caused by expansion and/or contraction.

American Veteran Painting Co.

Re: CAL TRANS MAINTENANCE FACILITY Office & Equipment-EL CENTRO, CA

Attn: Estimating

We propose to provide all material, labor and insurance necessary to perform the Scope of Work outlined below:

Scope of Work

- Hollow Metal Frames 19ea.
- Hollow Metal Doors 14ea.
- Wood Doors 8ea.
- Finish Hardware
- Installation

Base Bid \$ 32,935.00

PRE-Email on 11-3-15 louvers are included @ Doors

Inclusions/Clarifications

1. Provide Doors/Frames/Hardware for: Office/Equip Building
2. Finish Hardware per Hardware Schedule in Specifications as designated by Door schedule sheet A0-6.
3. Hardware bid as 626 Finish or equal.
4. Hollow Metal frames to be 16Gauge Welded per Specifications. 14Ga @ Pairs frames.
5. Hollow Metal Doors to be 16Gauge @ Exterior and 18Gauge @ Interiors, Size, Profile and elevations per Sheet A.06 and Specifications.
6. Electrical Locks will be supplied & installed by PPBH/JSI but final Wiring hook-up is by others.
7. This bid does not include any storefront doors/frames/hardware or Roll-Up Doors.
8. Door Type A must be a Honeycomb core door, Steel Stiffening cannot be achieved with this style door elevation.
9. All Cylinders will be keyed to temporary key system, Permanent Cores will be turned over to GC/Owner for keying and final installation.

✓

10. 3 Mobilizations are included, additional mobilizations will be added cost of \$500 Each Occurrence.
11. Stocking & Delivery.
12. Installation by JSI Door.

Exclusions

1. Caulking and Sealants. ✓
2. Wood trim.
3. Aluminum sliders
4. Painting or prefinishing
5. Plan changes made by Building Department or others.
6. Repair of damaged material by others.
7. Glass and Glazing by others. *- included By Glazing cont.*
8. All wiring hook-ups by others
9. **Grouting of hollow metal frames.**
10. Aluminum Storefront Doors or Hardware.
11. Demo of existing material.
12. Patching, adjusting or repairing of any existing door or frame.
13. Keying or master keying of project. ✓

General Notes

1. This proposal is valid for thirty (30) days after bid date.
2. This proposal is based on normal working hours.
3. **Access to and use of trash receptacles for disposal of waste generated during the course of work.**
4. Payment due 30 days after invoiced.

Acceptance

If you agree to The Terms and Conditions specified in this proposal, please sign and date in the provided locations and return to JSI Door, fax (619) 401-8358.

mc

All material is guaranteed to be as specified. All work to be completed in a workman-like manner according to standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon strikes, accidents or delays beyond our control. Owner to carry fire, tornado and other necessary insurance. Our workers are fully covered by Workmen's Compensation Insurance.

If legal action is commenced to enforce this agreement, the prevailing party shall be entitled to an award of costs of suit and reasonable attorney's fee. Interest on any payments due and not made in a timely fashion shall accrue at the rate of 1 1/2% monthly, or 18% per annum. This agreement contains the entire understanding of the parties and supercedes all prior agreements or understandings, oral or written, with respect to the subject matter of the agreement. This agreement may be changed or modified only by written agreement, signed by both parties. A waiver by either party of any of the terms and/or conditions of this agreement shall terminate any prior contract or agreement. If one or more of the terms and/or conditions of this agreement is found by a court of competent jurisdiction to be unenforceable, the other terms and conditions shall continue in full force and effect.

Acceptance of Proposal - The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payment will be made as outlined above.

SCOPE OF WORK AND QUOTE

Section 12-10.07 Free Standing Steel Shelving

Provide and install shelving for parts in room 713 per specifications and as shown in drawings A10-1 and A10-2, including the workbench shown between B&C-4, dwg A10-2.

Total.....\$31,559.32

Section 12-11.01 Lubrication and Compressed Air Systems Complete

Provide and Install:

1. Overhead Hose Reel Assemblies

- a. Graco Overhead reel assemblies, meters, valves and hoses and required accessories for Chassis Lubrication, Motor Oil, Hydraulic Fluid, ATF, Gear Lube, Anti-freeze and Water as shown on drawing M13-3
- b. Graco Waste Oil reel (not specified but shown in drawing M13-4)
- c. Lube Reel Support Frames as shown on drawings ST10-14 & M10-2, M13-1, M13-2 & M13-3.

Installation includes:

- Provide and label all lubrication piping from the pumps to the reels.
- Locate and anchor the Lube Reel Support Frames
- Install all reels and valves or meters and final connections to the supply piping as shown on drawing M10-2.
- Hang required reels from steel reel bracket and associated plumbing.
- Install pressure relief valves to oil pumps to protect the pumps and lines from thermal expansion.
- Ball valves located at each pump and reel for maintenance isolation.

Note: Fresh water piping to be provided by the plumbing sub-contractor.

2. Pump Assemblies

- a. Graco Chassis Lubricant Pump Assembly and required accessories
- b. Graco Motor Oil, ATF Hydraulic Fluid & Gear Oil lubricant pumps and required accessories
- c. Graco Anti-freeze pump assembly and required accessories
- d. Graco recyclable oil transfer pump and required accessories

Installation includes:

- CA piping in the pump room from the air compressor to the supply manifold, from the manifold to each pump, and all connections from the pumps to the dispensing piping described in the installation of the Overhead Hose Reel Assemblies above.
- Provide piping from grease pump to grease reels.
- Install lubrication pumps and associated plumbing.
- Install waste oil pump station and associated plumbing as shown on dwg M10-2.

- Install waste coolant pump station and associated plumbing as shown on dwg M10-2.
- Low voltage communication wiring from tanks to overfill alarms and shut-off for waste oil and coolant pump stations.
- Piping from the waste oil and waste coolant pump stations to the waste storage tanks.

3. Miscellaneous Components

- a. Storage Tanks and required accessories, including:
 - i. Hydraulic fluid, Motor oil, Gear lubricant, ATF, Waste Coolant Anti-freeze and recyclable oil.
 - ii. Stainless Steel Water Drum Tank & float
- b. Graco Light Reel assembly
- c. Champion Rotary Screw air compressor and required accessories
- d. Diesel Particulate Filter cleaning equipment

Installation includes:

- Locating all listed equipment, anchoring tanks, compressor, dryer, and Diesel Particulate Filter cleaning system according to engineering requirements.
- Label tank cells to identify product in each cell.
- Compressed air piping to the shop as shown on drawing M10-2, including remote air reels and air drops.
- CA connections to waste oil and waste coolant evac stations.
- Provide disconnect for compressor and connect compressor power to disconnect.
- Install compressed air pipe to shop, reels and drops as shown on M10-2. Label pipe.
- Provide air line from compressor to pumps with regulator and gauge

*We recommend by-pass plumbing and pre-filters for the compressor and dryer for maintenance purposes. This is not specified or quoted, but highly recommended.

Section 12-11.02 Exhaust Evacuation Hose Reel and Fan

Provide and install:

1. Exhaust hose reels, fan system, ducting and required accessories as described in this section, and as shown on drawings M10-6, M13-2

61 WEST MOUNTAIN STREET - PASADENA, CALIFORNIA 91103-3030 - (626) 797-4100 - FAX (626) 797-8865
California License No. 372983 - Nevada License No. 0037980 - Arizona License No. 07616324N

Installation includes:

- Locating all equipment listed and as shown.
- Provide and install ducting from reels to fan and install fan platform on roof.
- Electrical supply and connections by the electrical sub-contractor.
- Roof penetration, flashing and sealing to be provided by the roofing subcontractor.

Section 12-11.03 Workbench

1. 12 each workbenches and three (3) each fabricated steel light frames and lights as described in this section and as shown on drawings EE10-8 and A11-15.

Installation includes:

- Locating and anchoring benches and frames in place.
- Electrical supply and connections by the electrical sub-contractor.

Section 12-11 Total.....\$336,136.58

Credit for removing FSX (specified) DFF system.....<\$78,530.00>
Credit includes material, tax, freight, installation, seismic engineering and deputy inspector

Cost of optional Enviromotive DPF (not specified).....\$33,845.00
Total includes material, tax, freight, installation, seismic engineering and deputy inspector.

The Enviromotive system, though not specified, has been provided to over 75 Caltrans locations. PLE cannot guarantee approval by Caltrans. If the Enviromotive option is selected by you, PLE will provide all the materials for submittals to assist in approval.

Section 12-14.01 Mobile Vehicle Lift

1. Provide a set of four (4) Rotary MCHW418 battery operated, hydraulically powered wireless controlled mobile column lifts with required accessories.

Installation includes:

- Set-up, testing and, operation and safety training in the use of the lifts and accessories.

Section 12-14.01 Total.....\$46,228.72

- ENGINEERING
- DEPUTY INSPECTIONS

- All totals include equipment, taxes, delivery, installation, permits and permit fees, seismic engineering, deputy inspections, prevailing wage, fire-off and training.
- Bonding is not included. Pacific Lift is bondable at a 2.5% rate.
- Prices are valid for 90 days
- Pacific Lift is a state certified SLB # 1730371 State of Calif. Feb 29, 2016

GENERAL INSTALLATION SECTION

- Permits and permit fees included
- Prevailing Wages
- Testing and training.
- Seismic engineering for PLE-provided equipment, where required.
- Deputy Inspection, where required
- Provide fork, reach and man lifts
- Ship and unload equipment
- Clean up is to include removal of all shipping dunnage into customer-provided receptacles and a one-time broom sweep of the work area. All required trash receptacles are to be provided by customer.
- Fire-off, testing and training

Exclusions

- No city, county, state or federal or O.S.H.A. operational permits.
- No bid, performance and/or payment bonds. PLE is bondable at a rate of 2.5%
- **No SPCC report included (Spill prevention countermeasure control report fire required if storing an aggregate of 1,320 gallons and above of petroleum products.)**
- All installation in this proposal is based on utilizing experienced non-union personnel.
- No special U. L. inspection or testing equipment is included. If required special testing is to be billed as an extra charge.
- No electrical work of any kind.
- Electrical supply to compressor disconnect and cooler by electrical sub-contractor.
- Power to light reel by electrical sub contractor
- No water or gas piping
- Exhaust Reel structural steel bracket

- No painting of piping.
- Customer is to provide adequate power for the use of power tools, equipment charging and pipe machines to within 50' of the work area.
- All work to be performed during standard business hours, Monday-Friday, 8:00AM-4:00PM
- No guard post, fencing, containment curb or concrete slab for aboveground storage tanks.
- Beneficial use of system components shall constitute acceptance:

TERMS AND CONDITIONS

Quote good for 90 days

- Equipment to be invoiced at time of delivery: Net 30 days.
- Installation to be invoiced progressively: Net 30 days.
- Pacific Lift retains collateral interest in equipment and installation until fully paid.
- Pacific Lift makes no equipment warranties. All warranties shall be administered and authorized by the manufacturer per their published warranty. Pacific Lift workmanship is warranted for one year.

Dear Miguel,

American Veteran Painting Co., (AVPCo) (C-33 license #1007719), proposes to provide the following scope of work for the above referenced project.

- Prime and paint approximately 4,500 square feet of office space, and approximately 10,000 square feet of equipment building/shop space.
- Spray application to be used on walls and ceilings.
- Prime and paint a total of 22 doors.
- Prime and paint a total of 19 door frames.
- Prime and paint a total of 22 safety bollards.

Completion of work: Ten (10) days from commencement.

AVPCo to use material specifications as listed in scope of work.

Exclusions and conditions:

- All walls and ceilings to be finished, paint ready, taped and sanded with dust and free of any surface blemishes.
- Doors and door frames to be paint ready with corner joints caulked.
- Space to be painted to be free of obstacles, materials and other conditions which hamper free movement and access to surfaces to be painted.

Attachments:

- Copy of C-33 license #100719.
- Copy of Liability insurance certificate.
- Proof of workman's compensation insurance will be provided prior to commencement of work.

Fixed price is \$35,500.00, paid upon completion of work.

Warranty period:

Two years, if paint failure appears, AVPCo will supply labor and materials to correct the condition. This warranty excludes consequential or incidental damage caused by accidents or abuse, settlement or moisture, cracks caused by expansion and/or contraction.

METAL DECK PROPOSAL

TO: HAL HAYS CONSTRUCTION

DATE: NOVEMBER 5, 2015

ATTN: DENIA LANZA

PROJECT: EL CENTRO
MAINTENANCE STATION
EL CENTRO, CA

NOTE: THIS BID VALID UNTIL 12/4/15

Gentlemen:

We propose to furnish and install the "METAL DECKING" on the above referenced project. This quotation is in accordance with plans and specifications issued by: CA / DOT

Specifications: 12-5.03 Metal Deck ✓
Drawings: Architectural and Structural Dated 6/15/15 ✓
Base Bid Amount: \$25,350.00***Tax Included ✓
Bond Rate: 1.44%

08/10

Bid Includes:

1. HSB-SS-36 20Ga. G-90 galvanized roof deck.
2. Loose angle support of small openings per 1/ST10-0.
3. 100% Domestic steel.
4. DIR registration number 1000006206.
5. 100% Small business certified NAICS #238120 and #237310.
6. State of California certified small business #1745593.
7. Cutting of roof openings. Layout and safety protection of openings by others.
8. Power for all welding operations.
9. Shop drawings.

Bid Excludes:

1. Layout of all openings and building perimeter.
2. All Structural, dimensional and miscellaneous steel including all ledger angels and bent plates.
3. All cutting, framing or supporting of openings not shown on architectural or structural drawings.
4. Hoisting, including hook and unhook of metal deck, closures and accessories. Metal deck shall be hoisted from truck to steel and placed in the proper bay as directed by Infinity Metals. Should this project require deck bundle sliding restraints, this item will be installed by others.
5. The cost of all permits and inspections, including welding inspections.
6. All payment and performance bond costs.
7. All perimeter and opening protection as required by O.S.H.A. regulations.
8. All standing seam metal roofing and siding including all flashings and waterproofing.
9. Shoring of decking due to design over span and /or excessive construction loading.
10. Touch up painting or cleaning of deck and steel bottom side.
11. All trash enclosure gates.

Bid Excludes Continued:

12. All roof equipment screen assemblies.
13. All finish painted decking and or siding.
14. All M.E.P. sleeves and roof drain supports.
15. All water proof closures and sealants.
16. All closures and /or firesafing at underside of decking.
17. All gutters, flashings and downspouts.
18. Framed openings per 5/ST10-12.
19. Premanufactured Canopies per 2 & 4/ST10-11.

Clarifications:

1. Topside of supporting structural members to be free of paint and or galvanizing.
2. This proposal is based on (1) one move of our equipment and manpower; ADD \$1,250.00 for each additional move. If additional move-ins are required for shear stud installation, ADD \$2,500.00 for each additional trip.
3. All change orders are to be processed and paid within 45 days after receiving invoice; otherwise, no additional change orders or extra work will be performed until outstanding invoices are paid.

NOTE

DUE TO THE CURRENT VOLITILITY IN STEEL PRICING, THIS PROPOSAL IS VALID FOR PURCHASE FOR THIRTY DAYS FROM THE DATE ABOVE. WITHIN THAT 30 DAY PERIOD, ISSUANCE OF A CONTRACT OR LETTER OF INTENT WILL HOLD PRICING THROUGH CONTRACT PERIOD NOTED ABOVE. AFTER 90 DAYS, PRICING IS SUBJECT TO CHANGE

THIS PROPOSAL IS BASED ON DELIVERY OF ALL MATERIAL DURING THE 2nd QUARTER OF 2016. DUE TO VOLATILE STEEL PRICING, ALL MATERIAL MUST BE DELIVERED TO JOBSITE PRIOR TO 6/30/16.

Terms and payment agreement

Progress payments billed on a monthly basis for percentage of project completed and for materials delivered to project site. Payment due (30) thirty days from invoice date.

Respectfully Submitted,
INFINITY METALS INC.
